M. Effect on Applications or Requests for Approval

N. Prohibition on Examiner Retaliation

Any institution that believes or has any evidence that it has been subject to retaliation may file a complaint with the Director, Office of the Ombudsman, Federal Deposit Insurance Corporation, 3501 Fairfax Drive Suite E-2022, Arlington, Virginia, 22226, explaining the circumstances and the basis for such belief or evidence and requesting that the complaint be investigated and appropriate disciplinary or remedial action taken. The Office of the Ombudsman will work with the appropriate Division Director to resolve the allegation of retaliation.

II. Introduction

This notice informs the public of FHFA's proposal to establish and maintain a new system of records. This notice satisfies the Privacy Act's requirement that an agency publish a system of records notice in the **Federal Register** when establishing a new or making a significant change to an agency's system of records. Congress has recognized that application of all requirements of the Privacy Act to certain categories of records may have an undesirable and often unacceptable effect upon agencies in the conduct of necessary public business. Consequently, Congress established general exemptions and specific exemptions that can be used to exempt records from provisions of the Privacy Act. Congress also mandates that exempting records from provisions of the Privacy Act requires the head of an agency to publish a determination to exempt a record from the Privacy Act in accordance with the Administrative Procedure Act. Records and information in this system of records are not exempt from the requirements of the Privacy Act.

As required by the Privacy Act, 5 U.S.C. 552a(r), and pursuant to section

7 of OMB Circular No. A-108, *Federal Agency Responsibilities for Review, Reporting, and Publication under the Privacy Act*, (81 FR 94424 (Dec. 23, 2016)), prior to publication of this notice, FHFA submitted a report describing the system of records covered by this notice to the OMB, the Committee on Oversight and Government Reform of the House of Representatives, and the Committee on Homeland Security and Governmental Affairs of the Senate.

The proposed new system of records described above is set forth in its entirety below.
