SUPPLEMENTARY INFORMATION:
Title of Collection: Veterinary Medicine Loan Repayment Program (VMLRP).

OMB Control Number: 0524–0050.
Expiration Date of Current Approval: 12/31/2022.

Type of Request: Notice of intent to extend and revise a currently approved information collection.

NIFA is requesting a three-year extension for the current collection entitled “Veterinary Medicine Loan Repayment Program.”

NIFA is also proposing to update the VMLRP application forms to ensure that they align with the VMLRP loan repayment and awardee requirements as found in 7 U.S.C. 3151a and 7 CFR 3431, as well as updated VMLRP program policies as outlined in NIFA–21–015 VMLRP Program Guidance Manual (March 2021).

Abstract: In January 2003, the National Veterinary Medical Services Act (NVMSA) was passed into law adding section 1415A to the National

Agricultural Research, Extension, and Teaching Policy Act of 1997. This law established a new Veterinary Medicine Loan Repayment Program (VMLRP) (7 U.S.C. 3151a) authorizing the Secretary of Agriculture to carry out a program of entering into agreements with veterinarians under which they agree to provide veterinary services in veterinarian shortage situations. The purpose of the program is to ensure an adequate supply of trained food animal veterinarians in shortage situations.

NIFA is requesting to extend and modify a currently approved information collection. NIFA will collect information from current and former VMLRP participants and State Animal Health Officials. NIFA will use this information to assess the VMLRP program and to improve oversight of the program. Each form has been updated to align with the VMLRP loan repayment and awardee requirements as found in 7 U.S.C. 3151a and 7 CFR 3431, as well as updated VMLRP program policies. The surveys have been modified based on stakeholder input to maximize the impact of feedback collected and minimize the burden of responding for State Animal Health Officials, applicants, and participants of the VMLRP.
