SUPPLEMENTARY INFORMATION: The withdrawal established by PLO No. 7546 (67 FR 72970; December 9, 2002) is incorporated herein by reference and will expire on December 8, 2022, unless the withdrawal is extended. At the request of the BLM, the Secretary is proposing to extend PLO No. 7546 for an additional 20-year term. The withdrawal extension will allow the BLM to continue to protect and preserve the recreational, scenic, riparian, historic, and wildlife resources on 4,943.13 acres, covering about 9.7 miles around the Sweetwater River. Among other things, the Sweetwater River played a significant role in the Oregon, Mormon Pioneer, California, and Pony Express historic trails.

There are no suitable alternative sites available. There are no other Federal lands in the area containing or replicating these recreational and other values.

No water rights would be needed to fulfill the purpose of this withdrawal extension.

Comments, including name and street address of respondents, will be available for public review at the BLM Wyoming State Office, 5353 Yellowstone Road, Cheyenne, Wyoming, during regular business hours 8:00 a.m. to 4:30 p.m., Monday through Friday, except holidays.

Before including your address, phone number, email address, or other personal identifying information in your comment, you should be aware that your entire comment—including your personally identifying information—may be made publicly available at any time. While you may ask the BLM in your comment to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so.

Notice is hereby given that an opportunity for a public meeting is afforded in connection with the proposed withdrawal extension. All interested persons who desire a public meeting for the purpose of being heard on the proposed withdrawal extension must submit a written request to the State Director, BLM Wyoming State Office, at the address in the **ADDRESSES** section, within 90 days from the date of publication of this notice. If the authorized officer determines that a public meeting will be held, a notice of the date, time, and place will be published in the **Federal Register** and local newspapers and on the BLM website at www.blm.gov at least 30 days before the scheduled date of the meeting.

This withdrawal extension proposal will be processed in accordance with the regulations set forth in 43 CFR 2310.4.
