

from the State Driver's Licensing Agency. A summary of each applicant's seizure history was discussed in the February 3, 2022, **Federal Register** notice (87 FR 6231) and will not be repeated in this notice.

These 32 applicants have been seizure-free over a range of 2 to 37 years while taking anti-seizure medication and maintained a stable medication treatment regimen for the last 2 years. In each case, the applicant's treating physician verified his or her seizure history and supports the ability to drive commercially.

The Agency acknowledges the potential consequences of a driver experiencing a seizure while operating a CMV. However, the Agency believes the drivers granted this exemption have demonstrated that they are unlikely to have a seizure and their medical condition does not pose a risk to public safety.

Consequently, FMCSA finds that in each case exempting these applicants from the epilepsy and seizure disorder prohibition in § 391.41(b)(8) is likely to achieve a level of safety equal to that existing without the exemption.

#### V. Conditions and Requirements

The terms and conditions of the exemption are provided to the applicants in the exemption document and includes the following: (1) Each driver must remain seizure-free and maintain a stable treatment during the 2-year exemption period; (2) each driver must submit annual reports from their treating physicians attesting to the stability of treatment and that the driver has remained seizure-free; (3) each driver must undergo an annual medical examination by a certified ME, as defined by § 390.5; and (4) each driver must provide a copy of the annual medical certification to the employer for retention in the driver's qualification file, or keep a copy of his/her driver's qualification file if he/she is self-employed. The driver must also have a copy of the exemption when driving, for presentation to a duly authorized Federal, State, or local enforcement official.

#### VI. Preemption

During the period the exemption is in effect, no State shall enforce any law or regulation that conflicts with this exemption with respect to a person operating under the exemption.

#### VII. Conclusion

Based upon its evaluation of the 32 exemption applications, FMCSA exempts the following drivers from the epilepsy and seizure disorder

prohibition, § 391.41(b)(8), subject to the requirements cited above:

Andrew Anzalone (MA)  
Anthony Cavaliere (NY)  
Shane Chacon (ID)  
Brad Crawford (LA)  
Michael Davee (CA)  
Callon Hegman (MO)  
Jacob Hitchcock (IA)  
Holly Hobert (NE)  
Gary Johnson (MO)  
Gregory Johnson (NC)  
Lance Johnson (TN)  
Alan Keil (HI)  
Kim Langan (CA)  
Armando Macias-Tovar (FL)  
Christian Mandahl (MT)  
Joseph Mendoza (IN)  
Edna Merritt (TN)  
Richard Packer (ID)  
Alexander Paradis (RI)  
Steven Paul (WI)  
Kevin Podman (IL)  
Michael Reimer (CA)  
Richard Riley (IA)  
Charles Rivet (IA)  
Brian Runk (PA)  
Lucas Schmidt (NY)  
Bradley Scruggs (CA)  
Kacen Schaffer (CO)  
Shaen Smith (MN)  
Kip West (CO)  
Derek Wettstein (TX)  
Jeremy Williams (MS)

In accordance with 49 U.S.C. 31315(b), each exemption will be valid for 2 years from the effective date unless revoked earlier by FMCSA. The exemption will be revoked if the following occurs: (1) The person fails to comply with the terms and conditions of the exemption; (2) the exemption has resulted in a lower level of safety than was maintained prior to being granted; or (3) continuation of the exemption would not be consistent with the goals and objectives of 49 U.S.C. 31136(e) and 31315(b).

#### Agency Information Collection Activities; Proposed Renewal; Comment Request; Renewal Without Change of the Report of International Transportation of Currency or Monetary Instruments; FinCEN Report 105

**AGENCY:** Financial Crimes Enforcement Network (FinCEN), Treasury.

**ACTION:** Notice and request for comments.

**SUMMARY:** As part of its continuing effort to reduce paperwork and respondent burden, FinCEN invites comments on the proposed renewal, without change, of a currently approved information collection found in existing Bank Secrecy Act regulations. Specifically, FinCEN invites comments on a renewal, without change, of existing information collection requirements for the Report of International Transportation of Currency or Monetary Instruments (CMIR). Although no changes are proposed to the information collection itself, this request for comments covers a proposed updated burden estimate for the information collection. This request for comments is made pursuant to the Paperwork Reduction Act of 1995 (PRA).

**DATES:** Written comments are welcome, and must be received on or before May 23, 2022.

**ADDRESSES:** Comments may be submitted by any of the following methods:

- *Federal E-rulemaking Portal:* <https://www.regulations.gov>. Follow the instructions for submitting comments. Refer to Docket Number FINCEN-2022-0006 and the specific Office of Management and Budget (OMB) control numbers 1506-0014.

- *Mail:* Policy Division, Financial Crimes Enforcement Network, P.O. Box 39, Vienna, VA 22183. Refer to Docket Number FINCEN-2022-0006 and OMB control number 1506-0014.

Please submit comments by one method only. Comments will be reviewed consistent with the Paperwork Reduction Act of 1995 and applicable OMB regulations and guidance. Comments submitted in response to this notice will become a matter of public record. Therefore, you should submit only information that you wish to make publicly available.

#### SUPPLEMENTARY INFORMATION:

#### I. Statutory and Regulatory Provisions

The legislative framework generally referred to as the Bank Secrecy Act (BSA) consists of the Currency and Financial Transactions Reporting Act of 1970, as amended by the Uniting and Strengthening America by Providing Appropriate Tools Required to Intercept and Obstruct Terrorism Act of 2001 (USA PATRIOT Act), Public Law 107-56 (October 26, 2001), and other

legislation, including most recently the Anti-Money Laundering Act of 2020 (AML Act).<sup>1</sup> The BSA is codified at 12 U.S.C. 1829b, 12 U.S.C. 1951–1960, 31 U.S.C. 5311–5314 and 5316–5336, and notes thereto, with implementing regulations at 31 CFR chapter X.

The BSA authorizes the Secretary of the Treasury (the “Secretary”), *inter alia*, to require financial institutions to keep records and file reports that are determined to have a high degree of usefulness in criminal, tax, and regulatory matters, or in the conduct of intelligence or counter-intelligence activities to protect against international terrorism, and to implement AML programs and compliance procedures.<sup>2</sup> Regulations implementing the BSA appear at 31 CFR chapter X. The authority of the Secretary to administer the BSA has been delegated to the Director of FinCEN.<sup>3</sup>

31 U.S.C. 5316 requires, with limited exceptions, that a person, or an agent or bailee of the person, file a report when the person, agent, or bailee knowingly: (i) Transports, is about to transport, or has transported monetary instruments<sup>4</sup> of more than \$10,000 at one time from a place in the United States to or through a place outside the United States; or to a place in the United States from or through a place outside the United States; or (ii) receives monetary instruments of more than \$10,000 at one time transported into the United States from or through a place outside the United States. The regulations implementing this statutory requirement are found at 31 CFR 1010.340.

31 CFR 1010.340(a) requires each person<sup>5</sup> who physically transports, mails, or ships, or causes to be physically transported, mailed or shipped, or attempts to cause to be physically transported, mailed or

shipped, currency<sup>6</sup> or other monetary instruments<sup>7</sup> in an aggregate amount exceeding \$10,000 at one time from the United States to any place outside the United States, or into the United States from any place outside the United States, to file a CMIR.<sup>8</sup>

31 CFR 1010.340(b) requires each person in the United States who receives at any one time currency or other monetary instruments exceeding \$10,000 in the aggregate, which have been transported, mailed, or shipped to such person from any place outside the United States, to file a CMIR if the CMIR has not already been filed pursuant to 31 CFR 1010.340(a). The CMIR must include the amount, the date of receipt, the form of monetary instruments, and the person from whom the funds were received.

31 CFR 1010.340(c) includes a list of persons that are not required to file a CMIR, even if they satisfy the conditions of 31 CFR 1010.340(a) or (b). 31 CFR 1010.340(d) clarifies that a transfer of funds through normal banking procedures, which does not involve the physical transportation of currency or monetary instruments, is not required to be reported on the CMIR.

According to the CMIR instructions, each person who receives currency or other monetary instruments in the United States must file a CMIR within 15 days after receipt of the currency or monetary instruments with the United States Customs and Border Protection (CBP) officer in charge at any port of entry or departure, or by mail.<sup>9</sup> Travelers carrying currency or other monetary instruments with them must file the CMIR at the time they enter the United States or at the time they depart the United States with the CBP officer in charge at any port of entry or departure.<sup>10</sup>

A transportation, mailing, or shipping of currency or monetary instruments does not need to be reported if any other participants in that cross-border

transportation, mailing, or shipping previously filed a complete and accurate CMIR. If, however, a complete and accurate CMIR has not been filed with respect to a given transaction, no person required to file the CMIR will be excused for failure to do so.

A person transporting their own currency or monetary instruments (a “traveler”) in excess of \$10,000, or shipping, mailing, or receiving such value on their own behalf, must provide their own information when completing the CMIR. In completing a CMIR, a person acting for anyone else when transporting, shipping, mailing, or receiving currency or monetary instruments (a “currency transporter”) in excess of \$10,000 must provide (a) the person’s own information, and (b) information about (i) the person on whose behalf the transaction was conducted, (ii) the person from whom the currency or monetary instruments were received, and/or (iii) the person to whom the currency or monetary instruments were shipped.<sup>11</sup>

<sup>1</sup> The AML Act was enacted as Division F, §§ 6001–6511, of the William M. (Mac) Thornberry National Defense Authorization Act for Fiscal Year 2021, Public Law 116–283, 134 Stat 3388 (2021).

<sup>2</sup> Section 358 of the USA PATRIOT Act added language expanding the scope of the BSA to intelligence or counter-intelligence activities to protect against international terrorism. Section 6101 of the AML Act added language further expanding the scope of the BSA but did not amend these longstanding purposes.

<sup>10</sup> In early 2020, CBP implemented a web-based platform for the electronic completion of CMIRs by travelers transporting their own currency or monetary instruments. Travelers using this platform must still present the evidence of the electronic completion of the report to the CBP officer in charge at any port of entry or departure. regulations, in hours and dollars, is the sum of the following estimates:

(a) The total number of CMIRs filed annually;

(b) The time and cost for travelers to report transporting, mailing, shipping, or receiving their own currency or monetary instruments;

(c) The time and cost for currency transporters to report transporting, mailing, shipping, or receiving currency or monetary instruments on behalf of others;

(d) The cost to CBP to receive, review, and process CMIRs; and

(e) The cost to FinCEN to upload and store CMIRs.

### 1. Estimate of Number of CMIRs Filed Annually

Using CBP data, FinCEN identified the number of CMIRs filed over the past five years, broken down by the dollar amount reported on individual CMIRs.

TABLE 1—CMIRs FILED BETWEEN 2017–2021, BY CMIR REPORTING AMOUNT

(\*) Up to and including November 2021.

Because the COVID–19 pandemic severely impacted cross-border travel during 2020 and, to a lesser degree,

2021, FinCEN restricted its average annual CMIR reporting estimate to the

average number of CMIRs filed between 2017–2019.

TABLE 2—AVERAGE NUMBER OF CMIRs FILED BETWEEN 2017–2019, BY CMIR REPORTING AMOUNT

CMIR reporting amount	Year			Grand total	Average	Tiers	Percent
	2017	2018	2019

\$10,000 and above .....	169,474	152,318	145,586	467,378	155,793		
Total CMIRs per Year .....	198,159	181,933	174,036	554,128	184,709	184,709	100.00

FinCEN estimates that approximately 184,709 CMIRs are filed annually.<sup>15</sup> To calculate the different compliance burdens for travelers filing CMIRs on their own behalf, and currency transporters reporting transactions on behalf of other persons, FinCEN separated the annual estimate into two tiers:

(a) 14,296 CMIRs (or 7.74% of the total estimate) have reporting amounts of \$250,000 and above. FinCEN assesses that CMIRs reporting \$250,000 or more are likely CMIRs filed by currency transporters.

(b) 170,413 CMIRs (or 92.26% of the total estimate) have reporting amounts of less than \$250,000. FinCEN assesses that CMIRs reporting less than \$250,000

are likely CMIRs filed by travelers on behalf of themselves.

The information required to be reported on the CMIR is basic identifying and transaction information which would be readily accessible to a traveler or currency transporter. For instance, a traveler only has to report identifying information on themselves. A currency transporter has to report identifying information on itself, as well as on the person or business on whose behalf the currency is being transported. Both travelers and currency transporters are required to report on the type and amount of the currency being transported. For these reasons, FinCEN estimates that the completion of a CMIR filed by travelers reporting transactions involving their own currency or monetary instruments (including both

the completion of the report and the storing of a copy) will require 15 minutes, while the completion of a CMIR filed by currency transporters will require 30 minutes.

### 2. Estimated Cost for Travelers Reporting Transactions Involving Their Own Currency or Monetary Instruments

To estimate the cost of compliance with CMIR reporting requirements for travelers, FinCEN used an average fully loaded wage rate of \$38.44 per hour (composed of \$27.07 per hour, the mean hourly wage for all employees from the May 2020 National Occupational Employment and Wage Estimates report,<sup>16</sup> multiplied by a private

<sup>15</sup> See Table 2.

<sup>16</sup> See U.S. Bureau of Labor Statistics, *National Occupational Employment and Wage Estimates*,

industry benefits factor of 1.42).<sup>17</sup> FinCEN estimates the annual compliance cost of CMIRs filed by travelers reporting transactions involving their own currency or monetary instruments at \$1,637,669 (170,413 reports multiplied by the average fully loaded wage rate of \$38.44 per hour, multiplied by the ratio of 15

minutes/60 minutes, rounded up to the nearest hour and dollar).

*3. Estimated Cost for Currency Transporters Reporting Transactions Involving Currency or Monetary Instruments Belonging to Others*

To estimate the cost of compliance with CMIR reporting requirements for

currency transporters, FinCEN calculated an average weighted fully loaded wage rate representing the participation of two different employee levels in the preparation of the report: An operational level that fills in the report, and a direct supervision level that controls it.

TABLE 3—FULLY-LOADED HOURLY WAGE PER ROLE AND BUREAU OF LABOR STATISTICS (BLS) JOB POSITION

Role	BLS-code	BLS-name	Median hourly wage	Benefit factor	Fully-loaded hourly wage
Direct Supervision .....	13–1041	Compliance Officer .....	\$34.18	1.42	\$48.54
Operations .....	43–3071	Teller .....	15.68	1.42	22.27

Based on an allocation of twenty minutes (approximately 67% of the total estimated time to complete and file a CMIR) for the operational level to

complete and store a copy of the report, and ten minutes (approximately 33% of the total estimated time to complete and file a CMIR) for the direct supervision

level to compare the completed report against transportation documents, the weighted fully loaded wage would be:

TABLE 4—WEIGHTED FULLY LOADED PROPORTIONAL COST

Component	Direct supervision		Operations		Weighted average hourly cost
	Percent time	Hourly cost	Percent time	Hourly cost	
Recordkeeping and reporting .....	33%	\$48.54	67%	\$22.27	\$31.03

FinCEN estimates the annual compliance cost of CMIRs filed by currency transporters reporting transactions conducted on behalf of others, at \$221,802 (14,296 reports multiplied by the weighted fully loaded wage rate of \$31.03, multiplied by the ratio of 30 minutes/60 minutes, rounded up to the nearest hour and dollar).

*Estimated Number of Respondents:* 184,709 (average number of CMIRs filed over the period 2017–2019).

*Estimated Burden per Respondent:* 15 minutes per report filed by travelers reporting transactions involving their own currency or monetary instruments, and 30 minutes per report filed by currency transporters reporting transactions on behalf of others.

*Estimated Total Annual Burden Hours:* 49,751 hours.<sup>18</sup>

*Estimated Total Annual Cost to the Public:* \$1,859,471 (\$1,637,669 for travelers and \$221,802 for currency transporters).

*Estimated Total Annual Cost to the Government:* \$1,434,835.29, resulting from:

(a) CBP's processing cost: \$1,416,364.39.<sup>19</sup>

(b) FinCEN's upload and storing cost: \$18,470.90 (the estimated annual cost to FinCEN is \$0.10 per report, times the estimated number of annual reports (184,709 reports)).<sup>20</sup>

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless the collection of information displays a valid OMB control number. Records required to be retained under the BSA must be retained for five years.

Comments submitted in response to this notice will be summarized and/or included in the request for OMB approval. All comments will become a matter of public record. Comments are invited on: (i) Whether the collection of information is necessary for the proper performance of the functions of the agency, including whether the information shall have practical utility; (ii) the accuracy of the agency's estimate of the burden of the collection of information; (iii) ways to enhance the quality, utility, and clarity of the

information to be collected; (iv) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology; and (v) estimates of capital or start-up costs and costs of operation, maintenance, and purchase of services to provide information.
