The Medical Exception form has two parts: Part 2 of the form must be completed by a medical professional before the entire document is scanned and emailed. For current employees they can find the forms electronically on the Department of State systems and complete them electronically.

A Notice Regarding Injunctions

The vaccination requirement issued pursuant to E.O. 14043, is currently the subject of a nationwide injunction. While that injunction remains in place, the Department will not process requests for a medical exception from the COVID–19 vaccination requirement
