RIN 2120–AA66

Amendment of V–6, V–10, V–30, V–100, and V–233 in the Vicinity of Litchfield, MI

AGENCY: Federal Aviation Administration (FAA) DOT.

ACTION: Final rule; withdrawal.

SUMMARY: This action withdraws the final rule published in the **Federal Register** on March 21, 2022, amending VHF Omnidirectional Range (VOR) Federal airways V–6, V–10, V–30, V–100, and V–233 in the vicinity of Litchfield, MI, due to the planned decommissioning of the VOR portion of the Litchfield, MI, VOR/Distance Measuring Equipment (VOR/DME) navigational aid. Unanticipated issues affecting the completion of related VOR Minimum Operational Network (MON) Program instrument procedure amendments and the associated flight inspection activities required to adopt those amendments have made this withdrawal action necessary.

DATES: As of April 7, 2022, the final rule published on March 21, 2022 (87 FR 15879) is withdrawn.

FOR FURTHER INFORMATION CONTACT: Colby Abbott, Rules and Regulations

Group, Office of Policy, Federal Aviation Administration, 800 Independence Avenue SW, Washington, DC 20591; telephone: (202) 267–8783.

SUPPLEMENTARY INFORMATION:

History

The FAA published a final rule in the **Federal Register** for Docket No. FAA–2021–0596 (87 FR 15879; March 21, 2022) amending VOR Federal airways V–6, V–10, V–30, V–100, and V–233 due to the planned decommissioning of the VOR portion of the Litchfield, MI, VOR/DME. The effective date of that rule is May 19, 2022. Subsequent to the final rule, unanticipated requirements and issues affecting the completion of related instrument procedure amendments and the associated flight inspection activities required to adopt those amendments by the published effective date have been identified. As a result, the planned Litchfield, MI, VOR decommissioning has been slipped to April 20, 2023.

FAA’s Conclusions

The FAA has reviewed the Litchfield, MI, VOR decommissioning project and determined additional time is required to complete the related instrument procedure amendments and associated flight inspection activities to ensure an efficient implementation and integration with other ongoing VOR MON program actions. Therefore, the final rule is being withdrawn.

The existing VOR Federal airways (V–6, V–10, V–30, V–100, and V–233) addressed in the final rule remain unchanged.

The FAA will publish a new notice of proposed rulemaking action at a later date, using a new airspace docket number, to coincide with the slipped Litchfield, MI, VOR decommissioning now planned for April 20, 2023.

Bureau of Industry and Security

15 CFR Part 744

[Docket No. 220331–0082]

RIN 0694–AI67

Additions of Entities to the Entity List

AGENCY: Bureau of Industry and Security, Commerce.

ACTION: Final rule.

SUMMARY: In response to the Russian Federation’s (Russia’s) further invasion of Ukraine on February 24, 2022, the Department of Commerce is amending the Export Administration Regulations (EAR) by adding 120 entities under 120 entries to the Entity List. These 120 entities have been determined by the U.S. Government to be acting contrary to the national security interests or foreign policy of the United States and will be listed on the Entity List under the destinations of Belarus and Russia. **DATES:** This rule is effective April 1, 2022.

FOR FURTHER INFORMATION CONTACT:

Chair, End-User Review Committee, Office of the Assistant Secretary for Export Administration, Bureau of Industry and Security, Department of Commerce, Phone: (202) 482–5991, Email: ERC@bis.doc.gov.

SUPPLEMENTARY INFORMATION:

Background

The Entity List (supplement no. 4 to part 744 of the Export Administration Regulations (EAR)) identifies entities for which there is reasonable cause to believe, based on specific and articulable facts, that the entities have been involved, are involved, or pose a significant risk of being or becoming involved in activities contrary to the national security or foreign policy interests of the United States. The EAR (15 CFR parts 730–774) imposes additional license requirements on, and limit the availability of most license exceptions for exports, reexports, and transfers (in-country) to listed entities. The license review policy for each listed entity is identified in the “License Review Policy” column on the Entity List, and the impact on the availability of license exceptions is described in the relevant **Federal Register** document that added the entity to the Entity List. The Bureau of Industry and Security (BIS) places entities on the Entity List pursuant to part 744 (Control Policy: End-User and End-Use Based) and part 746 (Embargoes and Other Special Controls) of the EAR. Paragraphs (b)(1)

through (5) of § 744.11 include an illustrative list of activities that could be contrary to the national security or foreign policy interests of the United States. As discussed further later in this preamble, 95 entities are being added in this rule on the basis of §§ 744.11(b) and 744.21 and will receive a footnote 3 designation because the End-User Review Committee (ERC) has determined they are ‘military end users’ in accordance with § 744.21. A footnote 3 designation subjects these entities to the Russia/Belarus foreign “direct product” (FDP) rule, detailed in § 734.9(g). The other 25 entities are being added solely on the basis of § 744.11(b).

The ERC, composed of representatives of the Departments of Commerce (Chair), State, Defense, Energy and, where appropriate, the Treasury, makes all decisions regarding additions to, removals from, or other modifications to the Entity List. The ERC makes all decisions to add an entry to the Entity List by majority vote and makes all decisions to remove or modify an entry by unanimous vote.

The ERC determined to add the following entities to the Entity List on the basis of §§ 744.11(b) and 744.21 under the destination of Belarus: 140 Repair Plant JSC; 558 Aircraft Repair Plant JSC; 2566 Radioelectronic Armament Repair Plant JSC; AGAT—Control Systems—Managing Company of Geoinformation Control Systems Holding JSC; Agat-Electromechanical Plant OJSC; AGAT—SYSTEM; ATE-Engineering LLC; BelOMO Holding; Belspetsvneshtekhnika SFTUE; BSVT-New Technologies; CJSC Beltechexport; Department of Internal Affairs of the Gomel Region Executive Committee; Internal Troops of The Ministry of Internal Affairs of the Republic of Belarus; JSC Transaviaexport Airlines; KGB Alpha; Kidma Tech OJSC; Minotor-Service; Minsk Wheeled Tractor Plant; Oboronnye Initsiativy LLC; OJS KB Radar Managing Company; Peleng JSC; State Authority for Military Industry of the Republic of Belarus; State Security Committee of the Republic of Belarus; and Volatavto OJSC to the Entity List. All of these entities will be designated with a footnote 3. These entities are being added to the Entity List consistent with BIS’s response to Belarus’s substantial enabling and support of Russia’s invasion of Ukraine and of Russia’s military forces. Specifically, these entities are being added to the Entity List for acquiring and attempting to acquire items subject to the EAR in support of Belarus’ military. Their addition to the Entity List and a footnote 3 designation means these entities are

subject to a license requirement for the export, reexport, export from abroad (as described under Russia/Belarus foreign “direct product” (FDP) rule, § 746.8(a)(3)), or transfers (in-country) of all items subject to the EAR that are destined to these entities. BIS will review license applications under a policy of denial. No license exceptions are available for exports, reexports, exports from abroad (as described under Russia/Belarus foreign “direct product” (FDP) rule, § 746.8(a)(3)), or transfers (in-country) to the entities being added.

In addition, the ERC determined to add the following entities to the Entity List on the basis of §§ 744.11(b) and 744.21 under the destination of Russia: 5th Shipyard; Alagir Resistor Factory; All-Russian Scientific-Research Institute Etalon JSC; Almaz JSC; Dolgoprudniy Design Bureau of Automatics; Electronic Computing Technology Scientific-Research Center; Electrosignal JSC; Inteltech PJSC; Joint Stock Company NPO Elektromekhaniki; Kulon Scientific-Research Institute JSC; Lutch Design Office JSC; Meteor Plant JSC; Moscow Communications Research Institute JSC; Moscow Order of the Red Banner of Labor Research Radio Engineering Institute JSC; Omsk Production Union Irtysk JSC; Omsk Scientific-Research Institute of Instrument Engineering JSC; Optron JSC; Polyot Chelyabinsk Radio Plant JSC; Pskov Distance Communications Equipment Plant; Radiozavod JSC; Razryad JSC; Research Production Association Mars; Ryazan Radio-Plant; Scientific-Production Association and Scientific-Research Institute of Radio-Components; Scientific-Production Enterprise Almaz JSC; Scientific-Production Enterprise “Kant”; Scientific Production Enterprise “Radiosvaz”; Scientific-Production Enterprise “Svyaz”; Scientific-Production Enterprise Volna; Scientific-Production Enterprise Vostok JSC; Scientific-Research Institute “Argon”; Scientific-Research Institute of Automated Systems and Communications Complexes Neptune JSC; Scientific Research Institute of Communication Management Systems; Scientific Research Institute Ferrite-Domen; Special Design and Technical Bureau for Relay Technology; Tactical Missile Corporation, 711 Aircraft Repair Plant (711 ARZ); Tactical Missile Corporation, AO GNPP “Region”; Tactical Missile Corporation, AO TMKB “Soyuz”; Tactical Missile Corporation, Azov Optical and Mechanical Plant; Tactical Missile Corporation, “Central Design Bureau of Automation”; Tactical Missile Corporation, Concern “MPO—

Gidropribor”; Tactical Missile Corporation, Joint Stock Company Avangard; Tactical Missile Corporation, Joint Stock Company Concern Granit-Electron; Tactical Missile Corporation, Joint Stock Company Elektrotiyaga; Tactical Missile Corporation, Joint Stock Company GosNIIMash; Tactical Missile Corporation JSC “KRASNY GIDROPRESS”; Tactical Missile Corporation, Joint Stock Company PA Strela; Tactical Missile Corporation, Joint Stock Company “Plant Dagdiesel”; Tactical Missile Corporation, Joint Stock Company Plant Kulakov; Tactical Missile Corporation, Joint Stock Company Ravenstvo; Tactical Missile Corporation, Joint Stock Company Ravenstvo-service; Tactical Missile Corporation, Joint-Stock Company “Research Center for Automated Design”; Tactical Missile Corporation, Joint Stock Company “Salute”; Tactical Missile Corporation, Joint Stock Company Saratov Radio Instrument Plant; Tactical Missile Corporation Joint Stock Company “Scientific Research Institute of Marine Heat Engineering”; Tactical Missile Corporation, Joint Stock Company Severny Press; Tactical Missile Corporation, Joint Stock Company “State Machine Building Design Bureau “Vypel” By Name I.I. Toropov”; Tactical Missile Corporation, Joint Stock Company “URALELEMENT”; Tactical Missile Corporation, KB Mashinostroeniya; Tactical Missile Corporation, NPO Electromechanics; Tactical Missile Corporation, NPO Lightning; Tactical Missile Corporation, Petrovsky Electromechanical Plant “Molot”; Tactical Missile Corporation, PJSC ANPP Temp Avia; Tactical Missile Corporation, PJSC “MBDB ISKRA”; Tactical Missile Corporation, Raduga Design Bureau; Tactical Missile Corporation, RKB Globus; Tactical Missile Corporation, Smolensk Aviation Plant; Tactical Missile Corporation, TRV Engineering; Tactical Missile Corporation, Ural Design Bureau “Detal”; Tactical Missile Corporation, Zvezda-Strela Limited Liability Company; and United Shipbuilding Corporation “Production Association Northern Machine Building Enterprise”. All the entities will be designated with footnote 3. These entities are being added to the Entity List consistent with BIS’s response to Russia’s invasion of Ukraine, which include restricting Russia’s access to items subject to the EAR that allow it to project power and fulfill its strategic ambitions. Specifically, these entities are being added to the Entity List for acquiring and attempting to acquire items subject

to the EAR in support of Russia's military. Their addition to the Entity List and footnote 3 designation means these entities are subject to a license requirement for exports, reexports, exports from abroad (as described under Russia/Belarus foreign "direct product" (FDP) rule, § 746.8(a)(3)), or transfers (in-country) of all items subject to the EAR that are destined to these entities. BIS will review license applications under a policy of denial. No license exceptions are available for exports, reexports, exports from abroad (as described under Russia/Belarus foreign "direct product" (FDP) rule § 746.8(a)(3)), or transfers (in-country) to the entities being added.

Moreover, the ERC determined to add the following entities to the Entity List on the basis of § 744.11(b) under the destination of Russia: 46th TSNII Central Scientific Research Institute; All Russia Scientific Research Institute of Optical Physical Measurements; Arzam Scientific Production Enterprise Temp Avia; Automated Procurement System for State Defense Orders, LLC; Engineering Center Moselectronproekt; Etalon Scientific and Production Association; Evgeny Krayushin; Far-East Factory Zvezda; Federal Center for Dual-Use Technology (FTsDT) Soyuz; Foreign Trade Association Mashpriborintorg; Ineko LLC; Informakustika JSC; Institute of High Energy Physics; Institute of Theoretical and Experimental Physics; ISE SO RAN Institute of High-Current Electronics; JSC Energiya, Kaluga Scientific-Research Institute of Telemechanical Devices JSC; OJSC Pella Shipyard; Scientific Production Center Vigstar JSC; Scientific-Production Enterprise Salyut JSC; Scientific-Research Institute and Factory Platan; Special Design Bureau Salute JSC; Tambov Plant (TZ) "October"; Turayev Machine Building Design Bureau Soyuz; and Zhukovskiy Central Aerohydrodynamics Institute (TsAGI). These entities are being added to the Entity List consistent with BIS's response to Russia's invasion of Ukraine, which include restricting Russia's access to items subject to the EAR that allow it to project power and fulfill its strategic ambitions. Specifically, BIS is adding these entities to the Entity List for acquiring and attempting to acquire items subject to the EAR in support of Russia's military modernization efforts. These entities will be added to the Entity List with a license requirement for all items subject to the EAR. BIS will review license applications under a policy of denial. No license exceptions are available for

exports, reexports, or transfers (in-country) to the entities being added.

For the reasons described above, this final rule adds the following 120 entities under 120 entries to the Entity List and includes, where appropriate, aliases:

Belarus

- 140 Repair Plant JSC,
- 558 Aircraft Repair Plant JSC,
- 2566 Radioelectronic Armament Repair Plant JSC,
- AGAT—Control Systems—Managing Company of Geoinformation Control Systems Holding JSC,
- Agat-Electromechanical Plant OJSC,
- AGAT—SYSTEM,
- ATE-Engineering LLC,
- BelOMO Holding,

- Turayev Machine Building Design Bureau Soyuz,
- United Shipbuilding Corporation “Production Association Northern Machine Building Enterprise”, and
- Zhukovskiy Central Aerohydrodynamics Institute (TsAGI).

In summary, for the 120 entities added to the Entity List by this final rule, BIS imposes a license requirement that applies to all items subject to the EAR. For the 95 entities added under both §§ 744.11 and 744.21, BIS is also listing those entities with a footnote 3 designation. No license exceptions are available for exports, reexports, exports from abroad (as described under Russia/Belarus foreign “direct product” (FDP) rule, § 746.8(a)(3)), or transfers (in-country) to these entities; BIS will review all license applications for these entities under a policy of denial.

For the 25 entities added solely on the basis of § 744.11, BIS is not listing those entities with a footnote 3 designation. No license exceptions are available for exports, reexports, or transfers (in-country) to these entities. BIS will review all license applications for these entities under a policy of denial.

Savings Clause

For the changes being made in this final rule, shipments of items removed from eligibility for a License Exception or export, reexport, or transfer (in-country) without a license (NLR) as a result of this regulatory action that were en route aboard a carrier to a port of export, reexport, or transfer (in-country), on April 1, 2022, pursuant to actual orders for export, reexport, or transfer (in-country) to or within a foreign destination, may proceed to that destination under the previous eligibility for a License Exception or export, reexport, or transfer (in-country) without a license (NLR).

Export Control Reform Act of 2018

On August 13, 2018, the President signed into law the John S. McCain National Defense Authorization Act for Fiscal Year 2019, which included the Export Control Reform Act of 2018 (ECRA) (50 U.S.C. 4801–4852). ECRA provides the legal basis for BIS’s principal authorities and serves as the authority under which BIS issues this rule.

Rulemaking Requirements

1. This rule has been determined to be not significant for purposes of Executive Order 12866.

2. Notwithstanding any other provision of law, no person is required to respond to or be subject to a penalty for failure to comply with a collection of information, subject to the requirements of the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*) (PRA), unless that collection of information displays a currently valid Office of Management and Budget (OMB) Control Number. This regulation involves collections previously approved by OMB under control number 0694–0088, Simplified Network Application Processing System, which includes, among other things, license applications and commodity classifications, and carries a burden estimate of 29.6 minutes for a manual or electronic submission for a total burden estimate of 33,133 hours. Total burden hours associated with the PRA and OMB control number 0694–0088 are not expected to increase as a result of this rule.

3. This rule does not contain policies with federalism implications as that term is defined in Executive Order 13132.

4. Pursuant to section 1762 of the Export Control Reform Act of 2018, this action is exempt from the Administrative Procedure Act (5 U.S.C. 553) requirements for notice of proposed rulemaking, opportunity for public participation, and delay in effective date.

5. Because a notice of proposed rulemaking and an opportunity for public comment are not required to be given for this rule by 5 U.S.C. 553, or by any other law, the analytical requirements of the Regulatory Flexibility Act, 5 U.S.C. 601, *et seq.*, are not applicable. Accordingly, no regulatory flexibility analysis is required and none has been prepared.

List of Subjects in 15 CFR Part 744

Exports, Reporting and recordkeeping requirements, Terrorism.

Accordingly, part 744 of the Export Administration Regulations (15 CFR parts 730–774) is amended as follows:

PART 744—[AMENDED]

■ 1. The authority citation for 15 CFR part 744 continues to read as follows:

Authority: 50 U.S.C. 4801–4852; 50 U.S.C. 4601 *et seq.*; 50 U.S.C. 1701 *et seq.*; 22 U.S.C. 3201 *et seq.*; 42 U.S.C. 2139a; 22 U.S.C. 7201 *et seq.*; 22 U.S.C. 7210; E.O. 12058, 43 FR 20947, 3 CFR, 1978 Comp., p. 179; E.O. 12851, 58 FR 33181, 3 CFR, 1993 Comp., p.
