omnidirectional citizens band base station antennas.

**Estimated Number of Respondents:** Approximately 10 firms supply omnidirectional citizen band base station antennas.

**Estimated Time per Response:** Based on the information compiled by manufacturers, importers, and private labelers of antennas to test and maintain records for certificates of compliance, we estimate an average of 220 hours per firm for annual testing and recordkeeping.

**Total Estimated Annual Burden:** 2,200 hours (10 firms x 220 hours).

**General Description of Collection:** The Safety Standard for Omnidirectional Citizens Band Station Antennas (16 CFR part 1204) establishes performance requirements for omnidirectional citizens band base station antennas to reduce unreasonable risks of death and injury that may result if an antenna contacts overhead power lines while being erected or removed from its site. The regulations implementing the standard (16 CFR part 1204, subpart B) require manufacturers, importers, and private labelers of antennas subject to the standard to test the antennas for compliance with the standard and to maintain records of that testing. Based on an average hourly wage of $71.82, the total annual cost to the industry to perform the required testing and maintain the records is approximately $158,000 ($71.82 times 2,200 hours).

**Request for Comments**

CPSC solicits written comments from all interested persons about the proposed collection of information. The CPSC specifically solicits information relevant to the following topics:

—Whether the collection of information described above is necessary for the proper performance of CPSC’s functions, including whether the information would have practical utility;

—Whether the estimated burden of the proposed collection of information is accurate;

—Whether the quality, utility, and clarity of the information to be collected could be enhanced; and

—Whether the burden imposed by the collection of information could be minimized by use of automated, electronic or other technological collection techniques, or other forms of information technology.

[Docket No. CPSC–2012–0055]

**Agency Information Collection Activities; Proposed Collection; Comment Request; Flammability Standards for Children’s Sleepwear**

**AGENCY:** Consumer Product Safety Commission.

**ACTION:** Notice.

**SUMMARY:** Pursuant to the Paperwork Reduction Act of 1995, the Consumer Product Safety Commission (Commission or CPSC) requests comment on a proposed extension of approval for the information collection requirements associated with the Standard for the Flammability of Children’s Sleepwear: Sizes 0 Through 6X and the Standard for the Flammability of Children’s Sleepwear: Sizes 7 Through 14, approved previously under OMB Control No. 3041–0027. CPSC will consider all comments received in response to this notice before requesting an extension of this collection of information from the Office of Management and Budget (OMB).

**DATES:** Submit written or electronic comments on the collection of information by July 11, 2022.

**ADDRESSES:** You may submit comments, identified by Docket No. CPSC–2012–0055, by any of the following methods:

- Electronic Submissions: Submit electronic comments to the Federal eRulemaking Portal at: https://www.regulations.gov. Follow the instructions for submitting comments. CPSC typically does not accept comments submitted by electronic mail (email), except as described below. CPSC encourages you to submit electronic comments by using the Federal eRulemaking Portal, as described above. 
- Mail/Hand Delivery/Courier/Confidential Written Submissions: Submit comments by mail, hand delivery, or courier to: Division of the Secretariat, Consumer Product Safety Commission, 4330 East-West Highway, Bethesda, MD 20814; telephone: (301) 504–7479. If you wish to submit confidential business information, trade secret information, or other sensitive or protected information that you do not want to be available to the public, you may submit such comments by mail, hand delivery, or courier, or you may email them to: cpsc-os@cpsc.gov. Instructions: All submissions must include the agency name and docket number. CPSC may post all comments without change, including any personal identifiers, contact information, or other personal information provided, to: https://www.regulations.gov. Do not submit through this website: Confidential business information, trade secret information, or other sensitive or protected information that you do not want to be available to the public. If you wish to submit such information, please submit it according to the instructions for mail/hand delivery/courier/confidential written submissions. 

**DOCKET:** For access to the docket to read background documents or comments received, go to: https://www.regulations.gov, and insert the docket number, CPSC–2012–0055, into the “Search” box, and follow the prompts.

**FOR FURTHER INFORMATION CONTACT:** Cynthia Gillham, Consumer Product Safety Commission, 4330 East-West Highway, Bethesda, MD 20814; (301) 504–7991, or by email to: cgillham@cpsc.gov.

**SUPPLEMENTARY INFORMATION:** CPSC seeks to renew the following currently approved collection of information:

- **Title:** Standard for the Flammability of Children’s Sleepwear: Sizes 0 Through 6X; and the Standard for the Flammability of Children’s Sleepwear: Sizes 7 Through 14.
- **OMB Number:** 3041–0027.
- **Type of Review:** Renewal of collection.
- **Frequency of Response:** On occasion.
- **Affected Public:** Manufacturers and importers of children’s sleepwear.
- **Estimated Number of Respondents:** Based on a review of past inspections and published industry information, CPSC staff estimates that there could be as many as 866 domestic children’s apparel manufacturers in the United States subject to the rule. However, not all these manufacturers will produce children’s sleepwear. Therefore, this figure is likely an overestimate of the actual number of firms performing tests and creating records in any given year. Furthermore, using the Harmonized Tariff System (HTS) codes for children’s sleepwear, CPSC staff found approximately 3,641 importers that supply children’s sleepwear to the U.S. market. Many of the 866 domestic manufacturers, along with many large

---

U.S. retailers, may be among the importers. However, if all 866 U.S. producers and, in addition, all 3,641 importers did introduce new children’s sleepwear garments each year, the total number of firms subject to the CPSC recordkeeping requirements each year would be 4,507 (866 + 3,641). As noted, the actual number of firms is likely lower.

Estimated Time per Response: Testing and recordkeeping of each sleepwear item is approximately 3 hours.

Total Estimated Annual Burden: The 50 largest domestic manufacturers and the 100 largest importers may each introduce an average of 100 new children’s sleepwear items annually. The annual burden for the 50 large domestic manufacturers and the 100 largest importers is estimated at 45,000 hours for testing and recordkeeping (150 firms × 100 items × 3 hours). Without adjusting for possible double-counting, CPSC staff estimates that the remaining 816 manufacturers and 3,541 importers may each introduce an average of 10 new children’s sleepwear items, for a total testing and recordkeeping burden of 130,710 hours (4,357 × 10 items × 3 hours.) Therefore, the total estimated potential annual burden imposed by the standard and regulations on all manufacturers and importers of children’s sleepwear will be about 175,710 hours (45,000 + 130,710). The annual cost to the industry is estimated to be $12,369,984 based on an hourly wage of $70.40 × 175,710 hours.1

Description of Collection: The Standard for the Flammability of Children’s Sleepwear: Sizes 0 through 6X (16 CFR part 1615) and the Standard for the Flammability of Children’s Sleepwear: Sizes 7 through 14 (16 CFR part 1616) address the fire hazard associated with small-flame ignition sources for children’s sleepwear manufactured for sale in, or imported into, the United States. The standards also require manufacturers and importers of children’s sleepwear to collect information resulting from product testing, and maintenance of the testing record: 16 CFR part 1615, subpart B: 16 CFR part 1616; subpart B.

DEPARTMENT OF DEFENSE

Office of the Secretary

Charter Renewal of Department of Defense Federal Advisory Committees—Reserve Forces Policy Board

AGENCY: Department of Defense (DoD).

ACTION: Charter renewal of Federal advisory committee.

SUMMARY: The DoD is publishing this notice to announce that it is renewing the charter for the Reserve Forces Policy Board (RFPB).

FOR FURTHER INFORMATION CONTACT: Jim Freeman, DoD Advisory Committee Management Officer, 703–692–5952.

SUPPLEMENTARY INFORMATION: The RFPB’s charter is being renewed pursuant to 10 U.S.C. 175 and 10301(a) in accordance with the Federal Advisory Committee Act (FACA) (5 U.S.C., Appendix) and 41 CFR 102–3.50(a). The charter and contact information for the RFPB’s Designated Federal Officer (DFO) are found at https://www.facadatabase.gov/FACA/apex/FACAPublicAgencyNavigation.

Pursuant to 10 U.S.C. 10301(b), the RFPB shall serve as an independent adviser to provide advice and recommendations on strategies, policies, and practices designed to improve and enhance the capabilities, efficiency, and effectiveness of the reserve components. The RFPB may act on those matters referred to it by the Chair and on any matter raised by a member of the RFPB or the Secretary of Defense. All RFPB work, including subcommittee work, will be in response to written terms of reference or taskings approved by the Secretary of Defense or the Deputy Secretary of Defense (“the DoD Appointing Authority”), or the Under Secretary of Defense for Personnel and Readiness (USD(P&R)) unless otherwise provided by statute or Presidential directive.

Consistent with the provisions of 10 U.S.C. 10301(c), the RFPB shall be composed of 20 members, appointed or designated as follows: (a) A civilian appointed by the Secretary of Defense from among persons determined by the Secretary to have the knowledge of, and experience in, policy matters relevant to national security and reserve component matters necessary to carry out the duties of the RFPB, who shall serve as chair of the RFPB. (b) Two active or retired reserve officers or enlisted members designated by the Secretary of Defense upon recommendation of the Secretary of the Army: One of whom shall be a member of the Army National Guard of the United States or a former member of the Army National Guard of the United States in the Retired Reserve; and one of whom shall be a member or retired member of the Army Reserve. (c) Two active or retired reserve officers or enlisted members designated by the Secretary of Defense upon the recommendation of the Secretary of the Navy: One of whom shall be an active or retired officer of the Navy Reserve and one of whom shall be an active or retired officer of the Marine Corps Reserve. (d) Two active or retired reserve officers or enlisted members designated by the Secretary of Defense upon the recommendation of the Secretary of the Air Force: One of whom shall be a member of the Air National Guard of the United States or a former member of the Air National Guard of the United States in the Retired Reserve; and one of whom shall be a member or retired member of the Air Force Reserve. (e) One active or retired reserve officer or enlisted member of the U.S. Coast Guard designated by the Secretary of Homeland Security. (f) Ten persons appointed or designated by the Secretary of Defense, each of whom shall be a U.S. citizen having significant knowledge of and experience in policy matters relevant to national security and reserve component matters and shall be one of the following: An individual not employed in any Federal or State department or agency, an individual employed by a Federal or State department or agency, a Reserve Officer or a regular component of the armed forces on active duty, or an officer of a reserve
