

services.”¹ The Act also requires the Bureau to “share consumer complaint information with prudential regulators, the Federal Trade Commission, other Federal agencies, and State agencies.”² To facilitate the collection of complaints, the Bureau accepts consumer complaints submitted by members of Congress on behalf of their constituents with the consumer’s express written authorization for the release of their personal information. In furtherance of its statutory mandates related to consumer complaints, the Bureau uses Government and Congressional Portal Boarding Forms (*i.e.*, Boarding Forms) to register users for access to secure, web-based portals. The Bureau has developed separate portals for congressional users and other government users as part of its secure web portal offerings (the Government Portal and the Congressional Portal, respectively).³

Through the Government Portal, government users can view consumer complaint information in a user-friendly format that allows easy review of complaints currently active in the Bureau process, complaints referred to a prudential Federal regulator, and other closed/archived complaints.

Through the Congressional Portal, members of Congress and authorized congressional office staff can view data associated with consumer complaints they submit on behalf of their constituents with the consumer’s express written authorization for the release of their personal information. The Congressional Portal only displays information about complaints submitted by the individual congressional office.

Request for Comments: The Bureau published a 60-day **Federal Register** notice on 1/28/2022 (87 FR 4569) under Docket Number: CFPB–2022–0006. The Bureau is soliciting comments on: (a) Whether the collection of information is necessary for the proper performance of the functions of the Bureau, including whether the information will have practical utility; (b) The accuracy of the Bureau’s estimate of the burden of the collection of information, including the validity of the methods and the assumptions used; (c) Ways to enhance the quality, utility, and clarity of the information to be collected; and (d)

Ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Comments submitted in response to this notice will be submitted to OMB as part of its review of this request. All comments will become a matter of public record.

SUPPLEMENTARY INFORMATION: The Portable Fuel Container Safety Act of 2020 (PFCSA) requires the Commission, not later than June 27, 2023, to promulgate a final rule to require flame mitigation devices in portable fuel containers that impede the propagation of flame into the container. 15 U.S.C. 2056d(b)(1).¹ The PFCSA states, however, that the Commission is not required to promulgate a final rule if the Commission determines that the requirements for an exception relating to voluntary standards are met. 15 U.S.C. 2056d(b)(3)(A). Specifically, the Commission may rely on voluntary standards instead of the required rulemaking for a class of portable fuel containers within the scope of the Act if the following requirements are met:

- There is a voluntary standard for flame mitigation devices for those containers that impedes the propagation of flame into the container;
- The voluntary standard is or will be in effect not later than June 27, 2022; and
- The voluntary standard is developed by ASTM International or such other standard development organization that the Commission determines to have met the intent of the PFCSA.

15 U.S.C. 2056d(b)(3)(A).

¹ The Commission voted 4–0 to approve this notice.

¹ Codified at 12 U.S.C. 5493(b)(3)(A).

² Dodd-Frank Act section 1013(b)(3)(D), codified at 12 U.S.C. 5493(b)(3)(D).

³ In addition to the boarding forms for congressional and government users, the Bureau utilizes a separate OMB-approved form to board companies onto their own distinct portal to access complaints submitted against them, through OMB Control Number 3170–0054 (Consumer Complaint Intake System Company Portal Boarding Form Information Collection System).

If the Commission makes such a determination with respect to any voluntary standard, then the requirements of such voluntary standard shall be treated as a consumer product safety rule 180 days after publication of the Commission's determination in the **Federal Register**. 15 U.S.C. 2056d(b)(4).

The CPSC staff draft document, "Voluntary Standards Evaluation Under the Portable Fuel Container Safety Act of 2020,"² provides staff's initial assessment and recommendations to the Commission regarding whether the relevant voluntary standards qualify for the exception from the rulemaking requirement in the PFCSA. The draft document is available on the Commission's website at: https://www.cpsc.gov/s3fs-public/2022-Fire-Safety-of-Portable-Fuel-Containers-Memo.pdf?VersionId=K_Tk.uklDYtld1o45_OHMHnqeHdYrCME and from the Commission's Division of the Secretariat at the location listed in the **ADDRESSES** section of this notice.

The Commission invites comment on the draft document, "Voluntary Standards Evaluation Under the Portable Fuel Container Safety Act of 2020," and whether the Commission should determine that the voluntary standards discussed in that document meet the requirements for the exception from rulemaking in 15 U.S.C. 2056d(b)(3)(A). Comments should be submitted by June 23, 2022. Information on how to submit comments can be found in the **ADDRESSES** section of this notice.
