Overview of This Information Collection

Title: Ship’s Stores Declaration. OMB Number: 1651–0018. Form Number: CBP Form 1303. Current Actions: Revision of an existing information collection. Type of Review: Revision. Affected Public: Businesses. Abstract: CBP Form 1303, Ship’s Stores Declaration, is used by the carriers to declare articles to be retained on board the vessel, such as sea stores, ship’s stores (e.g., alcohol and tobacco products), controlled narcotic drugs or bunker fuel in a format that can be readily audited and checked by CBP. The form was developed as a single international standard ship’s stores declaration form to replace the different forms used by various countries for the entrance and clearance of vessels. CBP Form 1303 collects information about the ship, the ports of arrival and departure, and the articles on the ship. This form is provided for by 19 CFR 4.7, 4.7a, 4.81, 4.85 and 4.87 and is accessible at: https://www.cbp.gov/newsroom/publications/forms/?title=1303#. This proposed change is anticipated to be submitted electronically as part of the maritime forms automation project through the Vessel Entrance and Clearance System (VECS), which will eliminate the need for any paper submission of any vessel entrance or clearance requirements under the above referenced statutes and regulations. VECS will still collect and maintain the same data but will automate the capture of data to reduce or eliminate redundancy with other data collected by CBP.

Type of Information Collection: CBP Form 1303.

Estimated Number of Respondents: 2,624.

Estimated Number of Annual Responses per Respondent: 72.

Estimated Number of Total Annual Responses: 188,928.
