Your request should state that comment submissions are not routinely edited to remove such information before making the comment submissions available to the public or entering the comment into ADAMS.

II. Background

Under the provisions of the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35), the NRC recently submitted a request for renewal of an existing collection of information to OMB for review entitled, "Packaging and Transportation of Radioactive Material." The NRC hereby informs potential respondents that an agency may not conduct or sponsor, and that a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.

The NRC published a **Federal Register** notice with a 60-day comment period on this information collection on March 15, 2022 (87 FR 14587).

1. *The title of the information collection:* 10 CFR part 71 "Packaging and Transportation of Radioactive Material."
2. *OMB approval number:* 3150-0008.
3. *Type of submission:* Extension.
4. *The form number, if applicable:* Not applicable.
5. *How often the collection is required or requested:* On occasion. Application for package certification may be made at any time. Required reports are collected and evaluated on a continuous basis as events occur.
6. *Who will be required or asked to respond:* All NRC specific licensees who place byproduct, source, or special nuclear material into transportation, and all persons who wish to apply for NRC approval of package designs for use in such transportation.
7. *The estimated number of annual responses:* 611.
8. *The estimated number of annual respondents:* 225.

9. *The estimated number of hours needed annually to comply with the information collection requirement or request:* 30,619 hours (25,913 hours reporting + 4,575 hours recordkeeping + 131 hours third-party disclosure).

10. *Abstract:* The NRC regulations in 10 CFR part 71 establish requirements for packaging, preparation for shipment, and transportation of licensed material, and prescribe procedures, standards, and requirements for approval by NRC of packaging and shipping procedures for fissile material and for quantities of licensed material in excess of Type A

quantities. The NRC collects information pertinent to 10 CFR part 71 for three reasons: to issue a package approval; to ensure that any incidents or package degradation or defect are appropriately captured, evaluated and if necessary, corrected to minimize future potential occurrences; and to ensure that all activities are completed using an NRC-approval quality assurance program.

Dated: July 26, 2022.

For the Nuclear Regulatory Commission.

Kristen E. Benney,

Acting NRC Clearance Officer, Office of the Chief Information Officer.

BILLING CODE 7590-01-P

SECURITIES AND EXCHANGE COMMISSION

[SEC File No. 270-93, OMB Control No. 3235-0087]

Submission for OMB Review; Comment Request: Extension: Rule 15Bc3-1 and Form MSDW, Withdrawal From Registration of Municipal Securities Dealers

Upon Written Request, Copies Available From: Securities and Exchange Commission, Office of FOIA Services, 100 F Street NE, Washington, DC 20549-2736

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 ("PRA") (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission ("Commission") has submitted to the Office of Management and Budget ("OMB") a request for approval of extension of the previously approved collection of information provided for in Rule 15Bc3-1 (17 CFR 240.15Bc3-1) and Form MSDW (17 CFR 249.1110) under the Securities Exchange Act of 1934 (15 U.S.C. 78a *et seq.*).

Rule 15Bc3-1 provides that a notice of withdrawal from registration with the Commission as a bank municipal securities dealer must be filed on Form MSDW. The Commission uses the information contained in Form MSDW in determining whether it is in the public interest to permit a bank municipal securities dealer to withdraw its registration. This information is also important to the municipal securities dealer's customers and to the public because it provides, among other things, the name and address of a person to contact regarding any of the municipal securities dealer's unfinished business.

Based upon past submissions of two filings in 2019, zero filings in 2020, zero filings in 2021, and zero filings so far in

2022, the Commission estimates that approximately one respondent will use Form MSDW annually, with a total hour burden for all respondents of approximately 1 hour per year (0.5 hours rounded up to 1 hour). This estimate is based on the Commission staff's experience in administering the form. The form is available from the Commission, and can usually be completed by checking appropriate boxes and writing the name and address of the bank municipal securities dealer, and the name and address of the person who has or will have custody of the bank municipal securities dealer's books and records. The staff estimates that the average internal compliance cost per hour is approximately \$406.¹ Therefore, the estimated total annual internal cost of compliance is approximately \$203 per year (0.5 hours/year × \$406/hour = \$203/year).

Rule 15Bc3-1 does not contain an explicit recordkeeping requirement, but the instructions for filing Form MSDW state that an exact copy should be retained by the registrant. Providing the information on the application is mandatory in order to withdraw from registration with the Commission as a bank municipal securities dealer. The information contained in the notice will not be kept confidential.

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information under the PRA unless it displays a currently valid OMB control number.

The public may view background documentation for this information collection at the following website: www.reginfo.gov. Find this particular information collection by selecting "Currently under 30-day Review—Open for Public Comments" or by using the search function. Written comments and recommendations for the proposed information collection should be sent by August 29, 2022 to (i) www.reginfo.gov/public/do/PRAMain and (ii) David Bottom, Director/Chief Information Officer, Securities and Exchange Commission, c/o John Pezzullo, 100 F Street NE, Washington, DC 20549, or by sending an email to: PRA_Mailbox@sec.gov.

¹ The estimate of \$406 per hour is for a compliance attorney, based on the Securities Industry and Financial Markets Association's Management & Professional Earnings in the Securities Industry 2013, modified by Commission staff to account for an 1800-hour work-year and inflation, and multiplied by 5.35 to account for bonuses, firm size, employee benefits and overhead.

July 25, 2022.

J. Matthew DeLesDernier,
Deputy Secretary.

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34–95361; File No. SR–NYSECHX–2022–17]

Self-Regulatory Organizations; NYSE Chicago, Inc.; Notice of Filing and Immediate Effectiveness of Proposed Rule Change To Amend Its Fee Schedule

July 25, 2022.

Pursuant to Section 19(b)(1)¹ of the Securities Exchange Act of 1934 (“Act”)² and Rule 19b–4 thereunder,³ notice is hereby given that, on July 12, 2022, the NYSE Chicago, Inc. (“NYSE Chicago” or the “Exchange”) filed with the Securities and Exchange Commission (the “Commission”) the proposed rule change as described in Items I and II below, which Items have been prepared by the self-regulatory organization. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to amend its Fee Schedule (the “Fee Schedule”) related to colocation to remove obsolete text. The proposed rule change is available on the Exchange’s website at www.nyse.com, at the principal office of the Exchange, and at the Commission’s Public Reference Room.

II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of those statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant parts of such statements.

A. Self-Regulatory Organization’s Statement of the Purpose of, and the Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to amend its Fee Schedule related to colocation to remove obsolete text.⁴

(1) Proposal To Change Names of Select Third Party Systems and Third Party Data Feeds

As set forth in the Fee Schedule, the Exchange charges fees for connectivity to the execution systems of third party markets and other content service providers (“Third Party Systems”), and data feeds from third party markets and other content service providers (“Third Party Data Feeds”).⁵ The lists of Third Party Systems and Third Party Data Feeds are set forth in the Fee Schedule.

The Exchange proposes to amend the list of Third Party Systems in the Fee Schedule to reflect the following updated names for existing Third Party Systems:

- Change the name of the “Miami International Securities Exchange” to “MIAX Options,” and
 - Change the name of the “MIAX PEARL” to “MIAX PEARL Options.”
- The Exchange also proposes to amend the list of Third Party Data Feeds in the Fee Schedule to reflect the following updated names for existing Third Party Data Feeds:
- Change the name “Miami International Securities Exchange/MIAX PEARL” to “MIAX Options/MIAX PEARL Options;” and
 - Change “SR Labs—SuperFeed” data feeds to “Vela—SuperFeed,” to reflect the content provider’s recent change to the name of these products.

This change would update the names of these services, but would not make any change to the services provided.

(2) Proposal To Delete Discontinued Third Party Data Feed

The Exchange proposes to delete the “NASDAQ OMD” data feed from the list of available Third Party Data Feeds, as it is no longer offered by the content service provider.

⁴ The Exchange is an indirect subsidiary of Intercontinental Exchange, Inc. (“ICE”). Each of the Exchange’s affiliates New York Stock Exchange LLC, NYSE American LLC, NYSE Arca, Inc., and NYSE National, Inc. has submitted substantially the same proposed rule change to propose the changes described herein. See SR–NYSE–2022–30, SR–NYSEAMER–2022–31, SR–NYSEARCA–2022–41, and SR–NYSENAT–2022–12.

⁵ See Securities Exchange Act Release No. 87408 (October 28, 2019), 84 FR 58778 (November 1, 2019) (SR–NYSECHX–2019–27).

(3) Proposal To Remove References to ICE Data Global Index

The Exchange proposes to remove obsolete references to the ICE Data Global Index (the “GIF”) from the list of Third Party Data Feeds available for connectivity and related text.

In May 2020, ICE, which publishes the GIF, announced to its customers that before the end of 2020, it would cease offering the GIF as a stand-alone product. The Exchange accordingly amended its Fee Schedule to inform customers that it would cease offering connectivity to the GIF once it is no longer available.⁶

ICE has informed the Exchange that it ceased offering the GIF as a stand-alone product, making the references to the GIF obsolete. The operative date was announced through a customer notice. Accordingly, the Exchange proposes to remove “ICE Data Global Index *” and the corresponding asterisked note from the Fee Schedule.

In order to implement the proposed change, the Exchange proposes to make the following changes to the section of the Fee Schedule entitled “Connectivity to Third Party Data Feeds”:

- In the first paragraph and in the table of Third Party Data Feeds, delete “ICE Data Global Index *”.

- Following the table of Third Party Data Feeds, delete the following text:

** ICE will cease to offer the GIF as a stand-alone product, which the Exchange has been informed by ICE is currently expected to occur before the end of 2020. The Exchange will announce the operative date through a customer notice. Any change fees that a User would otherwise incur as a result of the proposed change will be waived.*

(4) Proposal To Remove the Temporary Waiver of Hot Hands Fees

The Exchange proposes to remove the obsolete reference to the waiver of Hot Hands fees in light of the reopening of the data center in Mahwah, New Jersey (“Mahwah Data Center” or “MDC”).

In March 2020, ICE announced to each User that, starting on March 16, 2020, the MDC would be closed to third parties in response to COVID–19. The Exchange temporarily waived all Hot Hands fees from the date of the closing through the date of the reopening of the MDC, and added a note to the fees for the Hot Hands service stating as much.⁷

⁶ See Securities Exchange Act Release No. 88990 (June 2, 2020), 85 FR 34778 (June 8, 2020) (SR–NYSECHX–2020–17).

⁷ The Exchange first waived the Hot Hands Fee in a March 17, 2020 filing, and subsequently extended the waiver four times. See Securities Exchange Act Release Nos. 88400 (March 17, 2020),
