CONSUMER PRODUCT SAFETY COMMISSION

[Docket No. CPSC-2012-0054]

Agency Information Collection Activities; Submission for OMB Review; Comment Request; Safety Standard for Automatic Residential Garage Door Operators

AGENCY: Consumer Product Safety Commission.

ACTION: Notice.

SUMMARY: As required by the Paperwork Reduction Act of 1995, the Consumer Product Safety Commission (CPSC, or Commission) announces that the Commission has submitted to the Office of Management and Budget (OMB) a request for extension of approval for information collection requirements regarding notifications under the safety standard for automatic residential garage door operators. OMB previously approved the collection of information under OMB Control No. 3041-0125. On May 5, 2022, CPSC published a notice in the **Federal Register** to announce the agency's intention to seek extension of approval of the collection of information. The Commission received no comments. Therefore, by publication of this notice, the Commission announces that CPSC has submitted to the OMB a request for extension of approval of this collection of information.

DATES: Submit written or electronic comments on the collection of information by August 15, 2022.

ADDRESSES: Written comments and recommendations for the proposed information collection should be sent within 30 days of publication of this notice to: www.reginfo.gov/public/do/PRAMain. Find this particular information collection by selecting "Currently under 30-day Review—Open for Public Comments" or by using the search function. In addition, written comments that are sent to OMB also should be submitted electronically at: <http://www.regulations.gov>, under Docket No. CPSC-2012-0054.

FOR FURTHER INFORMATION CONTACT: Cynthia Gillham, Consumer Product Safety Commission, 4330 East West Highway, Bethesda, MD 20814; (301) 504-7991, or by email to: cgillham@cpsc.gov.

SUPPLEMENTARY INFORMATION: On May 5, 2022, CPSC published a notice in the **Federal Register** to announce the agency's intention to seek extension of approval of the collection of information. 87 FR 26738. The

Commission received no comments. Accordingly, CPSC seeks renewal approval for the following collection of information:

Title: Safety Standard for Automatic Residential Garage Door Operators.

OMB Number: 3041–0125.

Type of Review: Renewal of collection.

Frequency of Response: On occasion.

Affected Public: Manufacturers and importers of automatic residential garage door operators.

Estimated Number of Respondents: An estimated 17 firms that conduct performance tests and maintain records based on the test results to retain UL certification and verify compliance with the rule.

Estimated Time per Response: Based on staff's review of industry sources, each respondent will spend an estimated 40 hours annually on the collection of information related to the rule.

Total Estimated Annual Burden: 680 hours (17 firms × 40 hours).

General Description of Collection: On December 22, 1992, the Commission issued rules prescribing requirements for a reasonable testing program to support certificates of compliance with the Safety Standard for Automatic Residential Garage Door Operators (57 FR 60449). These regulations also require manufacturers, importers, and private labelers of residential garage door operators to establish and maintain records to demonstrate compliance with the requirements for testing to support certification of compliance. 16 CFR part 1211, subparts B and C.

Alberta E. Mills,

Secretary, Consumer Product Safety Commission.

[Docket No. CPSC–2012–0026]

Agency Information Collection Activities; Submission for OMB Review; Comment Request; Requirements Pertaining to Third Party Conformity Assessment Bodies

AGENCY: Consumer Product Safety Commission.

ACTION: Notice.

SUMMARY: As required by the Paperwork Reduction Act of 1995, the Consumer Product Safety Commission (CPSC, or Commission) announces that it has submitted a request for extension of

approval for information collection requirements to the Office of Management and Budget (OMB). The request concerns notification requirements pertaining to third party conformity assessment bodies. OMB previously approved the collection of information under OMB Control No. 3041–0156. On May 5, 2022, CPSC published a notice in the **Federal Register** to announce the agency's intention to seek extension of approval of the collection of information. The Commission received no comments. Therefore, by publication of this notice, the Commission announces that CPSC has submitted to the OMB a request for extension of approval of this collection of information.

DATES: Submit written or electronic comments on the collection of information by August 15, 2022.

FOR FURTHER INFORMATION CONTACT: Cynthia Gillham, Consumer Product Safety Commission, 4330 East West Highway, Bethesda, MD 20814; (301) 504–7991, or by email to: cgillham@cpsc.gov.

SUPPLEMENTARY INFORMATION: On May 5, 2022, CPSC published a notice in the **Federal Register** to announce the agency's intention to seek extension of approval of the collection of information. 87 FR 26738. The Commission received no comments. Accordingly, CPSC seeks renewal approval for the following collection of information:

Title: Notification Requirements Pertaining to Third Party Conformity Assessment Bodies.

OMB Number: 3041–0156.

Type of Review: Renewal of collection.

Frequency of Response: On occasion.

Affected Public: Third party conformity assessment bodies seeking acceptance of accreditation or continuing accreditation.

Estimated Burden:

- *New Applications from Third Party Conformity Assessment Bodies*
 - We estimate approximately 40 new applications from independent third

party conformity assessment bodies will be submitted per year, each taking an estimated 75 minutes to complete the initial application materials, with an estimated burden of 50 hours per year.

- We estimate approximately 3 firewalled third party conformity assessment bodies will apply per year, each taking an estimated 8.4 hours to complete the initial application materials, with an estimated burden of 25.2 hours per year.

- We estimate approximately 4 governmental third party conformity assessment bodies will apply per year, each taking an estimated 3 hours to complete the initial application materials, with an estimated burden of 12 hours per year.

- *Third party conformity assessment bodies updating information*

- We estimate that approximately 1 percent of third party conformity assessment bodies will take 15 minutes to update information for only those elements of information that need updating, with an estimated burden of 1.5 hours per year.

- *Third party conformity assessment bodies that subcontracts out tests*

- We estimate that approximately 25 percent of third party conformity assessment bodies provide subcontracted testing and it will take 7 minutes to comply with the subcontracting recordkeeping requirement for an estimated 76,410 subcontracted tests, yielding an estimated burden of approximately 8,915 hours per year.

- *Third party conformity assessment bodies that voluntarily withdraw*

- We estimate approximately 8 third party conformity assessment bodies will withdraw yearly, taking an estimated 30 minutes to create and submit the required documentation, with an estimated burden of 4 hours per year.

- *Third party conformity assessment bodies that are audited*

- We estimate that approximately 253 independent third party conformity assessment bodies each year will be audited, taking approximately 4 minutes to resubmit their Form 223 and accreditation certificate, with an estimated burden of 17 hours per year.

- We estimate that approximately 21 firewalled third party conformity assessment bodies will spend 226 minutes collecting and preparing the documentation to submit for an audit, with estimated burden of about 79 hours per year.

- We estimate approximately 30 governmental third party conformity assessment bodies will spend 1 hour
