

On February 24, 2022, the Commission instituted proceedings pursuant to Rule 608(b)(2)(i) of Regulation NMS,⁷ to determine whether to approve or disapprove the Proposed Amendment or to approve the Proposed Amendment with any changes or subject to any conditions the Commission deems necessary or appropriate after considering public comment.⁸ On May 19, 2022, pursuant to Rule 608(b)(2)(i) of Regulation NMS,⁹ the Commission extended the period within which to conclude proceedings regarding the Proposed Amendment to 240 days from the date of publication of the Notice.¹⁰

Rule 608(b)(2)(ii) of Regulation NMS provides that the time for conclusion of proceedings to determine whether a national market system plan or proposed amendment should be disapproved may be extended for an additional period up to 60 days (up to 300 days from the date of notice publication) if the Commission determines that a longer period is appropriate and publishes the reasons for such determination or the plan participants consent to the longer period.¹¹ The 240th day after publication of the Notice for the Proposed Amendment is July 24, 2022. The Commission is extending this 240-day period.

The Commission finds that it is appropriate to designate a longer period within which to conclude proceedings regarding the Proposed Amendment so that it has sufficient time to consider the Proposed Amendment and comments received. Accordingly, pursuant to Rule 608(b)(2)(ii) of Regulation NMS,¹² the Commission designates September 22, 2022, as the date by which the Commission shall conclude the proceedings to determine whether to approve or disapprove the Proposed Amendment or to approve the Proposed Amendment with any changes or subject to any conditions the Commission deems necessary or appropriate (File No. S7-24-89).

(“Notice”). Comments received in response to the Proposed Amendment are available at <https://www.sec.gov/comments/s7-24-89/s72489.htm>.

SOCIAL SECURITY ADMINISTRATION

[Docket No. SSA-2022-0034]

Interventional Cooperative Agreement Program (ICAP)

AGENCY: Social Security Administration (SSA).

ACTION: Announcement of funding opportunity, the Interventional Cooperative Agreement Program (ICAP).

SUMMARY: We are announcing a newly opened funding opportunity, the fiscal year (FY) 2022 application period of the Interventional Cooperative Agreement

Program (ICAP). The purpose of this program is to allow us to enter into cooperative agreements to collaborate with States, foundations, and other non-Federal groups and organizations who have the interest and ability to identify, operate, and partially fund interventional research. The Request for Applications is now open on [Grants.gov](https://www.grants.gov).

FOR FURTHER INFORMATION CONTACT: Dionne Mitchell, Grant Officer, Office of Acquisition and Grants, Social Security Administration, Telephone: (410) 965-9534, or send an email to Grants.Team@ssa.gov (indicate "ICAP Inquiry" in subject line).

SUPPLEMENTARY INFORMATION: ICAP provides a process through which we can systematically solicit and review proposals from outside organizations (including States, foundations, and other non-Federal groups and organizations) and enter into cooperative agreements with them for collaboration on interventional research. We hope to benefit from and collaborate with local, external knowledge about potential interventions relevant to individuals who receive Social Security Disability Insurance (SSDI) or Supplemental Security Income (SSI) benefits. ICAP priority research topics are as follows:

- Eliminating the structural barriers in the labor market, including for racial, ethnic, or other underserved communities, including people with disabilities, in order to decrease the likelihood of people needing to receive or apply for SSDI or SSI benefits;
- Promoting self-sufficiency by helping people, including youth, enter, stay in, or return to the labor force;
- Coordinating planning between private and public human services agencies to improve the administration and effectiveness of the SSDI, SSI, and related programs;
- Assisting claimants in underserved communities to apply for or appeal determinations or decisions on claims for SSDI and SSI benefits; and
- Conducting outreach to people with disabilities who are potentially eligible to receive SSI.

For more information, please see the Request for Applications for funding opportunity FO# ICAP-ICAP-22-001 on [Grants.gov](https://www.grants.gov).
