Sec. 18;

Sec. 19, lots 1 thru 4, NW¼NE¼, and E½NW¼;

Sec. 30, lot 1.

The areas described aggregate approximately 800 acres in La Paz and Yuma Counties.

The use of a right-of-way, interagency agreement, or cooperative agreement is precluded because of the expected annual usage, daily duration, and impact to the public of the proposed military activities within the requested withdrawal area.

No additional water rights are needed to fulfill the purpose of the requested withdrawal area.

There are no suitable alternative sites within or outside of the YPG boundaries that are compatible with the proposed use since the subject withdrawal area will be an additional surface safety zone adjacent to an existing YPG parachute drop zone. The drop zone was specifically established for its soil type, topography, and airspace which are optimal for testing and observation of parachute and air delivery systems. The additional safety zone is needed to enhance the testing of new technology on existing drop zones by preventing public entry into hazardous areas during high-altitude drop operations.

Before including your address, phone number, email address, or other personal identifying information in your comment, you should be aware that your entire comment, including your personal identifying information, may be made publicly available at any time. While you can ask us in your comment to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so.

Notice is hereby given for two public meetings in connection with the proposed withdrawal. In response to the coronavirus (COVID–19) pandemic in the United States, and the U. S. Centers for Disease Control and Prevention recommendations for social distancing and avoidance of large public gatherings, the BLM and Army will not hold in-person public meetings for this action. The BLM and Army will host the public meetings online and by telephone. There will be two public online meetings scheduled for Tuesday June 7, 2022, at 3 p.m. and Wednesday June 8, 2022, at 5 p.m. Mountain Time. The BLM and Army will publish the instructions on how to access the online meetings in the Yuma Sun (Yuma), Bajo El Sol (Yuma), and Desert Messenger (Quartzsite) newspapers at a minimum of 15 days prior to the meetings and on the website: https://ypg-environmental.com/highway-95-land-withdrawal-leis/.

For a period until April 4, 2024, the lands will be segregated as specified earlier unless the application is denied or canceled. Licenses, permits, cooperative agreements, or discretionary land-use authorizations of a temporary nature that would not impact the lands may be allowed with the approval of an authorized officer of the BLM during the segregative period.

The application will be processed in accordance with the regulations at 43 CFR part 2310.3 and 43 U. S. C. 155–158.

Raymond Suazo,
Arizona State Director.
