

who have a need for the information when performing their official duties. Security measures include, but are not limited to, the use of codes and profiles, PIN and password, and personal identification verification cards. We restrict access to specific correspondence within the system based on assigned roles and authorized users. We maintain electronic files with personal identifiers in secure storage areas. We use audit mechanisms to record sensitive transactions as an additional measure to protect information from unauthorized disclosure or modification. We keep paper records in cabinets within secure areas, with access limited to only those employees who have an official need for access in order to perform their duties.

We annually provide our employees and contractors with appropriate security awareness training that includes reminders about the need to protect PII and the criminal penalties that apply to unauthorized access to, or disclosure of PII (5 U.S.C. 552a(i)(1)). Furthermore, employees and contractors with access to databases maintaining PII must annually sign a sanction document that acknowledges their accountability for inappropriately accessing or disclosing such information.

RECORD ACCESS PROCEDURES:

This system of records is exempt from the Privacy Act's access, contesting, and notification provisions stated below. However, individuals may submit requests for information about whether this system contains a record about them by submitting a written request to the system manager at the above address, which includes their name, SSN, or other information that may be in this system of records that will identify them. Individuals requesting notification of, or access to, a record by mail must include (1) a notarized statement to us to verify their identity, or (2) must certify in the request that they are the individual they claim to be and that they understand that the knowing and willful request for, or acquisition of, a record pertaining to another individual under false pretenses is a criminal offense.

Individuals requesting notification of, or access to, records in person must provide their name, SSN, or other information that may be in this system of records that will identify them, as well as provide an identity document, preferably with a photograph, such as a driver's license. Individuals lacking identification documents sufficient to establish their identity must certify in writing that they are the individual they claim to be and that they understand

that the knowing and willful request for, or acquisition of, a record pertaining to another individual under false pretenses is a criminal offense.

These procedures are in accordance with our regulations at 20 CFR 401.40, 401.45, and 401.55.

CONTESTING RECORD PROCEDURES:

Same as record access procedures. Individuals should also reasonably identify the record, specify the information they are contesting, and state the corrective action sought and the reasons for the correction with supporting justification showing how the record is incomplete, untimely, inaccurate, or irrelevant. These procedures are in accordance with our regulations at 20 CFR 401.65(a).

NOTIFICATION PROCEDURES:

Same as record access procedures. These procedures are in accordance with our regulations at 20 CFR 401.40, 401.45, and 401.55.

EXEMPTIONS PROMULGATED FOR THE SYSTEM:

This system of records is exempt from certain provisions of the Privacy Act pursuant to 5 U.S.C. 552a(k)(2). Rules have been promulgated in accordance with the requirements of 5 U.S.C. 553(b), (c), and (e) and were published on December 11, 2020, at 85 FR 79963.

BILLING CODE 4710-05-P

DEPARTMENT OF TRANSPORTATION

Federal Aviation Administration

Public Notice for Waiver of Aeronautical Land Use Assurance; Billings Logan International Airport, Billings, MT

AGENCY: Federal Aviation Administration, (FAA), DOT.

ACTION: Notice.

SUMMARY: Notice is being given that the FAA is considering a proposal from the City of Billings (Sponsor of the Billings Logan International Airport) to release Federal obligations on portions of the Billings Logan International Airport for disposal. The proposal consists of 15.2 acres acquired with an Airport Improvement Program grant shown as the east most section of Parcel 2A on the Airport's Exhibit “A”.

DATES: Comments must be received by May 31, 2022.

ADDRESSES: Comments on this application may be mailed or delivered to the FAA at the following address:

Mr. William C. Garrison, Manager, Federal Aviation Administration, Northwest Mountain Region, Airports Division, Helena Airports District Office, 2725 Skyway Drive, Suite 2, Helena, Montana 59602.

FOR FURTHER INFORMATION CONTACT:

Mr. Joe Nye, Civil Engineer, Federal Aviation Administration, Northwest Mountain Region, Helena Airports District Office, 2725 Skyway Drive, Suite 2, Helena, MT 59602.

The request to release Federal obligations may be reviewed, by appointment, in person at the same location.

SUPPLEMENTARY INFORMATION: The FAA invites public comment on the request to release Federal obligations of 15.2 acres at the Billings Logan International Airport under the provisions of the Title 49, U.S.C. Section 47107(h).

The City of Billings, referred to herein as the Sponsor, has requested release from the Federal obligations assigned to 15.2 acres of land acquired under Airport Improvement Program Grant 3-30-0008-004-1986. The 15.2 acres is shown on the Airport's Exhibit "A" as the east most section of Parcel 2A and is isolated from the airfield by Highway 318.

The Sponsor has completed an appraisal for the 15.2 acres of Parcel 2A and found that current fair market value of the property is \$223,000. The Sponsor proposes to reimburse the federal interest in the 15.2 acres of Parcel 2A by reinvesting an amount of \$200,700 (90% of the current fair market value) towards the AIP eligible portion of the terminal expansion currently underway.

The Sponsor proposes to sell the property to Northwestern Energy for expansion of the Northwestern Energy Rimrock Substation. The proposed use of this property is compatible with other airport operations and the Sponsor will retain necessary easements to ensure the property continues to serve its intended purpose of approach protection and compatible land use.

Any person may inspect the request in person at the FAA office listed above under **FOR FURTHER INFORMATION CONTACT**.

Issued in Helena, Montana on April 25, 2022.

William C. Garrison,
Manager, Helena Airports District Office.

B. Privacy Act

In accordance with 49 U.S.C. 31315(b)(6), DOT solicits comments from the public on the exemption request. DOT posts these comments, without edit, including any personal information the commenter provides, to

www.regulations.gov, as described in the system of records notice (DOT/ALL-14 FDMS), which can be reviewed at www.dot.gov/privacy.

II. Background

On December 16, 2021, FMCSA published a **Federal Register** notice (86 FR 71537) announcing receipt of an application from one individual with a diagnosis of narcolepsy and requested comments from the public. The individual requested an exemption from 49 CFR 391.41(b)(8) which prohibits operation of a CMV in interstate commerce by persons with either a clinical diagnosis of epilepsy or any other condition that is likely to cause a loss of consciousness or any loss of ability to control a CMV. The public comment period closed on January 18, 2022, and one comment was received.

FMCSA has evaluated the eligibility of the applicant and concluded that granting an exemption would not provide a level of safety that would be equivalent to, or greater than, the level of safety that would be obtained by complying with § 391.41(b)(8). A summary of the applicant's medical history related to the narcolepsy exemption request was discussed in the December 16, 2021, **Federal Register** notice and will not be repeated here.

The Agency considered information from the 2009 Evidence Report, "Narcolepsy (with and without cataplexy) and Commercial Motor Vehicle Driver Safety," and the January 2010 Medical Review Board (MRB) recommendation that individuals with narcolepsy be ineligible for a commercial driver's license, even with treatment. A copy of the Evidence Report is included in the docket.

Narcolepsy is a chronic neurological disorder caused by autoimmune destruction of hypocretin-producing neurons inhibiting the brain's ability to regulate sleep-wake cycles normally. Persons with narcolepsy experience frequent excessive daytime sleepiness, comparable to how individuals without narcolepsy feel after 24 to 48 hours of sleep deprivation, as well as disturbed nocturnal sleep, which is often confused with insomnia. See National Institutes of Health Narcolepsy Fact Sheet at <https://www.ninds.nih.gov/Disorders/Patient-Caregiver-Education/Fact-Sheets/Narcolepsy-Fact-Sheet>.

The 2009 Evidence Report, "Narcolepsy (with and without cataplexy) and Commercial Motor Vehicle Driver Safety," addressed whether or not individuals with narcolepsy are at an increased risk for motor vehicle crashes; whether or not currently recommended treatments for
