Overview of This Information Collection

1. *Type of Information Collection:* reinstatement without change of a previously approved collection.

2. *The Title of the Form/Collection:* Public Safety Officer Medal of Valor (Pub. L. 107–12).

3. *The agency form number:* There is no form number associated with this information collection. The nomination process is managed through the internet, using the Office of Justice Programs' (OJP) Public Safety Officer Medal of Valor (MOV) online nomination system at: <https://bja.ojp.gov/program/medalofvalor>.

4. *Affected public who will be asked or required to respond, as well as a brief abstract:* The information that is being collected is solicited from federal, state, local and tribal public safety agencies, who wish to nominate their personnel to receive the Public Safety Officer Medal of Valor (MOV). This information is provided on a voluntary basis, includes agency and nominee information along with details about the events for which the nominees are to be considered when determining who will be recommended to receive the MOV.

If all covered facilities were to fully comply with all of the PREA standards, the new burden hours associated with the staff time that would be required to collect and maintain the information and records required by the standards would be approximately 1.16 million in the first year of full compliance, or about 89 hours per facility.

6. *An estimate of the total public burden (in hours) associated with the collection:* Base upon the average number of submissions over the referenced two-year period, and the estimated time required to complete

each submission, the estimated annual public burden would be 56.45 hours.
