(a) A copy of the IRS's approval of an extension beyond the automatic six-month extension for tax year 2021;
(b) Verification of non-filing from the IRS dated on or after October 1, 2022;
(c) A copy of IRS Form W–2 for each source of 2021 employment income received or an equivalent document; and
(d) If self-employed, a signed statement certifying the amount of AGI and U.S. income tax paid for tax year 2021.

Note: An institution may require that, after the income tax return is filed, an individual granted a filing extension beyond the automatic 6-month extension submit tax information using the IRS Data Retrieval Tool, by obtaining a transcript from the IRS, or by submitting a copy of the income tax return and the applicable schedules that were filed with the IRS that lists 2021 tax account information. When an institution receives such information, it must be used to reverify the income and tax information reported on the FAFSA.

(3) For an individual who was the victim of IRS tax-related identity theft—
(a) A Tax Return DataBase View (TRDBV) transcript obtained from the IRS; and
(b) A statement signed and dated by the tax filer indicating that he or she was a victim of IRS tax-related identity theft and that the IRS has been made aware of the tax-related identity theft.

Note: Tax filers may inform the IRS of the tax-related identity theft and obtain a TRDBV transcript by calling the IRS’s Identity Protection Specialized Unit (IPSU) at 1–800–908–4490. Unless the institution has reason to suspect the authenticity of the TRDBV transcript provided by the IRS, a signature or stamp or any other validation from the IRS is not needed.

(4) For an individual who filed an amended income tax return with the IRS, a signed copy of the IRS Form 1040X that was filed with the IRS for tax year 2021 or documentation from the IRS that include the change(s) made to the tax filer’s 2021 tax information, in addition to one of the following—

(b) A transcript obtained from the IRS that lists 2021 tax account information of the tax filer(s); or
(c) A signed copy of the 2021 IRS Form 1040 and the applicable schedules that were filed with the IRS.

For an individual who has not filed and, under IRS or other relevant tax authority rules (e.g., the Republic of the Marshall Islands, the Republic of Palau, the Federated States of Micronesia, a U.S. territory or commonwealth or a foreign government), is not required to file a 2021 income tax return—

(1) A signed statement certifying—
(a) That the individual has not filed and is not required to file a 2021 income tax return; and
(b) The sources of 2021 income earned from work and the amount of income from each source;
(2) A copy of IRS Form W–2 for each source of 2021 employment income received or an equivalent document; and
(3) Except for dependent students, verification of non-filing from the IRS or other relevant tax authority dated on or after October 1, 2022.

A statement signed by the applicant and, if the applicant is a dependent student, by one of the applicant’s parents, that lists the name and age of each household member for the 2023–2024 award year and the relationship of that household member to the applicant.

Note: Verification of number of household members is not required if—
- For a dependent student, the household size indicated on the ISIR is two and the parent is single, separated, divorced, or widowed, or the household size indicated on the ISIR is three if the parents are married or unmarried and living together; or
- For an independent student, the household size indicated on the ISIR is one and the applicant is single, separated, divorced, or widowed, or the household size indicated on the ISIR is two if the applicant is married.

| Number in College                                      | (1) A statement signed by the applicant and, if the applicant is a dependent student, by one of the applicant’s parents listing the name and age of each household member, excluding the parents, who is or will be attending an eligible postsecondary educational institution as at least a half-time student in the 2023–2024 award year in a program that leads to a degree or certificate and the name of that educational institution.  
(2) If an institution has reason to believe that the signed statement provided by the applicant regarding the number of household members enrolled in eligible postsecondary institutions is inaccurate, the institution must obtain documentation from each institution named by the applicant that the household member in question is, or will be, attending on at least a half-time basis unless—  
(a) The applicant’s institution determines that such documentation is not available because the household member in question has not yet registered at the institution the household member plans to attend; or  
(b) The institution has documentation indicating that the household member in question will be attending the same institution as the applicant.  
Note: Verification of the number of household members in college is not required if the number in college indicated on the ISIR is “1.” |

Identity/Statement of Educational Purpose               | (1) An applicant must appear in person and present the following documentation to an institutionally authorized individual to verify the applicant’s identity:  
(a) An unexpired valid government-issued photo identification such as, but not limited to, a driver’s license, non-driver’s identification card, other State-issued identification, or U.S. passport. The institution must maintain an annotated copy of the unexpired valid government-issued photo identification that includes—  
i. The date the identification was presented; and  
ii. The name of the institutionally authorized individual who reviewed the identification; and  
(b) A signed statement using the exact language as follows, except that the student’s identification number is optional if collected elsewhere on the same page as the statement:  
Statement of Educational Purpose  
I certify that I am  
(Print Student’s Name)  
the individual signing this Statement of Educational Purpose and that the Federal student financial assistance I may receive will only be used for educational purposes and to pay the cost of attending for 2023–2024.  
(Name of Postsecondary Educational Institution)  
(Student’s Signature) (Date)  
(Student’s ID Number)  
(2) If an institution determines that an applicant is unable to appear in person to present an unexpired valid government-issued photo identification and execute the Statement of Educational Purpose, the applicant must provide the institution with—  
(a) A copy of an unexpired valid government-issued photo identification such as, but not limited to, a driver’s license, non-driver’s identification card, other State-issued identification, or U.S. passport that is acknowledged in a notary statement or that is presented to a notary; and  
(b) An original notarized statement signed by the applicant using the exact language as follows, except that the student’s identification number is optional if collected elsewhere on the same page as the statement:  
Statement of Educational Purpose  
I certify that I am  
(Print Student’s Name)  
the individual signing this Statement of Educational Purpose and that the Federal student financial assistance I may receive will only be used for educational purposes and to pay the cost of attending for 2023–2024.  
(Name of Postsecondary Educational Institution)  
(Student’s Signature) (Date)  
(Student’s ID Number) |
The copy of the 2021 income tax return must include the signature of the tax filer, or one of the filers of a joint income tax return, or the signed, stamped, typed, or printed name and address of the preparer of the income tax return and the preparer’s Social Security number, Employer Identification Number, or Preparer Tax Identification Number.

For an individual who was called up for active duty or for qualifying National Guard duty during a war or other military operation or national emergency, it has no reason to question the student’s or family’s good-faith effort to obtain the required documentation, the institution may accept a filing extension because of that service.

An individual who did not retain a copy of his or her 2021 tax account information, and for whom that information cannot be located by the IRS or other relevant tax authority, must submit to the institution—

(a) Copies of all IRS Form W–2s for each source of 2021 employment income or equivalent documents; or

(b) If the individual is self-employed or filed an income tax return with a government of a U.S. territory or commonwealth or a foreign government, a signed statement certifying the amount of AGI and income taxes paid for tax year 2021; and

(c) Documentation from the IRS or other relevant tax authority that indicates the individual’s 2021 tax account information cannot be located; and

(d) A signed statement that indicates that the individual did not retain a copy of his or her 2021 tax account information.

For IRS extension filers, the signed statement must also indicate that the individual has not filed a 2021 income tax return and list the sources of any 2021 income, and the amount of income from each source.

Since individuals without a Social Security number, an Individual Taxpayer Identification Number, or an Employer Identification Number are unable to obtain a TRDBV, the institution may accept an equivalent document provided by the IRS or a copy of the signed 2021 income tax return the individual filed with the IRS.

An individual who is required to submit an IRS Form W–2 or an equivalent document but did not maintain a copy should request a duplicate from the employer who issued the original or from the government agency that issued the equivalent document. If the individual is unable to obtain a duplicate W–2 or an equivalent document in a timely manner, the institution may permit that individual to provide a signed statement, in accordance with 34 CFR 668.57(a)(6), that includes—

(a) The amount of income earned from work;

(b) The source of that income; and

(c) The reason why the IRS Form W–2, or an equivalent document, is not available in a timely manner.

For an individual who was called up for active duty or for qualifying National Guard duty during a war or other military operation or national emergency, an institution must accept a statement from the individual certifying that he or she has not filed an income tax return or a request for a filing extension because of that service.

If an individual is unable to obtain verification of non-filing from the IRS or other relevant tax authority and, based upon the institution’s determination, it has no reason to question the student’s or family’s good-faith effort to obtain the required documentation, the institution may accept a signed statement certifying that the individual attempted to obtain the verification of non-filing from the IRS or other relevant tax authority and was unable to obtain the required documentation.

For IRS extension filers, the signed statement must also indicate that the individual has not filed a 2021 income tax return and list the sources of any 2021 income, and the amount of income from each source.

Note: Verification of non-filing from the IRS (or other relevant tax authority, if applicable) dated on or after October 1, 2022, must be provided for (1) independent students (and spouses, if applicable) and parents of dependent students who did not file and are not required to file a 2021 income tax return, and (2) individuals who are required to file a 2021 income tax return but have not filed because they have been granted a tax filing extension by the IRS beyond the automatic 6-month extension for the 2021 tax year.

An unexpired valid government-issued photo identification is one issued by the U.S. government, any of the 50 States, the District of Columbia, the Commonwealth of Puerto Rico, a federally recognized American Indian and Alaska Native Tribe, American Samoa, Guam, the Virgin Islands, the Commonwealth of the Northern Mariana Islands, the Republic of the Marshall Islands, the Federated States of Micronesia, or the Republic of Palau.

2 An individual who is required to submit an IRS Form W–2 or an equivalent document but did not maintain a copy should request a duplicate from the employer who issued the original or from the government agency that issued the equivalent document. If the individual is unable to obtain a duplicate W–2 or an equivalent document in a timely manner, the institution may permit that individual to provide a signed statement, in accordance with 34 CFR 668.57(a)(6), that includes—

(a) The amount of income earned from work;

(b) The source of that income; and

(c) The reason why the IRS Form W–2, or an equivalent document, is not available in a timely manner.

3 For an individual who was called up for active duty or for qualifying National Guard duty during a war or other military operation or national emergency, an institution must accept a statement from the individual certifying that he or she has not filed an income tax return or a request for a filing extension because of that service.

4 If an individual is unable to obtain verification of non-filing from the IRS or other relevant tax authority and, based upon the institution’s determination, it has no reason to question the student’s or family’s good-faith effort to obtain the required documentation, the institution may accept a signed statement certifying that the individual attempted to obtain the verification of non-filing from the IRS or other relevant tax authority and was unable to obtain the required documentation.

5 For an individual who was called up for active duty or for qualifying National Guard duty during a war or other military operation or national emergency, an institution must accept a statement from the individual certifying that he or she has not filed an income tax return or a request for a filing extension because of that service.
