Verification and Credentialing (available at http://www.gsa.gov/hspd12), states that GSA contractors must undergo a minimum of an FBI National Criminal Information Check (NCIC) to receive unescorted physical access to GSA-controlled facilities and/or logical access to GSA-controlled information systems.

Contractors’ Social Security Number is needed to keep records accurate, because other people may have the same name and birth date. Executive Order 9397; Numbering System for Federal Accounts Relating to Individual Persons, also allows Federal agencies to use this number to help identify individuals in agency records.
