DEPARTMENT OF JUSTICE

Antitrust Division

Notice Pursuant to the National Cooperative Research and Production Act of 1993—Countering Weapons of Mass Destruction

Notice is hereby given that, on April 1, 2022, pursuant to Section 6(a) of the National Cooperative Research and Production Act of 1993, 15 U.S.C. 4301 *et seq.* (“the Act”), Countering Weapons of Mass Destruction (“CWMD”) has filed written notifications simultaneously with the Attorney General and the Federal Trade Commission disclosing changes in its membership. The notifications were filed for the purpose of extending the Act’s provisions limiting the recovery of antitrust plaintiffs to actual damages under specified circumstances. Specifically, Kyrus Tech, Inc., Sterling, VA; Mainstream Engineering Corporation, Rockledge, FL; and mLogica LLC, Orange, CA, have been added as parties to this venture.

Also, iSense LLC, Mountain View, CA; Mesmo, Inc., Waldorf, MD; SelectTech Services Corporation, Centerville, OH; TerraTracker, Inc., Livermore, CA; and Washington State University, Pullman, WA, have withdrawn as parties to this venture.

No other changes have been made in either the membership or planned activity of the group research project. Membership in this group research project remains open, and CWMD intends to file additional written notifications disclosing all changes in membership.

On January 31, 2018, CWMD filed its original notification pursuant to Section 6(a) of the Act. The Department of Justice published a notice in the **Federal Register** pursuant to Section 6(b) of the Act on March 12, 2018 (83 FR 10750).

The last notification was filed with the Department on January 5, 2022. A notice was published in the **Federal**

Register pursuant to Section 6(b) of the Act on March 10, 2022 (87 FR 13758).

Executive Office for Immigration Review

Immigration Court Practice Manual and the Board of Immigration Appeals Practice Manual; Public Forum

AGENCY: Executive Office for Immigration Review, DOJ.

ACTION: Notice of meeting and solicitation of feedback.

SUMMARY: The Executive Office for Immigration Review (“EOIR”) invites interested parties to attend a public forum to discuss and provide feedback on EOIR’s Immigration Court Practice Manual and the Board of Immigration Appeals Practice Manual. EOIR also invites interested parties to provide written feedback from the public on the practice manuals.

DATES: The public forum will be held via GoToWebinar on May 24, 2022, from 2:00–3:00 p.m. EDT.

ADDRESSES: The public forum will be held online via GoToWebinar. Please RSVP to EngageWithEOIR@usdoj.gov by 5:00 p.m. EDT on May 23, 2022, with the name(s) of the attendee(s), any relevant organization, and a valid email address.

Public Participation

This public forum is open to the public. Interested persons should RSVP to EngageWithEOIR@usdoj.gov by 5:00 p.m. EDT on May 23, 2022, with the name(s) of the attendee(s), any relevant organization, and a valid email address. EOIR will send webinar information and an agenda to those who RSVP.

Attendance for this program will be limited to the first 500 participants to register.

EOIR also welcomes written feedback from the public. Written submissions may be submitted by email to EngageWithEOIR@usdoj.gov or by mail to Lauren Alder Reid, Assistant Director, Office of Policy, Executive Office for Immigration Review, 5107 Leesburg Pike, Suite 1800, Falls Church, VA 22041, and are due no later than 5:00 p.m. EDT on June 7, 2022. All media inquiries should be directed to the Communications and Legislative Affairs Division at pao.eoir@usdoj.gov.

FOR FURTHER INFORMATION CONTACT:

Lauren Alder Reid, Assistant Director, Office of Policy, Executive Office for Immigration Review, 5107 Leesburg Pike, Falls Church, VA 22041, telephone (703) 305–0289.

SUPPLEMENTARY INFORMATION: The Executive Office for Immigration Review (“EOIR”) maintains a Policy Manual, which contains a practice manual for the immigration courts, <https://www.justice.gov/eoir/eoir-policy-manual/part-ii-ocij-practice-manual>, and a practice manual for the Board of Immigration Appeals (“BIA”), <https://www.justice.gov/eoir/eoir-policy-manual/iii> (“the Practice Manuals”). The Practice Manuals provide uniform standards for practice before the immigration court and BIA.

EOIR is currently conducting a comprehensive review of the Practice Manuals, and welcomes all suggestions or concerns from the public to inform this review. In particular, EOIR is considering revisions to enhance procedural consistency across all immigration courts and courtrooms. Members of the public may submit feedback at the public forum or in writing to the email address or mailing address outlined above. The purpose of the above deadline for written feedback is to give the public the opportunity to contribute to this comprehensive review, but EOIR will continue to update the Practice Manuals as appropriate. Following the closing date for public comments on this comprehensive review, EOIR encourages interested parties to continue to submit comments about the Practice Manuals as they are “living documents,” and the ability for the public to submit comments is ongoing.

Lauren Alder Reid,

Assistant Director, Office of Policy, Executive Office for Immigration Review.

SUPPLEMENTARY INFORMATION: The Department is announcing WIOA allotments for PY 2022 for Youth Activities, Adults and Dislocated Worker Activities, Wagner-Peyser Act PY 2022 allotments, and PY 2022 Workforce Information Grant allotments. This notice provides information on the amount of funds available during PY 2022 to states with an approved WIOA Combined or Unified State Plan, and information regarding allotments to the Outlying Areas.

On March 15, 2022, the Consolidated Appropriations Act, 2022, Public Law 117–103 was signed into law (“the Act”). The Act, Division H, Title I, Sections 106(b) and 107 of the Act allows the Secretary of Labor (Secretary) to set aside up to 0.5 percent of each discretionary appropriation for activities related to program integrity and 0.75 percent of most operating funds for evaluations. For 2022, as authorized by the Act, the Department has set aside \$11,489,000 of the Training and Employment Services (TES) and \$2,819,000 of the State Unemployment Insurance and Employment Services Operations (SUIESO) appropriations impacted in this FRN for these activities. ETA reserved these funds from the WIOA Adult, Youth, Dislocated Worker, Wagner-Peyser Act Employment Service, and Workforce Information Grant program budgets. Any funds not utilized for these reserve activities will be provided to the states. We also have attached tables listing the PY 2022 allotments for programs under WIOA Title I Youth Activities (Table A), Adult and Dislocated Workers Employment and Training Activities (Tables B and C, respectively), and the PY 2022 Wagner-Peyser Act allotments (Table D). We also have attached the PY 2022 Workforce Information Grant table (Table E).

Youth Activities Allotments. The appropriated level for PY 2022 for WIOA Youth Activities totals \$933,130,000. After reducing the appropriation by \$3,963,000 for set asides authorized by the Act, \$929,167,000 is available for Youth Activities. Table A includes a breakdown of the Youth Activities program allotments for PY 2022 and provides a comparison of these allotments to PY 2021 Youth Activities allotments for all States and Outlying Areas. The WIOA Youth formula has a section in WIOA for a reservation for Migrant and Seasonal Farmworker (MSFW) Youth if the appropriation exceeds \$925,000,000. Per WIOA 127(a)(1), ETA reserved 4 percent (\$325,200) of the excess amount for MSFW Youth. For the Native American Youth program, the total amount available is 1.5 percent of the total amount for Youth Activities (after set asides authorized by the Act), after the MSFW Youth reservation in accordance with WIOA section 127. The total funding available for the Outlying Areas was reserved at 0.25 percent of the amount appropriated for Youth Activities (after set asides authorized by the Act) after the amount reserved for MSFW Youth and Native American Youth (in accordance with WIOA section 127(b)(1)(B)(i)). On December 17, 2003, Public Law 108–188, the Compact of Free Association Amendments Act of 2003 (“the Compact”), was signed into law. The Compact specified that the Republic of Palau remained eligible for WIA Title I funding. See 48 U.S.C 1921d(f)(1)(B)(ix). WIOA sec. 512(g)(1) updated the Compact to refer to WIOA funding. The National Defense Authorization Act for Fiscal Year 2018 (Division A, Title XII, Subtitle F, Section 1259C(c) of Public Law 115–91) authorized WIOA Title I funding to Palau through FY 2024.

Under WIA, the Secretary had discretion for determining the methodology for distributing funds to all Outlying Areas. Under WIOA the Secretary must award the funds through a competitive process. However, for PY 2022, the Consolidated Appropriations Act, 2022 waives the competition requirement regarding funding to Outlying Areas (*e.g.*, American Samoa, Guam, the Commonwealth of the Northern Mariana Islands, the Republic of Palau, and the United States Virgin Islands). For PY 2022, the Department used the same methodology used since PY 2000 (*i.e.*, we distribute funds among the Outlying Areas by formula based on relative share of the number of unemployed, a minimum of 90 percent

of the prior year allotment percentage, a \$75,000 minimum, and a 130 percent stop gain of the prior year share). For the relative share calculation in PY 2022, the Department continued to use the data obtained from the 2010 Census for American Samoa, Guam, the Commonwealth of the Northern Mariana Islands, and the United States Virgin Islands. For the Republic of Palau, the Department used data from Palau's 2015 Census. The Department will accept comments on this methodology.

After the Department calculated the amount for the MSFW Youth, Outlying Areas and the Native American program, the amount available for PY 2022 allotments to the states is \$912,621,900. This total amount is below the required \$1 billion threshold specified in WIOA sec.

127(b)(1)(C)(iv)(IV); therefore, the Department did not apply the WIOA additional minimum provisions. Instead, as required by WIOA, the minimums of 90 percent of the prior year allotment percentage and 0.25 percent state minimum floor apply. WIOA also provides that no state may receive an allotment that is more than 130 percent of the allotment percentage for the state for the previous year. The three data factors required by WIOA sec. 127(b)(1)(C)(ii) for the PY 2022 Youth Activities state formula allotments are, summarized slightly, as follows:

(1) The average number of unemployed individuals in Areas of Substantial Unemployment (ASUs) for the 12-month period, July 2020–June 2021 in each state compared to the total number of unemployed individuals in ASUs in all states;

(2) Number of excess unemployed individuals or excess unemployed individuals in ASUs (depending on which is higher) averages for the same 12-month period used for ASU unemployed data compared to the total excess unemployed individuals or ASU excess number in all states; and

(3) Number of disadvantaged youth (age 16 to 21, excluding college students not in the workforce and military) from special tabulations of data from the American Community Survey (ACS), which the Department obtained from the Census Bureau in each state compared to the total number of disadvantaged youth in all states. ETA obtained updated data for use in PY 2018 and the same data must be used in PY 2022. The Census Bureau collected the data used in the special tabulations for disadvantaged youth between January 1, 2011–December 31, 2015.

For purposes of identifying ASUs for the Youth Activities allotment formula, the Department continued to use the

data made available by BLS (as described in the Local Area Unemployment Statistics (LAUS) Technical Memorandum No. S–21–12). For purposes of determining the number of disadvantaged youth, the Department used the special tabulations of ACS data available at: <https://www.dol.gov/agencies/eta/budget/formula/disadvantagedyouthadults>.

See TEGL No. 14–17 for further information.

Adult Employment and Training Activities Allotments. The total appropriated funds for Adult Activities in PY 2022 is \$870,649,000. After reducing the appropriated amount by \$3,024,000 for set asides authorized by the Act, \$867,625,000 remains for Adult Activities, of which \$865,455,937 is for states and \$2,169,063 is for Outlying Areas. Table B shows the PY 2022 Adult Employment and Training Activities allotments and a state-by-state comparison of the PY 2022 allotments to PY 2021 allotments.

In accordance with WIOA, the Department reserved the total available for the Outlying Areas at 0.25 percent of the full amount appropriated for Adult Activities (after set asides authorized by the Act). As discussed in the Youth Activities section above, in PY 2022 the Department will distribute the Adult Activities funding for the Outlying Areas, using the same principles, formula, and data as used for outlying areas for Youth Activities. The Department will accept comments on this methodology. After determining the amount for the Outlying Areas, the Department used the statutory formula to distribute the remaining amount available for allotments to the states.

The Department did not apply the WIOA minimum provisions for the PY 2022 allotments because the total amount available for the states was below the \$960 million threshold required for Adult Activities in WIOA sec. 132(b)(1)(B)(iv)(IV). Instead, as required by WIOA, the minimums of 90 percent of the prior year allotment percentage and 0.25 percent state minimum floor apply. WIOA also provides that no state may receive an allotment that is more than 130 percent of the allotment percentage for the state for the previous year. The three formula data factors for the Adult Activities program are the same as those used for the Youth Activities formula, except the Department used data for the number of disadvantaged adults (age 22 to 72, excluding college students not in the workforce and military).

Dislocated Worker Employment and Training Activities Allotments. The amount appropriated for Dislocated

Worker activities in PY 2022 totals \$1,376,412,000. The total appropriation includes formula funds for the states, while the National Reserve is used for National Dislocated Worker Grants, technical assistance and training, demonstration projects, Workforce Opportunity for Rural Communities, Community College Grants, and the Outlying Areas' Dislocated Worker allotments. After reducing the appropriated amount by \$4,502,000 for set asides authorized by the Act, a total of \$1,371,910,000 remains available for Dislocated Worker activities. The amount available for Outlying Areas is \$3,429,775, leaving \$296,579,225 for the National Reserve and a total of \$1,071,901,000 available for states. Table C shows the PY 2022 Dislocated Worker activities allotments and a state-by-state comparison of the PY 2022 allotments to PY 2021 allotments.

Similar to the Adult Activities program, the Department reserved the total available for the Outlying Areas at 0.25 percent of the full amount appropriated for Dislocated Worker Activities (after set asides authorized by the Act). Similar to Youth and Adult funds, instead of competition, in PY 2022 the Department will use the same *pro rata* share as the areas received for the PY 2022 WIOA Adult Activities program to distribute the Outlying Areas' Dislocated Worker funds, the same methodology used in PY 2021. The Department will accept comments on this methodology.

The three data factors required in WIOA sec. 132(b)(2)(B)(ii) for the PY 2022 Dislocated Worker state formula allotments are, summarized slightly, as follows:

(1) Relative number of unemployed individuals in each state, compared to the total number of unemployed individuals in all states, for the 12-month period, October 2020–September 2021;

(2) Relative number of excess unemployed individuals in each state, compared to the total excess number of unemployed individuals in all states, for the 12-month period, October 2020–September 2021; and

(3) Relative number of long-term unemployed individuals in each state, compared to the total number of long-term unemployed individuals in all states, for the 12-month period, October 2020–September 2021.

In PY 2022, under WIOA the Dislocated Worker formula uses minimum and maximum provisions. No state may receive an allotment that is less than 90 percent of the state's prior year allotment percentage (stop loss) or more than 130 percent of the state's

prior year allotment percentage (stop gain).

Wagner-Peyser Act ES Allotments. The appropriated level for PY 2022 for ES grants totals \$675,052,000. After reducing the appropriated amount by \$2,775,000 for set asides authorized by the Act, \$672,277,000 is available for ES grants. After determining the funding for Guam and the United States Virgin Islands, the Department calculated allotments to states using the formula set forth at section 6 of the Wagner-Peyser Act (29 U.S.C. 49e). The Department based PY 2022 formula allotments on each state's share of calendar year 2021 monthly averages of the civilian labor force (CLF) and unemployment. Section 6(b)(4) of the Wagner-Peyser Act requires the Secretary to set aside up to three percent of the total funds available for ES to ensure that each state will have sufficient resources to maintain statewide ES activities. In accordance with this provision, the Department included the three percent set aside funds in this total allotment. The Department distributed the set-aside funds in two steps to states that have experienced a reduction in their relative share of the total resources available this year from their relative share of the total resources available the previous year. In

Step 1, states that have a CLF below one million and are also below the median CLF density were maintained at 100 percent of their relative share of prior year resources. ETA calculated the median CLF density based on CLF data provided by the BLS for calendar year 2021. The Department distributed all remaining set-aside funds on a *pro-rata* basis in Step 2 to all other states experiencing reductions in relative share from the prior year but not meeting the size and density criteria for Step 1. The distribution of ES funds (Table D) includes \$670,638,223 for states, as well as \$1,638,777 for Outlying Areas.

Section 7(a) of the Wagner-Peyser Act (49 U.S.C. 49f(a)) authorizes states to use 90 percent of funds allotted to a state for labor exchange services and other career services such as job search and placement services to job seekers; appropriate recruitment services for employers; program evaluations; developing and providing labor market and occupational information; developing management information systems; and administering the work test for unemployment insurance claimants. Section 7(b) of the Wagner-Peyser Act states that 10 percent of the total sums allotted to each state must be reserved for use by the Governor to

provide performance incentives for public ES offices and programs, provide services for groups with special needs, and to provide for the extra costs of exemplary models for delivering services of the type described in section 7(a) and models for enhancing professional development and career advancement opportunities of state agency staff.

Workforce Information Grants Allotments. Total PY 2022 funding for Workforce Information Grants allotments to states is \$32,000,000. After reducing the total by \$44,000 for set asides authorized by the Act, \$31,956,000 is available for Workforce Information Grants. Table E contains the allotment figures for each state and Outlying Area. The Department distributes the funds by administrative formula, with a reserve of \$176,694 for Guam and the United States Virgin Islands. Guam and the United States Virgin Islands allotment amounts are partially based on CLF data. The Department distributes the remaining funds to the states with 40 percent distributed equally to all states and 60 percent distributed based on each state's share of CLF for the 12 months ending September 2021.
