Western Pacific Fishery Management Council; Public Meetings

AGENCY: National Marine Fisheries Service (NMFS), National Oceanic and Atmospheric Administration (NOAA), Commerce.

ACTION: Notice of a public meeting.

SUMMARY: The Western Pacific Fishery Management Council (Council) and NMFS will convene a Western Pacific Stock Assessment Review (WPSAR) of Level 1 and Level 2 Essential Fish Habitat (EFH) Models for the Main Hawaiian Islands gray jobfish, or uku (*Aprion virescens*).

DATES: The WPSAR meeting will be held July 12, 2022 through July 14, 2022. For specific times and agendas, see **SUPPLEMENTARY INFORMATION**.

ADDRESSES: *Meeting address:* In person attendance for WPSAR Panelists and participants will be hosted at the Council Office Conference Room, Western Pacific Fishery Management Council, 1164 Bishop St., Suite 1400, Honolulu, HI 96813.

The meeting will be held in a hybrid format with in-person and remote participation (Webex) options available for WPSAR Panelists and participants, with public attendance limited to web conference via Webex. Specific information on joining the meeting, connecting to the web conference and providing oral public comments will be posted on the Council website at www.wpcouncil.org. For assistance with the web conference connection, contact the Council office at (808) 522-8220.

FOR FURTHER INFORMATION CONTACT: Kitty M. Simonds, Executive Director, Western Pacific Fishery Management Council; telephone: (808) 522-8220.

SUPPLEMENTARY INFORMATION: The WPSAR meeting will be held on July

12-14, 2022, and run each day from 9 a.m. to 5 p.m. Hawaii Standard Time (HST). Public comment periods will be provided in the agenda. The order in which agenda items are addressed may change. The meetings will run as late as necessary to complete scheduled business.

Agenda for the Western Pacific Stock Assessment Review Meeting

Day 1—Tuesday, July 12, 2022, 9 a.m. to 5 p.m. HST

1. Welcome and Introductions
2. Objectives and Terms of Reference
3. *Overview:* Essential Fish Habitat (EFH) and Habitat Areas of Particular Concern (HAPC)
4. Background Information on MHI Uku
 - A. Main Hawaii Islands (MHI) Fisheries & Data Reporting of Uku
 - B. Life History and Biology of MHI Uku
 - C. Stock Assessment and Status of MHI Uku
5. Fishery Independent Data Sources for MHI Uku
6. Model-based EFH Definitions for the Uku (*Aprion virescens*) in the MHI
 - A. Data Sources
 - B. Methods
 - C. Results and Discussion
7. Spatiotemporal Assessment of Uku (*Aprion virescens*) Density in Shallow MHI Waters, 2010-19
 - A. Data Sources
 - B. Methods
 - C. Results and Discussion
8. Public Comment
9. WPSAR Review Panel Review and Deliberations (closed to the public)

Day 2—Wednesday, July 13, 2022, 9 a.m. to 5 p.m. HST

10. WPSAR Review Panel Discussion with Presenters (morning)
11. WPSAR Review Panel Discussions (closed, afternoon)

Day 3—Thursday, July 14, 2022, 9 a.m. to 5 p.m. HST

12. Continue WPSAR Panel Discussions (closed, morning)
13. WPSAR Panel Report on Uku EFH Review Recommendations (afternoon)
14. Adjourn

Special Accommodations

These meetings are physically accessible to people with disabilities. Requests for sign language interpretation or other auxiliary aids should be directed to Kitty M. Simonds, (808) 522-8220 (voice) or (808) 522-8226 (fax), at least 5 days prior to the meeting date.

Authority: 16 U.S.C. 1801 *et seq.*

Dated: June 23, 2022.

Tracey L. Thompson,

Acting Deputy Director, Office of Sustainable Fisheries, National Marine Fisheries Service.

Mid-Atlantic Fishery Management Council (MAFMC); Public Meeting

AGENCY: National Marine Fisheries Service (NMFS), National Oceanic and Atmospheric Administration (NOAA), Commerce.

ACTION: Notice; public meeting.

SUMMARY: The Scientific and Statistical Committee (SSC) of the Mid-Atlantic Fishery Management Council (Council) will hold a meeting.

DATES: The meeting will be held on Monday, July 25, 2022, starting at 10 a.m. and continue through 1 p.m. on Tuesday, July 26, 2022. See

SUPPLEMENTARY INFORMATION for agenda details.

ADDRESSES: The meeting will be conducted in a hybrid format, with options for both in-person and webinar participation. The meeting will be held at the Baltimore Marriott Waterfront, 700 Aliceanna Street, Baltimore, MD 21202. Details on how to connect to the webinar by computer and by telephone will be available at: www.mafmc.org/ssc.

Council address: Mid-Atlantic Fishery Management Council, 800 N. State Street, Suite 201, Dover, DE 19901; telephone: (302) 674-2331; website: www.mafmc.org.

FOR FURTHER INFORMATION CONTACT: Christopher M. Moore, Ph.D., Executive Director, Mid-Atlantic Fishery Management Council, telephone: (302) 526-5255.

SUPPLEMENTARY INFORMATION: During this meeting, the SSC will review and provide science and research advice on the results from the recently completed Surfclam genetics study. The SSC will make an initial 2023 fishing year acceptable biological catch (ABC) recommendation for *Illex* squid based on the research track stock assessment peer review results and the most recent fishery and survey information. The SSC will also make multi-year (2023-2024) ABC recommendations for Butterfish based on the results of the recently completed management track

stock assessment. The SSC will get an update on recent Council action on the recreational harvest control rule framework. The SSC will review the most recent survey and fishery data and the previously recommended 2023 ABC for Summer Flounder, Scup, Black Sea Bass, and Bluefish. The SSC will also review and provide comments on the draft Northeast Regional Climate Strategy Action Plan. The SSC may take up any other business as necessary.

A detailed agenda and background documents will be made available on the Council's website (www.mafmc.org) prior to the meeting.

Special Accommodations

These meetings are physically accessible to people with disabilities. Requests for sign language interpretation or other auxiliary aid should be directed to Shelley Spedden, (302) 526-5251, at least 5 days prior to the meeting date.

Dated: June 23, 2022.

Tracey L. Thompson,

Acting Deputy Director, Office of Sustainable Fisheries, National Marine Fisheries Service.

Schedules for Atlantic Shark Identification Workshops and Protected Species Safe Handling, Release, and Identification Workshops

AGENCY: National Marine Fisheries Service (NMFS), National Oceanic and Atmospheric Administration (NOAA), Commerce.

ACTION: Notice of public workshops.

SUMMARY: Free Atlantic Shark Identification Workshops and Safe Handling, Release, and Identification Workshops will be held in July, August, and September of 2022. Certain fishermen and shark dealers are required to attend a workshop to meet regulatory requirements and to maintain valid permits. Specifically, the Atlantic Shark Identification Workshop is mandatory for all federally permitted Atlantic shark dealers. The Safe Handling, Release, and Identification Workshop is mandatory for vessel owners and operators who use bottom longline, pelagic longline, or gillnet gear, and who have also been issued shark or swordfish limited access permits. Additional free workshops will

be conducted later in 2022 and will be announced in a future notice. In addition, NMFS has implemented online recertification workshops for persons who have already taken an in-person training. Information about the online workshops is available on the Atlantic Highly Migratory Species Management Division's website (see **SUPPLEMENTARY INFORMATION**).

DATES: The Atlantic Shark Identification Workshops will be held on July 14, 2022 and September 8, 2022. The Safe Handling, Release, and Identification Workshops will be held on July 8, 2022, August 22, 2022, and September 30, 2022. See **SUPPLEMENTARY INFORMATION** for further details.

ADDRESSES: The Atlantic Shark Identification Workshops will be held in Fort Lauderdale, FL, and Norfolk, VA. The Safe Handling, Release, and Identification Workshops will be held in Gulfport, MS; Vero Beach, FL; and Ronkonkoma, NY. See **SUPPLEMENTARY INFORMATION** for further details on workshop locations.

FOR FURTHER INFORMATION CONTACT: Craig Cockrell by email at craig.cockrell@noaa.gov or by phone at 301-427-8503.

SUPPLEMENTARY INFORMATION: Atlantic highly migratory species (HMS) fisheries are managed under the authority of the Atlantic Tunas Convention Act (16 U.S.C. 971 *et seq.*) and the Magnuson-Stevens Fishery Conservation and Management Act (16 U.S.C. 1801 *et seq.*). The 2006 Consolidated Atlantic HMS Fishery Management Plan and its amendments are implemented by regulations at 50 CFR part 635. Section 635.8 describes the requirements for the Atlantic Shark Identification Workshops and Safe Handling, Release, and Identification Workshops. The workshop schedules, registration information, and a list of frequently asked questions regarding the Atlantic Shark Identification and Safe Handling, Release, and Identification workshops are available online at: <https://www.fisheries.noaa.gov/atlantic-highly-migratory-species/atlantic-shark-identification-workshops> and <https://www.fisheries.noaa.gov/atlantic-highly-migratory-species/safe-handling-release-and-identification-workshops>.

Atlantic Shark Identification Workshops

Since January 1, 2008, Atlantic shark dealers have been prohibited from receiving, purchasing, trading, or bartering for Atlantic sharks unless a valid Atlantic Shark Identification Workshop certificate is on the premises of each business listed under the shark

dealer permit that first receives Atlantic sharks (71 FR 58057; October 2, 2006). Dealers who attend and successfully complete a workshop are issued a certificate for each place of business that is permitted to receive sharks. These certificate(s) are valid for 3 years. Thus, certificates that were initially issued in 2019 will expire in 2022.

Approximately 193 free Atlantic Shark Identification Workshops have been conducted since October 2008.

Currently, permitted dealers may send a proxy to an Atlantic Shark Identification Workshop. However, if a dealer opts to send a proxy, the dealer must designate a proxy for each place of business covered by the dealer's permit that first receives Atlantic sharks. Only one certificate will be issued to each proxy. A proxy must be a person who is currently employed by a place of business covered by the dealer's permit; is a primary participant in the identification, weighing, and/or first receipt of fish as they are offloaded from a vessel; and who fills out dealer reports. Atlantic shark dealers are prohibited from renewing a Federal shark dealer permit unless a valid Atlantic Shark Identification Workshop certificate for each business location that first receives Atlantic sharks has been submitted with the permit renewal application. Additionally, a copy of a valid dealer or proxy Atlantic Shark Identification Workshop certificate must be in any trucks or other conveyances that are extensions of a dealer's place of business.

Workshop Dates, Times, and Locations

1. July 14, 2022, 12 p.m.–4 p.m., Hampton Inn & Suites, 720 East Cypress Creek Road, Fort Lauderdale, FL 33334.

2. September 8, 2022, 12 p.m.–4 p.m., LaQuinta Inn & Suites Norfolk Airport, 1387 North Military Highway, Norfolk, VA 23502.

Registration

To register for a scheduled Atlantic Shark Identification Workshop, please contact Eric Sander at ericssharkguide@yahoo.com or at (386) 852-8588. Pre-registration is highly recommended, but not required.

Registration Materials

To ensure that workshop certificates are linked to the correct permits, participants will need to bring the following specific items to the workshop:

- Atlantic shark dealer permit holders must bring proof that the attendee is an owner or agent of the business (such as articles of incorporation), a copy of the
