DEPARTMENT OF EDUCATION

Free Application for Federal Student Aid (FAFSA®) Information to be Verified for the 2023–2024 Award Year

AGENCY: Office of Postsecondary Education, Department of Education.

ACTION: Notice.

SUMMARY: For each award year, the Secretary publishes in the **Federal Register** a notice announcing the FAFSA information that an institution and an applicant may be required to verify, as well as the acceptable documentation for verifying FAFSA information. This is the notice for the 2023–2024 award year, Assistance Listing Numbers 84.007, 84.033, 84.063, and 84.268.

If you are deaf, hard of hearing, or have a speech disability and wish to access telecommunications relay services, please dial 7-1-1.

SUPPLEMENTARY INFORMATION: If the Secretary selects an applicant for verification, the applicant’s Institutional Student Information Record (ISIR) includes flags that indicate (1) that the

applicant has been selected by the Secretary for verification and (2) the Verification Tracking Group (VTG) in which the applicant has been placed. The VTG indicates which FAFSA information needs to be verified for the applicant and, if appropriate, for the applicant’s parent(s) or spouse. The Student Aid Report (SAR) provided to the applicant will indicate that the applicant’s FAFSA information has been selected for verification and direct the applicant to contact the institution for further instructions for completing the verification process.

To help institutions and applicants deal with the challenges resulting from the novel coronavirus disease (COVID-19) pandemic, the Secretary has provided flexibilities to the verification regulations through the end of the first payment period that begins after the date that the COVID-19 national emergency is rescinded.

The following chart lists, for the 2023–2024 award year, the FAFSA information that an institution and an applicant and, if appropriate, the applicant’s parent(s) or spouse may be required to verify under 34 CFR 668.56. The chart also lists the acceptable documentation that must, under § 668.57, be provided to an institution for that information to be verified.

FAFSA information	Acceptable documentation
	(Student's ID Number)

¹ This footnote applies, where applicable, whenever an income tax return, the applicable schedules, or transcript is mentioned in the above chart.

The copy of the 2021 income tax return must include the signature of the tax filer, or one of the filers of a joint income tax return, or the signed, stamped, typed, or printed name and address of the preparer of the income tax return and the preparer's Social Security number, Employer Identification Number, or Preparer Tax Identification Number.

For a tax filer who filed an income tax return other than an IRS form, such as a foreign or Puerto Rican tax form, the institution must use the income information (converted to U.S. dollars) from the lines of that form that correspond most closely to the income information reported on a U.S. income tax return.

An individual who did not retain a copy of his or her 2021 tax account information, and for whom that information cannot be located by the IRS or other relevant tax authority, must submit to the institution—

- (a) Copies of all IRS Form W-2s for each source of 2021 employment income or equivalent documents; or
- (b) If the individual is self-employed or filed an income tax return with a government of a U.S. territory or commonwealth or a foreign government, a signed statement certifying the amount of AGI and income taxes paid for tax year 2021; and
- (c) Documentation from the IRS or other relevant tax authority that indicates the individual's 2021 tax account information cannot be located; and
- (d) A signed statement that indicates that the individual did not retain a copy of his or her 2021 tax account information.

If an individual who was the victim of IRS tax-related identity theft is unable to obtain a TRDBV, the institution may accept an equivalent document provided by the IRS or a copy of the signed 2021 income tax return the individual filed with the IRS.

² An individual who is required to submit an IRS Form W-2 or an equivalent document but did not maintain a copy should request a duplicate from the employer who issued the original or from the government agency that issued the equivalent document. If the individual is unable to obtain a duplicate W-2 or an equivalent document in a timely manner, the institution may permit that individual to provide a signed statement, in accordance with 34 CFR 668.57(a)(6), that includes—

- (a) The amount of income earned from work;
- (b) The source of that income; and
- (c) The reason why the IRS Form W-2, or an equivalent document, is not available in a timely manner.

³ For an individual who was called up for active duty or for qualifying National Guard duty during a war or other military operation or national emergency, an institution must accept a statement from the individual certifying that he or she has not filed an income tax return or a request for a filing extension because of that service.

⁴ If an individual is unable to obtain verification of non-filing from the IRS or other relevant tax authority and, based upon the institution's determination, it has no reason to question the student's or family's good-faith effort to obtain the required documentation, the institution may accept a signed statement certifying that the individual attempted to obtain the verification of non-filing from the IRS or other relevant tax authority and was unable to obtain the required documentation.

For IRS extension filers, the signed statement must also indicate that the individual has not filed a 2021 income tax return and list the sources of any 2021 income, and the amount of income from each source.

Since individuals without a Social Security number, an Individual Taxpayer Identification Number, or an Employer Identification Number are unable to obtain a verification of non-filing from the IRS, these individuals whose income is below the IRS filing threshold must submit to the institution a signed and dated statement—

- (a) Certifying that the individual(s) does not have a Social Security number, an Individual Taxpayer Identification Number, or an Employer Identification Number; and
- (b) Listing the sources and amounts of earnings, other income, and resources that supported the individual(s) for the 2021 tax year.

⁵ An unexpired valid government-issued photo identification is one issued by the U.S. government, any of the 50 States, the District of Columbia, the Commonwealth of Puerto Rico, a federally recognized American Indian and Alaska Native Tribe, American Samoa, Guam, the Virgin Islands, the Commonwealth of the Northern Mariana Islands, the Republic of the Marshall Islands, the Federated States of Micronesia, or the Republic of Palau.

Verification Requirements for Individuals Who Are Eligible for an Auto-Zero Expected Family Contribution (EFC)

Only the following FAFSA/ISIR information must be verified:

- For dependent students—
 - The parents' AGI if the parents were tax filers;
 - The parents' income earned from work if the parents were non-tax filers; and
 - The student's identity/statement of educational purpose, if required.
- For independent students—

- The student's and spouse's AGI if they were tax filers;
 - The student's and spouse's income earned from work if they were non-tax filers;
 - The student's identity/statement of educational purpose, if required; and
 - The number of household members to determine if the independent student has one or more dependents other than a spouse.
- Note:* Verification of non-filing⁴ from the IRS (or other relevant tax authority, if applicable) dated on or after October 1, 2022, must be provided for (1)

independent students (and spouses, if applicable) and parents of dependent students who did not file and are not required to file a 2021 income tax return, and (2) individuals who are required to file a 2021 IRS income tax return but have not filed because they have been granted a tax filing extension by the IRS beyond the automatic 6-month extension for the 2021 tax year.

The individual FAFSA items that an applicant must verify are based upon the Verification Tracking Group to which the applicant is assigned as outlined in the following chart.

Draft Supplemental Environmental Impact Statement for the Long-Term Management and Storage of Elemental Mercury

AGENCY: Office of Environmental Management, Department of Energy.

ACTION: Notice of availability.

SUMMARY: The U.S. Department of Energy (DOE) announces the availability of the second Draft Long-Term Management and Storage of Elemental Mercury Supplemental Environmental Impact Statement (Draft Mercury Storage SEIS–II, DOE/EIS–0423–S2D) for public comment. As required by the *Mercury Export Ban Act of 2008* and the 2016 *Frank R. Lautenberg Chemical Safety for the 21st Century Act* (all together referred to as MEBA), DOE proposes to identify an existing facility or facilities for the long-term management and storage of elemental mercury generated within the United States. To this end, DOE issued the

Final Environmental Impact Statement for the Long-Term Management and Storage of Elemental Mercury (Mercury Storage EIS, DOE/EIS–0423, January 2011) and the first *Final Long-Term Management and Storage of Elemental Mercury Supplemental Environmental Impact Statement* (Mercury Storage SEIS, DOE/EIS–0423–S1, September 2013), which analyzed reasonable alternatives, in accordance with the *National Environmental Policy Act* (NEPA), for locating and developing such a facility. On May 24, 2021, DOE announced its intent to prepare a second supplement to the Mercury Storage EIS to update these previous analyses of potential environmental impacts and analyze additional alternatives, in accordance with NEPA.

DATES: DOE invites public comment on this Draft Mercury Storage SEIS–II during a 45-day public comment period, which commences with the publication of this Notice in the **Federal Register** and continues until August 22, 2022. In preparing the Final Mercury Storage SEIS–II, DOE will consider all comments received by that date. Comments received after that date will be considered to the extent practicable. DOE will hold two web-based public hearings via Zoom. The hearings will cover the same material. The first hearing will be held on August 2, 2022, from 12:00 p.m. to 2:00 p.m. EDT. The second hearing will be held on August 4, 2022, from 1:00 p.m. to 3:00 p.m. EDT. See Section V, “Public Participation,” for further information on the public comment process and the web-based hearings.
