SUPPLEMENTARY INFORMATION:

Temporary Adjustments Authorized Under the Keep Kids Feed Act of 2022

Child and Adult Care Food Program institutions face continued challenges related to the COVID-19 pandemic. To help alleviate some of those challenges, Section 3 of the Keep Kids Fed Act of 2022 (Public Law 117-158) provides temporary additional funding for each meal and supplement served. This additional reimbursement amount will be available beginning July 1, 2022 and ending on June 30, 2023. The law temporarily provides an additional reimbursement in the amount of 10 cents for each meal and supplement served under the program authorized by section 17 of the Richard B. Russell National School Lunch Act (42 U.S.C. 1766). Additionally, the Keep Kids Fed Act of 2022 (Public Law 117-158) authorized a tier II family or group day care home described in subsection (f)(3)(A)(iii) of section 17 of the Richard B. Russell National School Lunch Act (42 U.S.C. 1766) to be considered a tier I family or group day care home for purposes of the program authorized under that section for the same period. This temporary measure will provide tier II homes with tier I reimbursement rates only for the time period beginning July 1, 2022 and ending on June 30, 2023.

Background

Pursuant to sections 4, 11, and 17 of the Richard B. Russell National School Lunch Act (42 U.S.C. 1753, 1759a and 1766), section 4 of the Child Nutrition Act of 1966 (42 U.S.C. 1773) and 7 CFR 226.4, 226.12 and 226.13 of the Program regulations, notice is hereby given of the new payment rates for institutions participating in the Child and Adult Care Food Program (CACFP). As provided for under the law, all rates in the CACFP must be revised annually, on July 1, to reflect changes in the Consumer Price Index (CPI), published by the Bureau of Labor Statistics of the United States Department of Labor, for the most recent 12-month period. These rates are in effect during the period July 1, 2022 through June 30, 2023.

Adjusted Payments

The following national average payment factors and food service payment rates for meals and snacks are in effect from July 1, 2022 through June 30, 2023. All amounts are expressed in

dollars or fractions thereof. Due to a higher cost of living, the reimbursements for Alaska and Hawaii are higher than those for all other States. The District of Columbia, Virgin Islands, Puerto Rico, and Guam use the figures specified for the contiguous States. These rates do not include the value of USDA Foods or cash-in-lieu of USDA Foods, which institutions receive as additional assistance for each lunch or supper served to participants under the Program. A notice announcing the value of USDA Foods and cash-in-lieu of USDA Foods is published separately in the **Federal Register**.
