Agency Information Collection Activities; Submission to the Office of Management and Budget (OMB) for Review and Approval; Comment Request; COVID–19 Vaccine Supplemental Medical Provider Statement

The United States Patent and Trademark Office (USPTO) will submit the following information collection request to the Office of Management and Budget (OMB) for review and clearance in accordance with the Paperwork Reduction Act of 1995, on or after the date of publication of this notice. The USPTO invites comment on this information collection renewal, which helps the USPTO assess the impact of its information collection requirements and minimize the public’s reporting burden. Public comments were previously requested via the Federal Register on March 24, 2022 (87 16719) during a 60-day comment period. This notice allows for an additional 30 days for public comments.
Title: COVID–19 Vaccine Supplemental Medical Provider Statement.
OMB Control Number: 0651–0087.
Needs and Uses: Consistent with guidance from the Centers for Disease Control and Prevention (CDC), guidance from the Safer Federal Workforce Task Force established pursuant to E.O. 13991 of January 20, 2021, Protecting

E.O. 14043 mandates that each
agency “implement, to the extent

determine legal exemptions to the
vaccine requirement under the
Rehabilitation Act.

The vaccination requirement issued
pursuant to E.O. 14043, is currently
the subject of a nationwide injunction. While that injunction remains in place, USPTO will not process requests for a medical exception from the COVID–19 vaccination requirement pursuant to E.O. 14043. USPTO will also not request the submission of any medical information related to a request for an exception from the vaccination requirement pursuant to E.O. 14043 while the injunction remains in place. But USPTO may nevertheless receive information regarding a medical exception. That is because, if USPTO were to receive a request for an exception from the COVID–19 vaccination requirement pursuant to E.O. 14043 during the pendency of the injunction, USPTO will accept the request, hold it in abeyance, and notify the employee who submitted the request that implementation and enforcement of the COVID–19 vaccination requirement pursuant to E.O. 14043 is currently enjoined and that an exception therefore is not necessary so long as the injunction is in place. In other words, during the pendency of the injunction, any information collection related to requests for medical exception from the COVID–19 vaccination requirement pursuant to E.O. 14043 is not undertaken to implement or enforce the COVID–19 vaccination requirement.
