SUPPLEMENTARY INFORMATION: Under the PRA, 44 U.S.C. 3501 *et seq.*, Federal agencies must obtain approval from the Office of Management and Budget (“OMB”) for each collection of information they conduct or sponsor. “Collection of information” is defined in 44 U.S.C. 3502(3) and 5 CFR 1320.3(c) and includes agency requests or requirements that members of the public submit reports, keep records, or provide information to a third party. Section 3506(c)(2)(A) of the PRA, 44 U.S.C. 3506(c)(2)(A), requires Federal agencies to provide a 60-day notice in the **Federal Register** concerning each proposed collection of information, including each proposed extension of an existing collection of information, before submitting the collection to OMB for approval. To comply with this requirement, the Commission is publishing notice of the proposed collection of information listed below.

Title: Procurement Contracts (OMB Control No. 3038-0031). This is a request for an extension of a currently approved information collection.

Abstract: The information collected under this request is gathered through the use of forms specific to a contract or contracting action. The standard forms are prescribed for use for non-personal services, construction, award of contracts and solicitations as by agencies in connection with the procurement of supplies, purchase and delivery orders, specified in the Federal Acquisition Regulations (48 CFR 1-53). The information provided on the forms is specific and generally does not require additional information or questions.

With respect to the following collection of information, the Commission invites comments on:

• Whether the proposed collection of information is necessary for the proper performance of the functions of the Commission, including whether the information will have a practical use;

• The accuracy of the Commission’s estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;

• Ways to enhance the quality, usefulness, and clarity of the information to be collected; and

• Ways to minimize the burden of collection of information on those who are to respond, including through the use of appropriate electronic, mechanical, or other technological collection techniques or other forms of information technology; *e.g.*, permitting electronic submission of responses.

You should submit only information that you wish to make available publicly. If you wish the Commission to consider information that you believe is exempt from disclosure under the Freedom of Information Act, a petition for confidential treatment of the exempt information may be submitted according to the procedures established in § 145.9 of the Commission’s regulations.

The Commission reserves the right, but shall have no obligation, to review, pre-screen, filter, redact, refuse or remove any or all of your submission from <http://www.cftc.gov> that it may deem to be inappropriate for publication, such as obscene language. All submissions that have been redacted or removed that contain comments on the merits of the information collection request will be retained in the public comment file and will be considered as required under the Administrative Procedure Act and other applicable laws, and may be accessible under the Freedom of Information Act.

Burden Statement: The Commission is revising its estimate of the burden for this collection to reflect changed circumstances below.

The information collection consists of procurement activities relating to solicitations, amendments to solicitations, requests for quotations, construction contracts, awards of contracts, performance bonds, and payment information for individuals (vendors) or contractors engaged in providing supplies or services.

The Commission estimates the burden of this collection of information as follows:

Respondents/Affected Entities: Vendors and contractors.

Estimated number of respondents: 1,096.

Estimated burden hours per response: 2 hours.

Estimated total annual burden on respondents: 2,192 hours.

Frequency of responses: Annually.

There are no capital costs or operating and maintenance costs associated with this collection.

SUPPLEMENTARY INFORMATION:

Title: Swap Data Recordkeeping and Reporting Requirements: Reenactment and Transition Swaps (OMB Control No. 3038-0089). This is a request for an extension of a currently approved information collection.

Abstract: Sections 4r(a)(2)(A) and 2(h)(5) of the Commodity Exchange Act requires the reporting of pre-enactment and transition swaps. Regulations 46.2, 46.3, and 46.11 establish reporting requirements that are mandated by 4r and 2(h) and, thus, are necessary to implement the objectives of 4r and 2(h). Regulation 46.2 establishes swap counterparties' recordkeeping requirements for pre-enactment and transition swaps. Regulation 46.3 establishes reporting requirements for uncleared pre-enactment or transition swaps in existence on or after April 25,

2011, and throughout the existence of the swap.² Regulation 46.11 addresses the reporting of errors and omission in previously reported data. The data required to be compiled and maintained pursuant to the Part 46 regulations would be used by the Commission and other financial regulators for fulfillment of various regulatory mandates. The collection of information is needed to ensure that the CFTC and other regulators have access to data regarding pre-enactment and transition swaps, as required by the Commodity Exchange Act as amended by the Dodd-Frank Wall Street Reform and Consumer Protection Act ("Dodd-Frank Act").

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. On April 26, 2022, the Commission published in the **Federal Register** notice of the proposed extension of this information collection and provided 60 days for public comment on the proposed extension, 87 FR 24534 ("60-Day Notice"). The Commission did not receive any relevant comments on the 60-Day Notice.

Burden Statement: The Commission is revising its estimate of the burden for this collection to reflect the current number of respondents and estimated burden hours. The respondent burden for this collection is estimated to be as follows:

- *Recordkeeping*:
Estimated Number of Respondents: 30,108.
Estimated Average Burden Hours per Respondent: 69.5 hours.
Estimated Total Annual Burden Hours: 13,506 hours.
Frequency of Collection: 1.
- *Reporting*:
Estimated Number of Respondents: 608.
Estimated Average Burden Hours per Respondent: 5.64 hours.
Estimated Total Annual Burden Hours: 860 hours.
Frequency of Collection: Daily.
- *Total Annual Burden for the Collection*: 14,366 hours.

There are no capital costs or operating and maintenance costs associated with this collection.

² See 17 CFR part 46.1 (defining "pre-enactment swap" as any swap entered into prior to enactment of the Dodd-Frank Act of 2010 (July 21, 2010), the terms of which have not expired as of the date of enactment of that Act, and "transition swap" as any swap entered into on or after the enactment of the Dodd-Frank Act of 2010 (July 21, 2010) and prior to the applicable compliance date on which a registered entity or swap counterparty subject to the jurisdiction of the Commission is required to commence full compliance with all provisions of part 46).
