system of records must be received no
later than 30 days after date of
publication in the Federal Register. If
no public comment is received during
the period allowed for comment or
unless otherwise published in the
Federal Register by VA, the modified
system of records will become effective
a minimum of 30 days after date of
publication in the Federal Register. If
VA receives public comments, VA shall
review the comments to determine
whether any changes to the notice are
necessary.
