All of the 12 qualified allottees reside beyond the boundary of WAPA’s LAP transmission system. As a result, delivery of the allocation will require each allottee to obtain additional transmission arrangements, acceptable to WAPA, for delivery of the proposed power allocation to the allottee’s point of delivery.

By June 1, 2024, each allottee must have firm delivery arrangements in place to be effective October 1, 2024, unless otherwise agreed to in writing by WAPA. WAPA must receive a letter of commitment from each allottee’s serving utility or transmission provider by June 1, 2024, confirming the allottee will be able to receive the benefit of WAPA’s 2025 Resource Pool. If WAPA does not receive a commitment letter by June 1, 2024, unless otherwise agreed in writing by WAPA, WAPA will withdraw its offer of an allocation.
