Implementation of the Uniting for Ukraine Parole Process

AGENCY: Department of Homeland Security.

ACTION: Notice.

SUMMARY: This notice announces the implementation of a U.S. parole process called Uniting for Ukraine. Pursuant to this process, DHS will offer certain Ukrainian citizens and their immediate family members who were recently displaced by Russia’s war of aggression in Ukraine, pass biometric and biographic vetting, have sufficient financial support in the United States, and meet other eligibility requirements, an opportunity to apply for and receive advance authorization to travel to the United States for the purpose of seeking a discretionary grant of parole for urgent humanitarian reasons or significant public benefit for up to two years. The process is intended to be a safe, legal, and orderly pathway to support vulnerable Ukrainian citizens and their immediate family members in Europe who have been displaced from their country as a result of Russia’s unprovoked invasion.

DATES: DHS will make the Uniting for Ukraine parole process available on April 25, 2022.

FOR FURTHER INFORMATION CONTACT: Daniel Delgado, Office of Strategy, Policy, and Plans, Department of Homeland Security, 2707 Martin Luther King, Jr. Avenue SE, Washington, DC 20528-0445

SUPPLEMENTARY INFORMATION: I. Background

On February 24, 2022, Russia’s military launched an unprovoked full-scale invasion of the sovereign nation of Ukraine, marking the largest conventional military action in Europe since World War II and causing the fastest growing refugee crisis in modern history. As of April 10, 2022, nearly 12 million people have fled Russia’s invasion, including seven million displaced inside Ukraine.2 Russia’s forces have continued to engage in significant, sustained bombardment of major cities, indiscriminately targeting civilian populations and causing widespread terror.3 While most of those fleeing the violence remain in Europe, the United States has committed to welcoming up to 100,000 displaced Ukrainians and others fleeing Russian aggression.5 Among other legal pathways, the United States will consider, on a case-by-case basis, granting Ukrainians advance authorization to travel to the United States for the purpose of seeking a discretionary grant of parole for urgent humanitarian reasons or significant public benefit.6

The Immigration and Nationality Act (INA) provides the Secretary of Homeland Security with discretionary authority to parole noncitizens into the United States temporarily, under such reasonable conditions that the Secretary may prescribe, on a case-by-case basis, for “urgent humanitarian reasons or significant public benefit.” INA sec. 212(d)(5)(A), 8 U.S.C. 1182(d)(5)(A); see also 6 U.S.C. 202(4) (charging the Secretary with the responsibility for “[e]stablishing and administering rules . . . governing . . . parole”). Parole is not an admission of the individual to the United States, and a parolee remains an “applicant for admission” during the period of parole in the United States. INA sec. 212(d)(5)(A), 8 U.S.C. 1182(d)(5)(A). DHS may set the duration of the parole based on the purpose for granting the parole request, and may impose reasonable conditions on parole. INA sec. 212(d)(5)(A), 8 U.S.C. 1182(d)(5)(A). DHS may terminate parole in its discretion at any time. See 8 CFR 212.5(e). Individuals who are paroled into the United States generally may apply for employment authorization. See 8 CFR 274a.12(c)(11).

II. Details of the Process

The U.S. government has implemented a discretionary parole program to uphold our nation’s humanitarian values and assist Ukrainians fleeing Russia’s invasion. The Uniting for Ukraine parole process will begin on Monday, April 25, 2022. In order to apply for parole, Ukrainians, or their immediate family members, must: 1) be displaced by the conflict, 2) have no criminal history in the United States, and 3) provide proof of financial support from family members or sponsors in the United States. Additional information and instructions for applying for parole will be made available on April 25, 2022, at: https://www.cbp.gov/document/forms/form-226-record-vessel-foreign-repair-or-equipment-purchase.
