

NOAA Corps officers operate vessels and aircraft engaged in scientific missions and serve in leadership positions throughout NOAA. Persons wishing to apply for an appointment in the NOAA Commissioned Officer Corps must complete an application package, including NOAA Form 56-42, at least three letters of recommendation, and official transcripts. A personal interview must also be conducted. Eligibility requirements include a bachelor's degree with at least 48 credit hours of science, engineering, or other disciplines related to NOAA's mission, excellent health, and normal color vision with uncorrected visual acuity no worse than 20/400 in each eye (correctable to 20/20).

Affected Public: Individuals or households.

Frequency: Once.

Respondent's Obligation: Required to Obtain or Retain Benefits.

Legal Authority: 33 U.S.C. chapter 17, subchapter 1, sections 853 and 854.

This information collection request may be viewed at www.reginfo.gov. Follow the instructions to view the Department of Commerce collections currently under review by OMB.

Written comments and recommendations for the proposed information collection should be submitted within 30 days of the publication of this notice on the following website www.reginfo.gov/public/do/PRAMain. Find this particular information collection by selecting "Currently under 30-day Review—Open for Public Comments" or by using the search function and entering either the title of the collection or the OMB Control Number 0648-0047.

Sheleen Dumas,

Department PRA Clearance Officer, Office of the Chief Information Officer, Commerce Department.

BILLING CODE 3510-22-P

BUREAU OF CONSUMER FINANCIAL PROTECTION

[Docket No. CFPB-2022-0023]

Agency Information Collection Activities: Comment Request

AGENCY: Bureau of Consumer Financial Protection.

ACTION: Notice and request for comment.

SUMMARY: In accordance with the Paperwork Reduction Act of 1995 (PRA), the Consumer Financial Protection Bureau (Bureau or CFPB) is requesting to revise the Office of

Management and Budget's (OMB's) approval for an existing information collection, titled "Prohibition on Inclusion of Adverse Information in Consumer Reporting in Cases of Human Trafficking (Regulation V)."

DATES: Written comments are encouraged and must be received on or before June 17, 2022 to be assured of consideration.

ADDRESSES: You may submit comments, identified by the title of the information collection, OMB Control Number (see below), and docket number (see above), by any of the following methods:

- *Federal eRulemaking Portal:* <http://www.regulations.gov>. Follow the instructions for submitting comments.

- *Email:* PRA_Comments@cfpb.gov. Include Docket No. CFPB-2022-0023 in the subject line of the email.

- *Mail/Hand Delivery/Courier:* Comment Intake, Consumer Financial Protection Bureau (Attention: PRA Office), 1700 G Street NW, Washington, DC 20552.

Please note that due to circumstances associated with the COVID-19 pandemic, the Bureau discourages the submission of comments by mail, hand delivery, or courier. Please note that comments submitted after the comment period will not be accepted. In general, all comments received will become public records, including any personal information provided. Sensitive personal information, such as account numbers or Social Security numbers, should not be included.

FOR FURTHER INFORMATION CONTACT: Documentation prepared in support of this information collection request is available at www.regulations.gov. Requests for additional information should be directed to Anthony May, PRA Officer, at (202) 435-7278, or email: CFPB_PRA@cfpb.gov. If you require this document in an alternative electronic format, please contact CFPB_Accessibility@cfpb.gov. Please do not submit comments to these email boxes.

SUPPLEMENTARY INFORMATION:

Title of Collection: Prohibition on Inclusion of Adverse Information in Consumer Reporting in Cases of Human Trafficking (Regulation V).

OMB Control Number: 3170-0002.

Type of Review: Revision of a currently approved information collection.

Affected Public: Private sector: businesses and other for-profit entities.

Estimated Number of Respondents:

779,073.

Estimated Total Annual Burden Hours: 6,246,866.

Abstract: The Bureau seeks comment on regulations implementing

amendments to the Fair Credit Reporting Act (FCRA) that assist consumers who are victims of trafficking. The information collection would include a recent amendment to the FCRA, would establish a method for a victim of trafficking to submit documentation to consumer reporting agencies, including information identifying any adverse item of information about the consumer that resulted from certain types of human trafficking, and prohibit the consumer reporting agencies from furnishing a consumer report containing the adverse item(s) of information. The Bureau is taking this action as mandated by the National Defense Authorization Act for Fiscal Year 2022 and to assist consumers who are victims of trafficking in building or rebuilding financial stability and personal independence.

Request for Comments: Comments are invited on: (a) Whether the collection of information is necessary for the proper performance of the functions of the Bureau, including whether the information will have practical utility; (b) The accuracy of the Bureau's estimate of the burden of the collection of information, including the validity of the methods and the assumptions used; (c) Ways to enhance the quality, utility, and clarity of the information to be collected; and (d) Ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Comments submitted in response to this notice will be summarized and/or included in the request for OMB approval. All comments will become a matter of public record.

Anthony May,

Paperwork Reduction Act Officer, Consumer Financial Protection Bureau.

BILLING CODE 4810-AM-P

DEPARTMENT OF ENERGY

Appliance Standards and Rulemaking Federal Advisory Committee

AGENCY: Office of Energy Efficiency and Renewable Energy, Department of Energy.

ACTION: Notice of charter renewal.

SUMMARY: Pursuant to the Federal Advisory Committee Act, and in accordance with Title 41 of the Code of Federal Regulations, and following consultation with the Committee

Management Secretariat, General Services Administration, notice is hereby given that the Appliance Standards and Rulemaking Federal Advisory Committee's (ASRAC) charter is being renewed. The Committee will provide advice and recommendations to the Secretary of Energy on matters concerning the DOE's Appliances and Commercial Equipment Standards Program's (Program) test procedures and rulemaking process. Additionally, the renewal of the ASRAC has been determined to be essential to conduct business of the Department of Energy's and to be in the public interest in connection with the performance of duties imposed upon the Department of Energy, by law and agreement. The Committee will continue to operate in accordance with the provisions of the Federal Advisory Committee Act, the rules and regulations in implementation of that Act.

FOR FURTHER INFORMATION CONTACT: John Cymbalsky, ASRAC Designated Federal Officer at (202) 287-1692, or by email at asrac@ee.doe.gov.

Signing Authority: This document of the Department of Energy was signed on April 13, 2022, by Miles Fernandez, Acting Committee Management Officer, pursuant to delegated authority from the Secretary of Energy. That document with the original signature and date is maintained by DOE. For administrative purposes only, and in compliance with requirements of the Office of the Federal Register, the undersigned DOE Federal Register Liaison Officer has been authorized to sign and submit the document in electronic format for publication, as an official document of the Department of Energy. This administrative process in no way alters the legal effect of this document upon publication in the **Federal Register**.

Signed in Washington, DC, on April 13, 2022.

Treena V. Garrett,

Federal Register Liaison Officer, U.S. Department of Energy.

BILLING CODE 6450-01-P

DEPARTMENT OF ENERGY

Notice of Request for Information (RFI) on Resilient and Efficient Codes Implementation

AGENCY: Office Energy Efficiency and Renewable Energy, Building Technologies Office, Department of Energy (DOE).

ACTION: Request for information (RFI).

SUMMARY: The U.S. Department of Energy (DOE) invites public comment on its request for information (RFI) number DE-FOA-0002755 regarding the Building Technologies Office's Draft Resilient and Efficient Codes Implementation (RECI) Funding Opportunity Announcement (FOA), as required by the Infrastructure Investment and Jobs Act also known as the Bipartisan Infrastructure Law (BIL). Information collected from this RFI will be used by DOE for planning purposes when developing a potential FOA and will not be published.

DATES: A public workshop to gather additional input on a potential FOA will be held on April 27, 2022. Responses to the RFI must be received by 5:00 p.m. (ET) on May 20, 2022.

ADDRESSES: Additional information on the public workshop is available at: <https://www.energycodes.gov/RECI-codes-workshop>.

Comments to the RFI must be provided in writing. Interested parties are to submit their written comments electronically to RECI_RFI@hq.doe.gov and include "RECI FOA" in the subject line of the email. Email attachments can be provided as a Microsoft Word (.docx) file or an Adobe PDF (.pdf) file, prepared in accordance with the detailed instructions in the RFI. Documents submitted electronically should clearly indicate which topic areas and specific questions are being addressed and should be limited to no more than 25 MB in size. Further instructions can be found in the complete RFI DE-FOA-0002755 document located at <https://eere-exchange.energy.gov/>.

FOR FURTHER INFORMATION CONTACT: Mr. Christopher Perry, (240) 780-6149, Christopher.perry@ee.doe.gov.

SUPPLEMENTARY INFORMATION: This RFI pertains to a draft FOA to be issued by the Office of Energy Efficiency and Renewable Energy, Building Technologies Office (BTO) on the effective implementation of resilient and efficient building energy codes. The intent of this RFI is to obtain public input from state and local government agencies, building officials, contractors, designers, builders, other industry representatives, community organizations, academia, research laboratories, and other stakeholders regarding the solicitation process and structure of a potential FOA to fund sustained cost-effective implementation of building energy codes, in accordance with the BIL.

The goal of this potential FOA is to effectively address building energy code implementation priorities as outlined in

Section 40511. Cost-Effective Codes Implementation for Efficiency and Resilience of the BIL. DOE anticipates the possible resulting outcomes of a potential FOA will increase the successful implementation of updated energy codes in states and territories throughout the United States. In addition to this foundational goal, DOE anticipates that this funding will make significant progress in developing a next generation workforce, facilitating updates, advancing new policies and tools, increasing equity, and improving overall compliance necessary to advance energy codes across the U.S.

DOE is seeking input from the public regarding the designs and goals of the potential FOA, with specific input requested on:

- Energy Code Implementation Criteria and Requirements for Key Topic Areas
- Advanced Energy Codes and Building Resilience
- Methods to Support Sustained State Energy Code Implementation
- Funding, Partnerships, Eligible Entities, and Evaluation Criteria
- Equity, Environmental and Energy Justice (EEEJ) Priorities

In addition to these specific items, DOE is requesting input on other aspects, such as: Technical requirements; funding and cost share requirements; period of performance requirements; data sharing, measurement and validation requirements; and other relevant issues.

Specific questions can be found in the RFI. The RFI DE-FOA-0002755 is available at: <https://eere-exchange.energy.gov/>.

Confidential Business Information: Pursuant to 10 CFR 1004.11, any person submitting information that he or she believes to be confidential and exempt by law from public disclosure should submit via email two well-marked copies: One copy of the document marked "confidential" including all the information believed to be confidential, and one copy of the document marked "non-confidential" with the information believed to be confidential deleted. Submit these documents via email. DOE will make its own determination about the confidential status of the information and treat it according to its determination.

Signing Authority: This document of the Department of Energy was signed on April 12, 2022, by Kelly J. Speakes-Backman, Principal Deputy Assistant Secretary for Energy Efficiency and Renewable Energy, pursuant to delegated authority from the Secretary of Energy. That document with the
