SUPPLEMENTARY INFORMATION:

On February 16, 2022, we published the NIA in the **Federal Register** (87 FR 8821). The NIA established a deadline date of April 18, 2022, for the transmittal of applications. This notice extends the deadline date for transmittal of applications until May 3, 2022, as well as the deadline for intergovernmental review.

In March 2022, Congress passed, and the President signed, the Consolidated Appropriations Act, 2022, which provides a total of up to \$20.9 million for competitive grants for State assessments for FY 2022, an amount significantly larger than what was estimated in the NIA. These FY 2022 funds are in addition to the \$8,900,000 available from the FY 2021 appropriation. To give applicants more time to prepare and submit applications in light of the increased appropriation, we are extending the deadline data for transmittal of applications.

Applicants that have submitted applications on or before the original deadline date of April 18, 2022, may resubmit their applications on or before the new application deadline date of May 3, 2022, but are not required to do so. If a new application is not submitted, the Department will use the application that was submitted by the original deadline. If a new application is submitted, the Department will consider the application that was last

successfully submitted and received by 11:59:59 p.m., Eastern Time, on May 3, 2022.

Note: All information in the NIA for this competition remains the same, except for the deadline for the transmittal of applications and the deadline for intergovernmental review.
