As stated above, we will accept PowerPoint presentations and relevant studies published after the date the applicant submitted its HCPCS code application if those materials are emailed to: HCPCS@cms.hhs.gov by 5:00 p.m., e.d.t., Tuesday, May 24, 2022. Due to the timeframe needed for the planning and coordination of the HCPCS virtual public meetings, materials that are not submitted in accordance with these deadlines cannot be accommodated.

All PowerPoint presentation materials must not exceed 10 pages. Relevant studies that were published after the date the applicant submitted its HCPCS code application are not subject to this page limit.

Fifteen minutes is the total time interval for each presentation. In establishing the public meeting agenda, we may group multiple, related code requests under the same agenda item.

On the day of the virtual meeting that the primary speaker attends and speaks on a HCPCS code application, before 5 p.m., e.d.t., the primary speaker must email a brief written summary (one paragraph) of their comments and conclusions to: HCPCS@cms.hhs.gov.

Every primary speaker must also declare at the beginning of their presentation at the meeting, as well as in their written summary, whether they have any financial involvement with the manufacturer of the item that is the subject of the HCPCS code application that the primary speaker presented, or any competitors of that manufacturer with respect to the item. This includes any payment, salary, remuneration, or benefit provided to that speaker by the applicant.

2. 5-Minute Speakers

As noted above, the deadline for registering to be a 5-minute speaker is 5:00 p.m., e.d.t., Tuesday, May 24, 2022.

On the day of the virtual meeting that the 5-minute speaker attends and speaks on a HCPCS code application or agenda item, before 5 p.m., e.d.t., the 5-minute speaker must email a brief written summary of their comments and conclusions to: HCPCS@cms.hhs.gov. CMS will not accept any other written materials from a 5-minute speaker.

Every 5-minute speaker must also declare at the beginning of their presentation at the meeting, as well as in their written summary, whether they have any financial involvement with the manufacturer of the item that is the subject of the HCPCS code application or agenda item that the 5-minute speaker presented, or any competitors of

that manufacturer with respect to the item. This includes any payment, salary, remuneration, or benefit provided to that speaker by the applicant.

C. Additional Virtual Meeting/Registration Information

Prior to registering to attend a virtual public meeting, all potential participants and other stakeholders are advised to review the public meeting agendas at <https://www.cms.gov/Medicare/Coding/MedHCPCSGenInfo/HCPCSPublicMeetings> which identify our preliminary coding, Medicare benefit category, and payment determinations, and the date each item will be discussed. All potential participants and other stakeholders are also encouraged to regularly check the HCPCS section of the CMS website at <https://www.cms.gov/Medicare/Coding/MedHCPCSGenInfo/HCPCSPublicMeetings> for publication of the draft agendas, including a summary of each HCPCS code application, our preliminary coding, Medicare benefit category, and payment determinations.

The HCPCS section of the CMS website also includes details regarding the public meeting process for new revisions to the HCPCS code set, including information on how to join the meeting remotely, and guidelines for an effective presentation. The HCPCS section of the CMS website also contains a document titled “Healthcare Common Procedure Coding System (HCPCS) Level II Coding Procedures,” which is a description of the HCPCS coding process, including a detailed explanation of the procedures CMS uses to make HCPCS coding determinations.

When CMS refers to HCPCS code or HCPCS coding application above, CMS may also be referring to circumstances when a HCPCS code has already been issued but a Medicare benefit category and/or payment has not been determined. At this meeting, CMS may or may not be able to provide preliminary Medicare benefit category and payment determinations for HCPCS codes that were effective April 1, 2022, or that will be considered during this public meeting for coding actions. CMS is working diligently to address Medicare benefit category and payment determinations for new items and services that may be DME, prosthetic devices, orthotics and prosthetics, therapeutic shoes and inserts, surgical dressings, or splints, casts, and other devices used for reductions of fractures and dislocations under Medicare Part B. Please check the CMS website listed above for the final agenda.

III. Written Comments From Meeting Attendees Who Are Not Speakers

Written comments from anyone who is not a primary speaker or 5-minute speaker will only be accepted when emailed to: HCPCS@cms.hhs.gov before 5 p.m., e.d.t., on the date of the virtual public meeting at which the HCPCS code application that is the subject of the comments is discussed.

SUPPLEMENTARY INFORMATION: The Administration for Community Living’s (ACL) Administration on Aging (AoA) is requesting information to gather feedback on recommended changes, additions, or deletions to regulations for programs authorized under Titles III, VI, and VII of the Older Americans Act, 42 U.S.C. 3001 *et seq.*

Current regulations for programs authorized under the Act date from 1988, and have not been substantively revised, with the exception of portions of 45 CFR part 1321—Grants to State and Community Programs on Aging, specific to State responsibilities regarding the State Long-Term Care Ombudsman Program, and 45 CFR part 1324 Allotments for Vulnerable Elder Rights Protection Activities, Subpart A—State Long-Term Care Ombudsman Program, which were published in 2015. In the absence of valid and current regulations, there is the potential for significant variation in the interpretation and implementation of these provisions among States.

Public Input

Through this Request for Information (RFI), ACL is seeking input from individuals and organizations regarding supportive, nutrition, evidence-based disease prevention and health promotion, caregiver, legal, long-term care ombudsman, and other services provided via states, tribes and tribal organizations, area agencies on aging, and local service providers under the Act.
