

In September 2018, we received a completed SSA-142 *Report of Social Insurance or Pension System*, submitted by the Ministry of Labour and Social Protection of Mongolia.

We conducted a thorough review to reach the finding we describe here.

Section 202(t)(2) Exception

Section 202(t)(2) of the Act provides that the prohibition of payment shall not apply to individuals who are citizens of a foreign country that the Commissioner of Social Security finds has a social insurance or pension system that is in effect and of general application in such country, and that:

(A) pays periodic benefits, or the actuarial equivalent thereof, on account of old age, retirement, or death; and

(B) permits individuals who are U.S. citizens but not citizens of that country and who qualify for benefits to receive those benefits, or the actuarial equivalent thereof, while outside the foreign country regardless of the duration of the absence.

We find that Mongolia does not meet all of the required criteria of section 202(t)(2) of the Act because, although it has a social insurance system that is in effect, is of general application, and meets the conditions in subparagraph (A), the social insurance system does not meet the conditions in subparagraph (B).

Section 202(t)(4) Exception

The ANP exceptions provided in section 202(t)(4) subparagraphs (A) and (B) shall not apply to a citizen of a foreign country that has a social insurance or pension system in effect and of general application, which satisfies section 202(t)(2)(A), but not section 202(t)(2)(B).

Therefore, the ANP exceptions in section 202(t)(4)(A) and (B) do not apply to citizens of Mongolia due to the above finding under section 202(t)(2).

DEPARTMENT OF STATE

[Public Notice 11773]

Memorandum of Agreement Between the U.S. Department of State Bureau of Consular Affairs and Intercountry Adoption Accreditation and Maintenance Entity, Inc

ACTION: Notice.

SUMMARY: The Department of State (the Department) is the lead Federal agency for implementation of the 1993 Hague Convention on Protection of Children and Co-operation in Respect of Intercountry Adoption (the Convention), the Intercountry Adoption Act of 2000 (IAA), and the Intercountry Adoption Universal Accreditation Act of 2012 (UAA). Among other things, the IAA and UAA give the Secretary of State responsibility, by entering into agreements with one or more qualified entities and designating such entities as accrediting entities, for the accreditation of agencies and approval of persons to provide adoption services in intercountry adoptions. This notice is to inform the public that on June 2, 2022, the Department entered into a renewed agreement with Intercountry Adoption Accreditation and Maintenance Entity, Inc. (IAAME), designating IAAME as an accrediting entity (AE) for five years.

The text of the Memorandum of Agreement is included in its entirety at the end of this Notice.

FOR FURTHER INFORMATION CONTACT:

Marisa Light (202) 485–6024, Adoption@state.gov. Hearing or speech-impaired persons may use the Telecommunications Devices for the Deaf (TDD) by contacting the Federal Information Relay Service at 1–800–877–8339.

SUPPLEMENTARY INFORMATION: The Department, pursuant to section 202(a) of the IAA, must enter into an agreement with at least one qualified entity and designate it as an accrediting entity. Accrediting entities may be (1) nonprofit private entities with expertise in developing and administering standards for entities providing child welfare services; or (2) state adoption licensing bodies that have expertise in developing and administering standards

for entities providing child welfare services and that accredit only agencies located in that state. Both nonprofit accrediting entities and state accrediting entities must meet any other criteria that the Department may by regulation establish. IAAME is a nonprofit private entity with expertise in developing and administering standards for entities providing child welfare services.

The final rule on accreditation of agencies and approval of persons (22 CFR part 96) was originally published in the **Federal Register** (71 FR 8064–8066, February 15, 2006) and became effective on March 17, 2006. The final rule establishes the regulatory framework for the accreditation and approval function and provides the standards that the designated accrediting entities will follow in accrediting or approving adoption service providers. Under the UAA, adoption service providers working with prospective adoptive parents in non-Convention adoption cases need to comply with the same accreditation requirement and standards that apply in Convention adoption cases.

Angela M Kerwin,

Deputy Assistant Secretary for Overseas Citizens Services, Bureau of Consular Affairs (CA/OCS), U.S. Department of State.

(IAAME), with its principal office located at 5950 NW 1st Place, Suite 300, Gainesville, FL 32607, hereinafter the “Parties,” are entering into this agreement for the purpose of designating Intercountry Adoption Accreditation and Maintenance Entity, Inc. Authorities

The Department enters into this agreement pursuant to Sections 202 and 204 of the IAA, 22 CFR part 96, and Delegation of Authority 261. IAAME has full authority to enter into this MOA under the authorization of IAAME’s Board of Directors.

Definitions

For purposes of this memorandum of agreement, terms used here that are defined in 22 CFR 96.2 shall have the same meaning as they have in 22 CFR 96.2.

The Parties AGREE AS FOLLOWS:

Article 1

Designation of the Accrediting Entity

The Department hereby designates IAAME as an accrediting entity and thereby authorizes it to accredit agencies and approve persons to provide adoption services in intercountry adoption cases, in accordance with the procedures and standards set forth in 22 CFR part 96, and to perform all of the accrediting entity functions set forth in 22 CFR 96.7(a).

Article 2

Responsibilities of the Accrediting Entity

(1) IAAME agrees to perform all accrediting entity functions set forth in 22 CFR 96.7(a) and to perform its functions in accordance with the Convention, the IAA, the Intercountry Adoption Universal Accreditation Act of 2012 (UAA), Public Law 112–276, Part 96 of 22 CFR, and any other applicable regulations, and as additionally specified in this agreement. In performing these functions, IAAME will operate consistent with Department of State policies and written directives regarding U.S. obligations under the Convention and regarding the functions and responsibilities of an accrediting entity under the IAA, UAA, and any other applicable regulations.

(2) IAAME agrees to perform such functions described in paragraph (1) over adoption service providers whose primary office is within its geographical jurisdiction, as assigned by the Department. Jurisdiction will be assigned on the basis of the primary office:

a. As reported by the adoption service provider to the accrediting entity for inclusion in the public adoption service provider directory as of the date this agreement is signed by both parties; or

b. In the case of adoption service providers not accredited or approved as of the date this agreement is signed by both parties, the primary office indicated in the initial application for accreditation or approval.

Any change of primary office or identification of other primary office by an adoption service provider after the date of signature of this agreement will not affect the assignment of jurisdiction.

(3) IAAME will develop and utilize a Department-approved transition plan to accommodate any necessary transfer of work and records between designated AEs operating in jurisdictions not assigned to IAAME.

(4) IAAME will take appropriate staffing, funding, and other measures to allow it to carry out all required accrediting entity functions and responsibilities, and will use the Adoptions Tracking System and the Complaint Registry (ATS/CR) as directed by the Department, including by updating required data fields in a timely fashion. IAAME is permitted to additionally use an independent data collection system of its choice consistent with 22 CFR 96.7(a)(7) and with Department authorization, provided that the use of independent data collection system does not adversely affect IAAME's submission of the required data to the Department using ATS and ATS/CR.

(5) In carrying out its accrediting entity functions, IAAME will:

(a) make decisions on accreditation and approval in accordance with the procedures set forth in 22 CFR part 96 and using only the standards in subpart F of 22 CFR part 96 and the substantial compliance weighting system approved by the Department pursuant to paragraph 4, Article 3 below;

(b) charge applicants for accreditation or approval only fees approved by the Department pursuant to paragraph 3, Article 3 below;

(c) review complaints, including complaints regarding conduct alleged to have occurred outside the United States, in accordance with subpart J of 22 CFR part 96 and additional procedures approved by the Department pursuant to paragraphs 2 (c) and 2 (d) in Article 3, below. IAAME will exercise its discretion in determining which methods are most appropriate to review complaints regarding conduct alleged to have occurred outside the United States, which may, when appropriate, include referring a complaint or other information relating to possible civil or criminal violation of IAA section 404 or other possible criminal activity to the Department and/or other appropriate law enforcement authorities for potential investigation;

(d) take adverse actions against accredited agencies and approved persons in accordance with subpart K of 22 CFR part 96, and cooperate with the Department in any case in which the Department considers exercising its adverse action authorities because the accrediting entity has failed or refused after consultation with the Department

to take what the Department considers to be appropriate enforcement action;

(e) assume full responsibility for defending adverse actions in court proceedings, if challenged by the adoption service provider or the adoption service provider's board or officers;

(f) refer an adoption service provider to the Department for debarment if it concludes after review that the adoption service provider's conduct meets the standards for action by the Secretary set out in 22 CFR 96.85;

(g) promptly report changes in the accreditation or approval status of an adoption service provider to the Department and the relevant state licensing authority;

(h) maintain and use only the procedures approved by the Department and those procedures presented to the Department pursuant to Article 3 of this agreement whenever they apply;

(i) consult with the Department, when needed, to solicit greater clarity regarding the meaning of relevant laws and regulations; and

(j) at the Department's request, share information with the Department to assist the Department in carrying out its responsibilities.

(g) to implement and terminate adverse actions.

(3) *Fee Schedule:*

(a) IAAME will maintain a fee schedule for accreditation and approval services that meets the requirements of 22 CFR 96, and update these, subject to approval by the Department. Fees will be set based on the principle of recovering no more than the full cost, as defined in OMB Circular A-25 paragraph 6(d)(1), of accreditation and approval services. IAAME will maintain a fee schedule developed using this methodology together with comprehensive documentation, and will provide justification of the proposed fees to the Department for the Department's approval.

(b) The approved fee schedule can be amended with the approval of the Department.

(4) *Substantial Compliance Weighting Systems:*

(a) IAAME will maintain and update a substantial compliance weighting system as described in 22 CFR 96 and as approved by the Department.

(b) In maintaining the systems described in paragraph (a) of this section, IAAME will coordinate with any other accrediting entities, and consult with the Department to ensure consistency between the systems used by accrediting entities. IAAME will retain all records related to its accreditation functions and responsibilities in printed or electronic form in accordance with the electronic recordkeeping policy that applies to Federal acquisition contracts under Federal Acquisition Regulation 4.703 for a minimum of 3 years after the termination of IAAME's designation as an accrediting entity, or until any litigation, claim, or audit related to the records filed or noticed within its period of designation is finally terminated, whichever is later. IAAME will be responsible for providing access to and transferring records necessary for another accrediting entity to perform its responsibilities and exercise jurisdiction over adoption service providers previously under the jurisdiction of IAAME.

Article 5

Department Oversight and Monitoring

(1) To facilitate oversight and monitoring by the Department, IAAME will:

(a) provide copies of its forms and other materials to the Department and give Department personnel the opportunity to observe any training sessions;

(c) submit to the Department by a date agreed upon by the Parties an annual declaration signed by the President and Chief Executive Officer confirming that IAAME is complying with the IAA, UAA, 22 CFR part 96, any other applicable regulations, and this agreement in carrying out its functions and responsibilities;

(d) make appropriate senior-level officers available to attend any meetings with the Department upon request;

(f) notify the Department of any requests for information relating to its role as an accrediting entity under the

IAA and UAA or Department functions or responsibilities that it receives from Central Authorities of other countries that are party to the Convention, or any other competent authority (except for routine requests concerning accreditation, or approval status or other information publicly available under subpart M of Part 96), and consult with the Department before releasing such information;

(g) consult immediately with the Department about any issue or event that may affect compliance with the IAA, UAA, or U.S. compliance with obligations under the Convention.

(2) Departmental Approval

Procedures: In all instances in which the Department must approve a policy, system, fee schedule, or procedure before IAAME can bring it into effect or amend it, IAAME will submit the policy, system, fee schedule, or procedure or amendment in writing to the Department via email. Formal approval by the Department will be conveyed in writing by the Deputy Assistant Secretary for Overseas Citizens Services or her or his designee.

(3) *Suspension or Cancellation:* When the Department is considering suspension or cancellation of IAAME's designation:

the Department or referred to the Department because the complainant was not satisfied with IAAME's resolution of the complaint. These complaint procedures may be incorporated into the Department's general procedures for handling instances in which the Department is considering whether a deficiency in the accrediting entity's performance may warrant suspension or cancellation of its designation.

Article 6

Other Issues Agreed By the Parties

(1) Conflict of Interest Provisions:

(a) IAAME shall disclose to the Department the name of any organization of which it is a member that also has as members intercountry adoption service providers. IAAME agrees that it will consult with the Department immediately if it becomes aware of any other legal proceedings related to its acts as an accrediting entity, or of any legal proceedings not related to its acts as an accrediting entity that may

threaten its ability to continue to function as an accrediting entity.

IAAME agrees not to share or disclose any non-public information, including Department of State visa records protected under section 222(f) of the Immigration and Nationality Act (8 U.S.C. 1202(f)), shared with it by the Department, without prior authorization from the Department. IAAME agrees to promptly notify the Department in any cases where it knows or believes that an unauthorized disclosure has taken place.

Article 7

Liaison Between the Department and the Accrediting Entity

(1) IAAME's principal point of contact for communications relating to its functions and duties as an accrediting entity will be the Executive Director, or his or her designate. The Department's principal point of contact for communication is the Chief of the Adoptions Oversight Division, or his or her designate.

(2) The parties will keep each other currently informed in writing of the names and contact information for their principal points of contact. As of the signing of this Agreement, the respective principal points of contact are as set forth in Attachment 1.

(3) IAAME acknowledges that information shared with the Department is subject to disclosure as required by U.S. law and regulations, to the extent that such information appears within an agency record as defined by 5 U.S.C. 552, *et seq.*, is subject to the Freedom of Information Act (FOIA). (b) Nothing in this agreement shall be deemed to be a commitment or obligation to provide any Federal funds.

(c) All accrediting entity functions and responsibilities authorized by this agreement are to occur only during the duration of this agreement.

IAAME's responsibilities under this agreement will continue subject to determination by the Department of jurisdictional boundaries between IAAME and any other designated accrediting entity.

(3) *Duration:* IAAME's designation as an accrediting entity and this agreement shall remain in effect for five years from signature, unless terminated earlier by the Department in conjunction with the suspension or cancellation of the designation of IAAME. The Parties may agree mutually in writing to extend the designation of the accrediting entity and the duration of this agreement. If either Party does not wish to renew the agreement, it must provide written notice no less than one year prior to the termination date, and the Parties will consult to establish a mutually agreed schedule to transfer adoption service providers to another accrediting entity, including by transferring a reasonable allocation of collected fees for the remainder of the accreditation or approval period of such adoption service providers.

(4) *Changed Circumstances:* If unforeseen circumstances arise that will render IAAME unable to continue to perform its duties as an Accrediting Entity, IAAME will immediately inform the Department of State. The Parties will consult and make reasonable efforts to find a solution that will enable IAAME to continue to perform until the end of the contract period. If no such solution can be reached, the contract may be terminated on a mutually agreed date or, if mutual agreement cannot be reached, on not less than 14 months written notice from IAAME.

(5) *Severability*: To the extent that the Department determines, within its reasonable discretion, that any provision of this agreement is inconsistent with the Convention, the IAA, the UAA, the regulations implementing the IAA and UAA, or any other provision of law, that provision of the agreement shall be considered null and void and the remainder of the agreement shall continue in full force and effect as if the offending portion had not been a part of it.
