day comment period. This notice allows for an additional 30 days for public comments. This process is conducted in accordance with 5 CFR 1320.8. Written comments and suggestions from the public and affected agencies should address one or more of the following four points: (1) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (2) the accuracy of the agency’s estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used; (3) suggestions to enhance the quality, utility, and clarity of the information to be collected; and (4) suggestions to minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses. The comments that are submitted will be summarized and included in the request for approval. All comments will become a matter of public record.

Overview of This Information Collection

Title: Visa Waiver Program Carrier Agreement.
OMB Number: 1651–0110.
Form Number: Form I–775.
Current Actions: Extension with change of an existing collection of information.
Type of Review: Extension (with change).
Affected Public: Businesses.
Abstract: Section 233(a) of the Immigration and Nationality Act (INA) (8 U.S.C. 1223(a)) provides for the necessity of a transportation contract. The statute provides that the Attorney General may enter into contracts with transportation lines for the inspection and admission of noncitizens coming into the United States from a foreign territory or from adjacent islands. No such transportation line shall be allowed to land any such noncitizen in the United States until and unless it has entered into any such contracts which may be required by the Attorney General. Pursuant to the Homeland Security Act of 2002, this authority was transferred to the Secretary of Homeland Security.

The Visa Waiver Program Carrier Agreement (CBP Form I–775) is used by carriers to request acceptance by CBP into the Visa Waiver Program (VWP). This form is an agreement whereby carriers agree to the terms of the VWP as delineated in Section 217(e) of the INA (8 U.S.C. 1187(e)). Once participation is granted, CBP Form I–775 serves to hold carriers liable for certain transportation costs, to ensure the completion of required forms, and to require sharing passenger data, among other requirements. Regulations are promulgated at 8 CFR 217.6, Carrier Agreements. A fillable copy of CBP Form I–775 is accessible at: https://www.cbp.gov/sites/default/files/assets/documents/2019-Aug/CBP%20Form%20I-775.pdf.

Proposed Change: The requirement of submitting original documents bearing original signatures of company representatives, has been modified to include electronic wire transfer of CBP Form I–775. This temporary transfer of information will be lifted upon notification from the CDC that COVID–19 restrictions have changed.

Type of Information Collection: Form I–775.
