DEPARTMENT OF VETERANS AFFAIRS

Privacy Act of 1974; System of Records

AGENCY: Department of Veterans Affairs (VA), Veterans Benefits Administration, Education Services.

ACTION: Notice of a modified system of records.

SUMMARY: An executive order, Establishing Principles of Excellence for Educational Institutions Serving our Service Members, Veterans, Spouses, and Other Family Members, requires the establishment of a centralized complaint system for students receiving Veteran educational benefits to submit complaints against institutions they feel have acted deceptively or fraudulently. VA proposes this modified system of records (SORs), entitled “Principles of Excellence Centralized Complaint System—VA” (170VA22). This system will provide a standardized method for students and others to submit a complaint or allegation that an entity or individual has not or may not have adhered to the Principles of Excellence established in the E.O.

DATES: Comments on this modified system of records must be received no later than 30 days after date of publication in the Federal Register. If no public comment is received during the period allowed for comment or unless otherwise published in the Federal Register by VA, the modified system of records will become effective a minimum of 30 days after date of publication in the Federal Register. If VA receives public comments, VA shall review the comments to determine whether any changes to the notice are necessary.

ADDRESSES: Comments may be submitted through www.Regulations.gov or mailed to VA Privacy Service, 810 Vermont Ave. NW, (005R1A), Washington, DC 20420. Comments should indicate that they are submitted in response to “Principles of Excellence Centralized Complaint System—VA” (170VA22). Comments received will be available at regulations.gov for public viewing, inspection, or copies.

FOR FURTHER INFORMATION CONTACT: Thomas Erickson, Department of Veterans Affairs, 810 Vermont Avenue NW, Washington, DC 20420, at 202-461-9829 or Thomas.Erickson@va.gov.

SUPPLEMENTARY INFORMATION: The existing SORN 170VA22 has expired. The purpose of the modified SOR, established by Executive Order (E.O.) 13607, is to update the application in which the data is gathered and stored and bring the SOR current. Former application for the SORN has been sunset and required a new application for gathering and storing beginning February 2019. Routine uses are updated to reflect the selections from the Office of General Counsel (OGC) updated Fiscal Year 2021 Routine Uses OGC list.
