The requests are for the transportation of pyrotechnics from June 28 through July 8 of every year from 2022 through 2026.

DATES: Comments must be received on or before August 8, 2022.

To submit your comment online, go to www.regulations.gov and put the docket number ("FMCSA-2021-0052") in the "Keyword" box, and click "Search." When the new screen appears, click on the "Comment Now!" button and type your comment into the text box in the following screen. Choose whether you are submitting your comment as an individual or on behalf of a third party and then submit. If you submit your comments by mail or hand delivery, submit them in an unbound format, no larger than 8½ by 11 inches, suitable for copying and electronic filing. FMCSA will consider all comments and material received during the comment period.

II. Legal Basis

FMCSA has authority under 49 U.S.C. 31136(e) and 31315(b) to grant exemptions from Federal Motor Carrier Safety Regulations (FMCSRs). FMCSA must publish a notice of each exemption request in the **Federal Register** (49 CFR 381.315(a)). The Agency must provide the public an opportunity to inspect the information relevant to the application, including any safety analyses that have been conducted. The Agency must provide an opportunity for public comment on the request.

The Agency reviews safety analyses and public comments submitted and determines whether granting the exemption would likely achieve a level of safety equivalent to, or greater than, the level that would be achieved by the current regulation (49 CFR 381.305). The Agency must publish its decision in the **Federal Register** (49 CFR 381.315(b)) with the reasons for denying or granting the application and, if granted, the name of the person or class of persons receiving the exemption and the regulatory provision from which the exemption is granted. The notice must specify the effective period and explain the terms and conditions of the exemption. The exemption may be renewed (49 CFR 381.300(b)).

III. Applicant's Requests

APA requests renewal of its HOS exemptions from the 14-hour rule in 49 CFR 395.3(a)(2) and the ELD rule in 49 CFR 395.8(a)(1)(i) for 42 of 60 companies included in the 2021 HOS exemptions, which expired on July 8, 2021 [86 FR 34834]. The application also requests the exemptions on behalf of 3 additional companies not included in the 2021 HOS exemptions. A copy of the request and additional correspondence modifying the request are in the docket at the beginning of this notice.

APA member companies have held waivers or exemptions during Independence Day periods each year since 2005. Copies of the initial request

for an exemption, subsequent renewal requests, and all public comments received may be reviewed at www.regulations.gov under docket numbers FMCSA-2005-21104, FMCSA-2007-28043, FMCSA-2018-0140, and FMCSA-2021-0052.

IV. Request for Comments

In accordance with 49 U.S.C. 31315(b), FMCSA requests public comment from all interested persons on APA's application for exemptions from 49 CFR 395.3(a)(2) and 395.8(a)(1)(i). All comments received before the close of business on the comment closing date indicated at the beginning of this notice will be considered and will be available for examination in the docket at the

location listed under the Addresses section of this notice. Comments received after the comment closing date will be filed in the public docket and will be considered to the extent practicable. In addition to late comments, FMCSA will also continue to file, in the public docket, relevant information that becomes available after the comment closing date. Interested persons should continue to examine the public docket for new material.

Associate Administrator for Policy.
