

United States, we will instruct CBP to liquidate unreviewed entries.¹⁴

Commerce intends to issue assessment instructions to CBP no earlier than 35 days after the date of publication of the final results of this review in the **Federal Register**. If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for a statutory injunction has expired (*i.e.*, within 90 days of publication).

Cash Deposit Requirements

The following cash deposit requirements will be effective upon publication in the **Federal Register** of the notice of final results of administrative review for all shipments of glycine from India entered, or withdrawn from warehouse, for consumption on or after the date of publication as provided by section 751(a)(2)(C) of the Act: (1) the cash deposit rate for companies subject to this review will be equal to the company-specific weighted-average dumping margin established in the final results of the review; (2) for merchandise exported by a company not covered in this review but covered in a prior segment of the proceeding, the cash deposit rate will continue to be the company-specific rate published in the completed segment for the most recent period; (3) if the exporter is not a firm covered in this review, a prior review, or the original investigation but the producer is, the cash deposit rate will be the rate established in the completed segment for the most recent period for the producer of the merchandise; (4) the cash deposit rate for all other producers or exporters will be 7.23 percent, the all-others rate established in the less-than-fair-value investigation, adjusted for the export-subsidy rate in the companion countervailing duty investigation.¹⁵ These cash deposit requirements, when imposed, shall remain in effect until further notice.

Notification to Importers

This notice also serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in

Commerce's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

Notification to Interested Parties

We are issuing and publishing this notice in accordance with sections 751(a)(1) and 777(i)(1) of the Act, and sections 19 CFR 351.213(h)(2) and 19 CFR 351.221(b)(4).

Dated: June 30, 2022.

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: As a result of this expedited sunset review, the Department of Commerce (Commerce) finds that revocation of the antidumping duty (AD) order on aluminum extrusions from the People's Republic of China (China) would be likely to lead to continuation or recurrence of dumping as indicated in the "Final Results of Sunset Review" section of this notice.

DATES: Applicable July 7, 2022.

SUPPLEMENTARY INFORMATION:

Background

On March 1, 2022, Commerce published the notice of initiation of the

second sunset review of the AD order on aluminum extrusions from China,¹ pursuant to section 751(c) of the Tariff Act of 1930, as amended (the Act).² In accordance with 19 CFR 351.218(d)(1)(i) and (ii), Commerce received notice of intent to participate in this sunset review from the Aluminum Extrusions Fair Trade Committee (the domestic interested party), within 15 days after the date of publication of the *Initiation Notice*.³ The domestic interested party claimed interested party status under section 771(9)(E) of the Act and 19 CFR 351.102(b)(29)(vii), as a committee composed of U.S. producers of the domestic like product. The individual committee members claimed interested party status under section 771(9)(C) of the Act and 19 CFR 351.102(b)(29)(v) as U.S. producers of the domestic like product.

Commerce received adequate substantive responses to the *Initiation Notice* from the domestic interested party within the 30-day period specified in 19 CFR 351.218(d)(3)(i).⁴ Commerce received no substantive responses from any respondent interested parties. On April 20, 2022, Commerce notified the U.S. International Trade Commission that it did not receive adequate substantive responses to the respondent interested parties.⁵ As a result, pursuant to section 751(c)(3)(B) of the Act and 19 CFR 351.218(e)(1)(ii)(C)(2), Commerce conducted an expedited (120-day) sunset review of the *Order*.
