the Affordable Care Act and 45 CFR 155.220(a)(1) expands the role of agents/brokers by permitting them to enroll qualified individuals or small employers/employees in qualified health plans (QHPs) through the Exchanges, and assist individuals in applying for Advance Premium Tax Credits (APTCs) and Cost Sharing Reductions (CSR). To participate as facilitators to enrollment, agents/brokers must register with the FFE, complete a training course covering eligibility and enrollment criteria for assisting in QHP enrollment, and sign agreements that formalize their understanding and commitment to adhere to the rules of the program. This requirement is specific to the FFE and does not automatically apply to State-based Exchanges (SBEx). This ICR serves as the formal request for renewal of the existing data collection. Form Number: CMS–10464 (OMB control number: 0938–1204); Frequency: Annually; Affected Public: Private Sector (Business or other for-profits) Number of Respondents: 64,000; Number of Responses: 64,000; Total Annual Hours: 15,360. (For questions regarding this collection contact Madeline Pellish at 301–492–4390).

Dated: July 26, 2022.

William N. Parham, III, Director, Paperwork Reduction Staff, Office of Strategic Operations and Regulatory Affairs.

BILLING CODE 4120–01–P

DEPARTMENT OF HEALTH AND HUMAN SERVICES

Food and Drug Administration

[Docket No. FDA–2022–N–0766]

Hospira, Inc., et al.; Withdrawal of Approval of 21 Abbreviated New Drug Applications; Correction

AGENCY: Food and Drug Administration, HHS.

ACTION: Notice; correction.

SUMMARY: The Food and Drug Administration (FDA) is correcting a notice that appeared in the Federal Register on May 20, 2022. The document announced the withdrawal of approval (as of June 21, 2022) of 21 abbreviated new drug applications (ANDAs) from multiple applicants. The document indicated that FDA was withdrawing approval of the following ANDAs after receiving withdrawal requests from Bionpharma Inc., 600 Alexander Rd., Suite 2–4B, Princeton, NJ 08540: ANDA 065301, Cefadroxil Tablets, Equivalent to (EQ) 1 gram (g) base: ANDA 065307, Cefadroxil Oral Suspension, EQ 250 milligrams (mg) base/5 milliliters (mL) and EQ 500 mg base/5 mL; ANDA 065309, Cefadroxil Capsules, EQ 500 mg base: ANDA 065326, Cephalexin Oral Suspension, EQ 125 mg base/5 mL and EQ 250 mg base/5 mL; from Sunny Pharmtech Inc., 175 SW 166th Ave., Pembroke Pines, FL 33027: ANDA 203581, Glyburide Tablets, 1.25 mg, 2.5 mg, and 5 mg; and from Unicorn Pharmaceuticals, 5 Links Circle, Durham, NC, 27707: ANDA 204137, Omeprazole and Sodium Bicarbonate Capsules, 20 mg: 1.1 g. Before FDA withdrew the approval of these ANDAs, Bionpharma Inc., Sunny Pharmtech Inc., and Unicorn Pharmaceuticals informed FDA that they did not want the approval of the ANDAs withdrawn. Because Bionpharma Inc. timely requested that approval of ANDAs 065301, 065307, 065309, and 065326 not be withdrawn, the approvals are still in effect. Because Sunny Pharmtech Inc. timely requested that ANDA 203581 not be withdrawn, the approval is still in effect. Because Unicorn Pharmaceuticals timely requested that ANDA 204137 not be withdrawn, the approval is still in effect.

FOR FURTHER INFORMATION CONTACT: Martha Nguyen, Center for Drug Evaluation and Research, Food and Drug Administration: 10903 New Hampshire Ave., Bldg. 75, Rm. 1676, Silver Spring, MD 20993–0002, 240–402–6980, Martha.Nguyen@fda.hhs.gov.

SUPPLEMENTARY INFORMATION: In the Federal Register of Friday, May 20, 2022 (87 FR 30962), in FR Doc. 2022–10924, the following correction is made: On page 30963, in the table, the entries for ANDAs 065301, 065307, 065309, 065326, 203581, and 204137 are removed.

Dated: July 25, 2022.

Lauren K. Roth, Associate Commissioner for Policy.

BILLING CODE 4164–01–P

DEPARTMENT OF HEALTH AND HUMAN SERVICES

Indian Health Service

Special Diabetes Program for Indians

Key Dates

Application Deadline Date: October 7, 2022.
Earliest Anticipated Start Date: January 1, 2023.

I. Funding Opportunity Description

Statutory Authority

The Indian Health Service (IHS) is accepting applications for the Special Diabetes Program for Indians (SDPI—formerly Community-Directed SDPI). This program is authorized under the Snyder Act, 25 U.S.C. 13; the Transfer Act, 42 U.S.C. 2001(a); and section 330C of the Public Health Service Act, codified at 42 U.S.C. 254c–3. This program is described in the Assistance Listings located at https://sam.gov/content/home/(formerly known as the CFDA) under 93.237.

Background

Diabetes is a complex and costly chronic disease that requires tremendous long-term efforts to prevent and treat. Although diabetes is a nationwide public health problem, American Indian/Alaska Native (AI/AN) people are disproportionately affected. In 2019, 14.5 percent of AI/AN people aged 18 years or older had diagnosed diabetes, compared to 7.4 percent of non-Hispanic white people [CDC, 2021. https://www.cdc.gov/diabetes/data/statistics-report/diagnosed-diabetes.html]. In addition, AI/AN people have higher rates of diabetes-related morbidity and mortality than the general U.S. population (O’Connell, 2010 [https://diabetesjournals.org/care/article/33/7/1463/39326/Racial-Disparities-in-Health-Status-A-comparison-of]; Cho, 2014 [http://ajph.aphapublications.org/doi/full/10.2105/AJPH.2014.301968]). Strategies to address the prevention and treatment of diabetes in AI/AN communities are urgently needed.

In response to the burgeoning diabetes epidemic among AI/AN people, Congress established the SDPI through the Balanced Budget Act of 1997. SDPI is a $150 million per year program that provides awards for diabetes treatment and prevention services. The IHS administers SDPI, with programmatic oversight provided by the IHS Division of Diabetes Treatment and Prevention (DDTP).

Purpose

The purpose of this program is to provide diabetes treatment and/or prevention activities and/or services that are also referred to as “activities/services” for AI/AN communities. Awardees will implement one SDPI Diabetes Best
Practice (also referred to as “Best Practice”) and report data on the Best Practice’s Required Key Measure (RKM). Awardees may also implement other activities/services based on diabetes-related community needs and develop an evaluation plan. Activities/services will be aimed at reducing the risk of diabetes in at-risk individuals, providing high quality care to those with diagnosed diabetes, and/or reducing the complications of diabetes.

II. Award Information

Funding Instrument—Cooperative Agreement

Estimated Funds Available

The total funding identified for fiscal year (FY) 2023 is approximately $136 million. Individual award amounts for the first budget year are anticipated to be between $12,500 and $7.5 million.

The funding formula which determines the funds available to each IHS area has been determined through Tribal consultation. Within each area, awardee Tribes provide input on the formula which determines the amount of funding available for each successful applicant.

- Current SDPI awardees should budget for the same amount as they received in FY 2022. However, funding amounts may change. See the paragraph below for additional information.
- New SDPI award applicants should apply for a $12,500 base amount.

The funding available for competing and subsequent continuation awards issued under this announcement is subject to the availability of appropriations and budgetary priorities of the Agency. The IHS is under no obligation to make awards to applicants selected for funding under this announcement.

Anticipated Number of Awards

Approximately 325–450 awards will be issued under this program announcement.

Period of Performance

The period of performance is for 5 years.

Cooperative Agreement

Cooperative agreements awarded by the Department of Health and Human Services (HHS) are administered under the same policies as grants. However, the funding agency, HHS, is anticipated to have substantial programmatic involvement in the project during the entire period of performance. Below is a detailed description of the level of involvement required of the IHS.

Substantial Agency Involvement

Description for Cooperative Agreement

A. DDTP will provide programmatic oversight, including:

1. Award Requirements
   b. Annual Progress Report: Create and provide instructions and template(s).

2. Data Collection and Analysis
   a. IHS Diabetes Care and Outcomes Audit: Provide resources, tools, support, and training.
   b. SDPI Outcomes System (SOS): Create and provide resources, tools, support, and training. Awardees will use the SOS to track and report on RKM data for their selected Best Practice.

3. Training, Communication, and Technical Assistance
   a. Provide extensive SDPI award-related trainings: Topics include, Application, Annual Progress Report, and others. Most trainings are provided via live webinars. Webinars will be recorded and made available on the SDPI website based on importance.
   b. Provide updates and announcements via email.
   c. Maintain and update the IHS SDPI website (https://www.ihs.gov/sdpi/), which provides information and resources regarding this cooperative agreement, including:
      i. Best Practices
      ii. Additional resources—Documents and links from DDTP and the Division of Grants Management (DGM).
      iii. New to SDPI—Information for new awardees and/or staff.

4. Diabetes Trainings and Resources
   a. Provide diabetes-related live, recorded, and online education developed by the DDTP, designed for clinicians and other health professionals serving in the Indian health system.
   b. Provide clinical updates and announcements via email.
   c. Maintain and update the DDTP website, which provides additional resources for awardees including:
      i. Clinician resources—online continuing education opportunities, diabetes treatment algorithms, IHS Standards of Care and Clinical Practice Recommendations for Type 2 Diabetes, and IHS Diabetes Care and Outcomes Audit resources.
      ii. Patient education resources—free materials that can be ordered, printed, or downloaded from the online catalog.

B. The Indian Health Care Improvement Act, amended in 1987, established that each of the 12 IHS Areas should have an Area Diabetes Consultant (ADC). The ADCs are health care professionals with expertise in diabetes. They play a critical role in supporting SDPI diabetes treatment and prevention activities for their Area including:

1. Oversee SDPI awards within their specified Area to ensure compliance with programmatic Terms and Conditions.
2. Serve as a liaison between the SDPI award programs, DDTP, and DGM.
3. Provide training and resources to SDPI awardees. Some resources may be in the form of additional staff serving as ADC support.
4. Review or assign a designee to review annual continuation applications.
5. May serve as the Program Officer for the SDPI award programs in their IHS Area. The Program Officer is a Federal staff person who is responsible for managing and monitoring the progress of awardees in GrantSolutions. If the ADC is not eligible (i.e., not Federal program staff), another individual may serve as the Program Officer in a limited capacity. Program Officer’s duties include creating funding commitments and memos, providing programmatic review/approval of amendments, and assisting in uploading documents and information as Grant Notes in GrantSolutions.

Required, Optional, and Allowable Activities

Required

All awardees will need to meet the following requirements:

1. Activities/Services: Awardees must provide activities/services that:
   a. meet the purpose of the SDPI, which is to provide diabetes treatment and/or prevention services and activities for AI/AN communities;
   b. are targeted at reducing risk factors for diabetes and diabetes-related conditions;
   c. address diabetes-related issues as identified in the awardee’s application; and
   d. use SDPI funds as outlined in the awardee’s Budget Narrative.

2. IHS Diabetes Care and Outcomes Audit (Diabetes Audit): SDPI awardees are required to participate in the Annual Diabetes Audit (https://www.ihs.gov/diabetes/audit/). Awardees will submit data, review results, and provide a copy of their Annual Diabetes Audit Report with their continuation applications. Non-clinical or community-based awardees that are not able to directly
Awardees will report on RKM data via improving the associated RKM. Awardees must select one Best Practice findings and recommendations. Awardees must participate in the Diabetes Audit, will be recorded and posted on the SDPI website for those not able to participate in the Diabetes Audit, will be live webinars, which will be recorded and posted on the SDPI website for those not able to attend. Awardees must select one Best Practice Best Practices include the latest scientific and updated regularly, providing all required and optional trainings hosted by DDTP for the year.

Information about the SDPI awardee training requirements will be provided on the SDPI Grant Training website. Information about the SDPI awardee training requirements will be provided on the SDPI Grant Training website.

1. Optional Trainings: In addition to required training, DDTP also provides optional trainings. Awardees may participate in SDPI optional trainings depending on their need for the information that will be presented. These will primarily be live webinars, which will be recorded and posted on the SDPI website for those not able to attend. Awardees are not expected to keep track of participation, but a training tracking tool is made available and updated regularly, providing all required and optional trainings hosted by DDTP for the year.

Information about the SDPI awardee training requirements will be provided on the SDPI Grant Training website.

2. Diabetes in Indian Country Conference: DDTP occasionally hosts a conference that provides continuing education opportunities and collaboration on issues related to improving outcomes for people with diabetes and those at risk for developing diabetes. SDPI award training sessions are provided during this conference. SDPI awardee attendance is encouraged but not required.

Allowable

1. Allowable Activities/Services: There are many types of activities/services allowed under this award as long as they meet the activities/services requirement (see Required.1. above) and are within the scope of work defined in the Project Narrative. For questions, contact DDTP.

III. Eligibility Information

1. Eligibility

To be eligible for this FY 2023 funding opportunity, applicants must be one of the following as required by 42 U.S.C. 254c–3(b):

- An Indian health program operated by an Indian Tribe or Tribal organization pursuant to a contract, grant, cooperative agreement, or compact with the Indian Health Service pursuant to the Indian Self-Determination and Education Assistance Act (25 U.S.C. 5321 et seq.).
- An urban Indian health program operated by an urban Indian Organization pursuant to a grant or contract with the Indian Health Service pursuant to title V of the Indian Health Care Improvement Act [25 U.S.C. 1651 et seq.].
- The Indian Health Service.

The program office will notify any applicants deemed ineligible.

Note: Please refer to Section IV.2 (Application and Submission Information/Subsection 2. Content and Form of Application Submission) for additional proof of applicant status documents required, such as Tribal Resolutions, proof of nonprofit status, etc.

2. Cost Sharing or Matching

The IHS does not require matching funds or cost sharing for grants or cooperative agreements.

3. Other Requirements

Applications with budget requests that exceed the highest dollar amount outlined under Section II Award Information, Estimated Funds Available, or exceed the period of performance outlined under Section II Award Information, Period of Performance, are considered not responsive and will not be reviewed. The DGM will notify the applicant.

Additional Required Documentation

Tribes and Tribal Organizations

Tribal Resolution

The DGM must receive an official, signed Tribal Resolution prior to issuing a Notice of Award (NoA) to any Tribe or Tribal organization selected for funding. An applicant that is proposing a project affecting another Indian Tribe must include resolutions from all affected Tribes to be served. However, if an official signed Tribal Resolution cannot be submitted with the application prior to the application deadline date, a draft Tribal Resolution must be submitted with the application by the deadline date in order for the application to be considered complete and eligible for review. The draft Tribal Resolution is not in lieu of the required signed resolution, but is acceptable until a signed resolution is received. If an application without a signed Tribal Resolution is selected for funding, the applicant will be contacted by the Grants Management Specialist (GMS) listed in this funding announcement and given 90 days to submit an official, signed Tribal Resolution to the GMS. If the signed Tribal Resolution is not received within 90 days, the award will be forfeited.

Applicants organized with a governing structure other than a Tribal...
council may submit an equivalent document commensurate with their governing organization.

Proof of Nonprofit Status
Organizations claiming nonprofit status must submit a current copy of the 501(c)(3) Certificate with the application.

IV. Application and Submission Information
Grants.gov uses a Workspace model for accepting applications. The Workspace consists of several online forms and three forms in which to upload documents—Project Narrative, Budget Narrative, and Other Documents. Give your files brief descriptive names. The filenames are key in finding specific documents during the objective review and in processing awards. Upload all requested and optional documents individually, rather than combining them into a package. Creating a package creates confusion when trying to find specific documents. Such confusion can contribute to delays in processing awards, and could lead to lower scores during the objective review.

1. Obtaining Application Materials
The application package and detailed instructions for this announcement are available at https://www.Grants.gov. Please direct questions regarding the application process to DGM@ihs.gov.

2. Content and Form Application Submission
Mandatory documents for all applicants include:
- Application forms:
  1. SF–424, Application for Federal Assistance.
  2. SF–424A, Budget Information—Non-Construction Programs.
  4. Project Abstract Summary Form
  5. Project Narrative (not to exceed 18 pages). See Section IV.2.A. Project Narrative for more information.
  7. One-page Timeframe Chart.
  8. 2021 and 2022 Annual Diabetes Audit reports (DRAFT report for 2022 is acceptable) or copies of Audit waivers provided by DDTP.
  9. Tribal Resolution(s) (Tribes and/or Tribal organizations).
  10. Letter(s) of Support from one or more of the following:
      - Board of Directors (Urban Indian health programs).
      - Chief Executive Officer (IHS facilities).
  11. Tribes served (highly recommended for IHS facilities)

- 501(c)(3) Certificate (if applicable).
- Biographical sketches for all Key Personnel.
- Key contacts form for diabetes program coordinator.
- Contractor/Consultant resumes or qualifications and scope of work (if applicable).
- Disclosure of Lobbying Activities (SF–LLL), if applicant conducts reportable lobbying.
- Certification Regarding Lobbying (GG-Lobbying Form).
- Copy of current Negotiated Indirect Cost (IDC) rate agreement (required in order to receive IDC).
- Organizational chart or written information that shows where the SDPI Program fits into the larger organization (optional).
- Documentation of current Office of Management and Budget (OMB) Financial Audit (not applicable to IHS facilities).

Acceptable forms of documentation include:
1. Email confirmation from Federal Audit Clearinghouse (FAC) that audits were submitted; or
2. Face sheets from audit reports.
Applicants can find these on the FAC website at https://harvester.census.gov/facdissem/Main.aspx.

Public Policy Requirements
All Federal public policies apply to IHS grants and cooperative agreements. Pursuant to 45 CFR 80.3(d), an individual shall not be deemed subject to discrimination by reason of their exclusion from benefits limited by Federal law to individuals eligible for benefits and services from the IHS. See https://www.hhs.gov/grants/grants/policies-regulations/index.html.

Requirements for Project and Budget Narratives and Other Programmatic Reports
A. Project Narrative
This narrative should be a separate document that is no more than 18 pages and must:
1. have consecutively numbered pages;
2. use black font 12 points or larger (applicants may use 10 point font for tables); (3) be single-spaced; and (4) be formatted to fit standard letter paper (8-1/2 x 11 inches).
DDTP provides an optional PDF template on the SDPI Application website at https://www.ihs.gov/sdpi/sdpi-community-directed/application-reports/, which applicants can use to provide the required information instead of developing their own format. Be sure to succinctly answer all questions listed under the evaluation criteria (refer to Section V.1. Evaluation Criteria) and place all responses and required information in the correct section noted below or they will not be considered or scored. If the narrative exceeds the overall page limit, the application will be considered not responsive and will not be reviewed. The 18-page limit for the narrative does not include the work plan, standard forms, Tribal Resolutions, budget, budget justifications, narratives, and/or other items. Page limits for each section within the project narrative are guidelines, not hard limits.

There are six parts to the Project Narrative:

Part A: Program Identifiers/Experience (Limit—2 Pages)

Part B: Needs Assessment (Limit—3 Pages)

Section 1: Diabetes Needs
Assessment—identify key diabetes-related health issues and diabetes prevalence.

Section 2: Review of Diabetes Audit Reports
Obtain and review of 2021 and 2022 Annual Diabetes Audit Reports to provide 2—3 items/elements that need to be improved and how your program will address those items/elements.

Section 3: Challenges
Identify and describe challenges your program experiences or may face related to prevention and/or treatment of diabetes.

Part C: Program Support and Resources (Limit—3 Pages)

Section 1: Leadership Support
Identify at least one organization administrator or Tribal leaders (other than your Program Coordinator) who has agreed to support your SDPI program for 2023 and describe how they will be actively involved with your program.

Section 2: Key Personnel
List all key personnel that will be involved in your program’s activities/services. This may be your “Diabetes Team.” You must also separately provide a brief resume or biographical sketch for all key personnel listed.
Section 3: Partnerships and Collaborations

List current active partnerships related to your SDPI program and describe any new partnerships and collaborations that your SDPI program is planning to implement. Include information about how these partners and collaborators will contribute to the activities/services you plan to provide.

Part D: SDPI Diabetes Best Practice (Limit—3 Pages)

Section 1: Best Practice Selection

Applicants must select one Best Practice that addresses one of the needs that was identified in the needs assessment (Part B). There is a list of all the Best Practices on the Best Practices website: https://www.ihs.gov/sdpi/sdpi-community-directed/diabetes-best-practices/. For each Best Practice, there is a brief statement on the importance, RKM information, and guidance for selecting a Target Group, and tools and resources.

Section 2: Best Practice Activities

Provide a list of activity(ies)/service(s) to implement that would improve the RKM of the selected Best Practice. Each activity/service should include a brief description and a timeline for implementation.

Section 3: Target Group Number and Description

Awardees will be required to report RKM data for one Target Group for their selected Best Practice. A Target Group is the largest number of patients/participants that you can realistically include in the activities/services you provided in the Best Practice activities for the budget period. The following should be considered in selecting your Target Group:

a. The size and characteristics (e.g., ages, health status, settings, locations) of the community or patient population that you are going to draw your Target Group from;

b. Intensity of the activities/services you plan to do; and

c. SDPI funding and other resources available to provide activities/services.

Part E: Activities/Services not related to selected Best Practice (Optional. Limit—5 Pages)

Provide information for up to five major activities/services, supported by SDPI funds, to address needs that were identified in the needs assessment (Part B). Activities/services reported here should be based on the following considerations:

a. Use the most award funding and program time.

b. Address significant needs/challenges.

Part F: Additional Information (Limit—2 Pages)

Provide additional information as specified by program office.

B. Budget Narrative (Limit—7 Pages)

Provide a budget narrative that explains the amounts requested for each line item of the budget from the SF-424A (Budget Information for Non-Construction Programs) for the first year of the project. The applicant can submit with the budget narrative a more detailed spreadsheet than is provided by the SF-424A (the spreadsheet will not be considered part of the budget narrative). The budget narrative should specifically describe how each item will support the achievement of proposed objectives. Be very careful about showing how each item in the “Other” category is justified. For subsequent budget years (see Multi-Year Project Requirements in Section V.1, Application Review Information, Evaluation Criteria), the additional pages should highlight the changes from the first year or clearly indicate that there are no substantive budget changes during the period of performance. Do NOT use the budget narrative to expand the project narrative.

C. IHS Diabetes Care and Outcomes Audit

The IHS Diabetes Care and Outcomes Audit is a process to assess care and health outcomes for AI/AN people with diagnosed diabetes. IHS, Tribal, and Urban Indian health care facilities nationwide participate in this process each year by auditing medical records for their patients with diabetes. Applicants who are able to must submit copies of their local facility’s 2021 and 2022 Annual Diabetes Audit reports or copies of the Audit waivers provided by DDTP.

Annual Diabetes Audit reports can be obtained in the following ways:

a. Via the WebAudit: https://www.ihs.gov/diabetes/audit/

b. Request from their local facility.

c. Request from their ADC: https://www.ihs.gov/diabetes/about-us/area-diabetes-consultants-adc/

For programs that received Audit waivers, these can be found in GrantSolutions (as a Grant Note).

If the applicant is unable to obtain their local facility’s 2021 and 2022 Annual Diabetes Audit Reports, they must include a description in their Project Narrative (Part B). For any questions, contact DDTP.

3. Submission Dates and Times

Applications must be submitted through Grants.gov by 11:59 p.m. Eastern Time on the Application Deadline Date. Any application received after the application deadline will not be accepted for review. Grants.gov will notify the applicant via email if the application is rejected.

If technical challenges arise and assistance is required with the application process, contact Grants.gov Customer Support (see contact information at https://www.Grants.gov). If problems persist, contact Mr. Paul Gettys (Paul.Gettys@ihs.gov), Deputy Director, DGM, by telephone at (301) 443–2114. Please be sure to contact Mr. Gettys at least 10 days prior to the application deadline. Please do not contact the DGM until you have received a Grants.gov tracking number.

In the event you are not able to obtain a tracking number, call the DGM as soon as possible.

The IHS will not acknowledge receipt of applications.

4. Intergovernmental Review

Executive Order 12372 requiring intergovernmental review is not applicable to this program.

5. Funding Restrictions

- Pre-award costs are allowable up to 90 days before the start date of the award provided the costs are otherwise allowable if awarded. Pre-award costs are incurred at the risk of the applicant.

- The available funds are inclusive of direct and indirect costs.

- Only one cooperative agreement will be awarded per applicant.

6. Electronic Submission Requirements

All applications must be submitted via Grants.gov. Please use the https://www.Grants.gov website to submit an application. Find the application by selecting the “Search Grants” link on the homepage. Follow the instructions for submitting an application under the Package tab. No other method of application submission is acceptable.

If you cannot submit an application through Grants.gov, you must request a waiver prior to the application due date. This contact must be initiated prior to the application due date or your waiver request will be denied. Prior approval must be requested and obtained from Mr. Paul Gettys, Deputy Director, DGM.

You must send a written waiver request to DGM@ihs.gov with a copy to Paul.Gettys@ihs.gov. The waiver request must be documented in writing (emails are acceptable) before submitting an application by some other method, and must include clear justification for the
need to deviate from the required application submission process. If the DGM approves your waiver request, you will receive a confirmation of approval email containing submission instructions. You must include a copy of the written approval with the application submitted to the DGM. Applications that do not include a copy of the signed waiver from the Deputy Director of the DGM will not be reviewed. The Grants Management Officer of the DGM will notify the applicant via email of this decision. Applications submitted under waiver must be received by the DGM no later than 5:00 p.m. Eastern Time on the Application Deadline Date. Late applications will not be accepted for processing. Applicants that do not register for both the System for Award Management (SAM) and Grants.gov and/or fail to request timely assistance with technical issues will not be considered for a waiver to submit an application via alternative method. Please be aware of the following:

- Please search for the application package at https://www.Grants.gov by entering the Assistance Listing (CFDA) number or the Funding Opportunity Number. Both numbers are located in the header of this announcement.
- If you experience technical challenges while submitting your application, please contact Grants.gov Customer Support (see contact information at https://www.grants.gov).
- Upon contacting Grants.gov, obtain a tracking number as proof of contact. The tracking number is helpful if there are technical issues that cannot be resolved and a waiver from the agency must be obtained.
- Applicants are strongly encouraged not to wait until the deadline date to begin the application process through Grants.gov as the registration process for SAM and Grants.gov could take up to 20 working days.
- Please follow the instructions on Grants.gov to include additional documentation that may be requested by this funding announcement.
- Applicants must comply with any page limits described in this funding announcement.
- After submitting the application, the applicant will receive an automatic acknowledgment from Grants.gov that contains a Grants.gov tracking number. The HHS will not notify the applicant that the application has been received.

System for Award Management (SAM)

Organizations that are not registered with SAM must access the SAM online registration through the SAM home page at https://sam.gov. United States (U.S.) organizations will also need to provide an Employer Identification Number from the Internal Revenue Service that may take an additional 2–5 weeks to become active. Please see SAM.gov for details on the registration process and timeline. Registration with the SAM is free of charge but can take several weeks to process. Applicants may register online at https://sam.gov.

Unique Entity Identifier

Your SAM.gov registration now includes a Unique Entity Identifier (UEI), generated by SAM.gov, which replaces the DUNS number obtained from Dun and Bradstreet. SAM.gov registration no longer requires a DUNS number. Check your organization’s SAM.gov registration as soon as you decide to apply for this program. If your SAM.gov registration is expired, you will not be able to submit an application. It can take several weeks to renew it or resolve any issues with your registration, so do not wait. Check your Grants.gov registration. Registration and role assignments in Grants.gov are self-serve functions. One user for your organization will have the authority to approve role assignments, and these must be approved for active users in order to ensure someone in your organization has the necessary access to submit an application.

The Federal Funding Accountability and Transparency Act of 2006, as amended ("Transparency Act"), requires all HHS awardees to report information on sub-awards. Accordingly, all HHS awardees must notify potential first-tier sub-awardees that no entity may receive a first-tier sub-award unless the entity has provided its UEI number to the prime awardee organization. This requirement ensures the use of a universal identifier to enhance the quality of information available to the public pursuant to the Transparency Act.

Additional information on implementing the Transparency Act, including the specific requirements for SAM, are available on the DGM Grants Management, Policy Topics web page at https://www.ihs.gov/dgm/policytopics/.

V. Application Review Information

Possible points assigned to each section are noted in parentheses. The project narrative and budget narrative should include only the first year of activities; information for multi-year projects should be included as a separate document. See “Multi-year Project Requirements” at the end of this section for more information. The project narrative should be written in a manner that is clear to outside reviewers unfamiliar with prior related activities of the applicant. It should be well organized, succinct, and contain all information necessary for reviewers to fully understand the project. Attachments requested in the criteria do not count toward the page limit for the narratives. Points will be assigned to each evaluation criteria adding up to a total of 100 possible points. Points are assigned as follows:

1. Evaluation Criteria

A. Introduction and Need for Assistance (15 Points)

(i) Program Identifiers/Experience

(Project Narrative Part A)

(1) Was program identifier information adequately provided?
(2) Did applicant provide sufficient information to establish their location and relationship to their local Indian Health Clinic?

(ii) Needs Assessment (Project Narrative Part B)

(1) Did the applicant adequately describe the key diabetes-related health issues identified by their community/leadership?
(2) Were numbers provided for applicant’s local user population and people with diagnosed diabetes?
(3) Did the applicant appropriately identify Diabetes Audit items (or diabetes-related issues if Audit Reports were not provided) that need to be improved?
(4) Did the applicant adequately describe how they will address the Diabetes Audit items or diabetes-related issues that need to be improved?
(5) Did the applicant adequately describe challenges?

B. Project Objective(s), Work Plan and Approach (30 Points)

(i) SDPI Diabetes Best Practice (Project Narrative Part D)

(1) Did the applicant provide an adequate description of activities/services to improve the RKM?
(2) Are the activities/services proposed appropriate for the selected Best Practice and Target Group?
(3) Do the planned activities/services appear to be reasonable given the constraints of timeframe, resources, and staff?

(ii) If Applicable: Activities/Services Not Related to Selected Best Practice (Project Narrative Part E)

(1) Do activities/services address diabetes-related issues identified in the needs assessment in Part B?
(2) Are activities/services aimed at reducing risk factors for diabetes and/or related conditions?
(3) Are activities/services adequately described?
(4) Do the planned activities/services appear to be reasonable given the constraints of timeframe, resources, and staff?

C. Program Evaluation (15 Points)
(i) SDPI Diabetes Best Practice (Project Narrative Part D)
   (1) Was a Best Practice selected?
   (2) Was the number of patients/participants in the Target Group provided?
   (3) Was the Target Group adequately described?
   (4) Are the Target Group and number of patients/participants reasonable given the information the applicant provided in their needs assessment and program resources sections?

(ii) Program Support (Project Narrative Part E)
   (1) Was there an appropriate target group identified for each activity/service?
   (2) Did the applicant specify how improvement and reduction in risk factors will be evaluated?

D. Organizational Capabilities, Key Personnel, and Qualifications (30 Points)
(i) Program Identifiers/Experience (Project Narrative Part A)
   (1) Does the applicant have experience with diabetes treatment and prevention services in AI/AN communities.
   (2) Is the experience provided recent? (within 5 years)
   (ii) Program Support (Project Narrative Part C)
   (1) Does the program propose to provide sufficient and appropriate staff to carry out planned activities?
   (2) Did the applicant identify an appropriate organization administrator or Tribal leader, other than the Program Coordinator, to support their SDPI program?
   (3) Did the applicant describe how this leader will be involved with the SDPI program?
   (4) Did the applicant provide appropriate and adequate information about key personnel in the Project Narrative?
   (5) Did the applicant provide appropriate and adequate information about partnerships and collaborations in the Project Narrative?

E. Categorical Budget and Budget Justification (10 Points)
   (i) Does the budget match the scope of work described in the Project Narrative?
   (ii) Was each line item adequately specified and justified?
   (iii) Did funding totals match between the SF–424A, budget line item, and justification?
   (iv) Is the budget reasonable and realistic?

Multi-Year Project Requirements
Applications must include a brief project narrative and budget (one additional page per year) addressing the developmental plans for each additional year of the project. This attachment will not count as part of the project narrative or the budget narrative.

Additional documents can be uploaded as Other Attachments in Grants.gov.
These can include:
- Work plan, logic model, and/or time line for proposed objectives.
- Position descriptions for key staff.
- Resumes of key staff that reflect current duties.
- Consultant or contractor proposed scope of work and letter of commitment (if applicable).
- Current Indirect Cost Rate Agreement.
- Organizational chart.
- Map of area identifying project location(s).
- Additional documents to support narrative (i.e., data tables, key news articles, etc.).

2. Review and Selection
Each application will be prescreened for eligibility and completeness as outlined in the funding announcement. Applications that meet the eligibility criteria shall be reviewed for merit by the Objective Review Committee (ORC) based on the evaluation criteria.
Incomplete applications and applications that are not responsive to the administrative thresholds (budget limit, period of performance limit) will not be referred to the ORC and will not be funded. The program office will notify the applicant of this determination.

Applicants must address all program requirements and provide all required documentation.

3. Notifications of Disposition
All applicants will receive an Executive Summary Statement from the HHS DDTP within 30 days of the conclusion of the ORC outlining the strengths and weaknesses of their application. The summary statement will be sent to the Authorizing Official identified on the face page (SF–424) of the application.
A. Award Notices for Funded Applications
The NoA is the authorizing document for which funds are dispersed to the approved entities and reflects the amount of Federal funds awarded, the purpose of the award, the terms and conditions of the award, the effective date of the award, the budget period, and period of performance. Each entity approved for funding must have a user account in GrantSolutions in order to retrieve the NoA. Please see the Agency Contacts list in Section VII for the systems contact information.
B. Approved But Unfunded Applications
Approved applications not funded due to lack of available funds will be held for 1 year. If funding becomes available during the course of the year, the application may be reconsidered.

Note: Any correspondence other than the official NoA executed by an IHS grants management official announcing to the project director that an award has been made to their organization is not an authorization to implement their program on behalf of the IHS.

VI. Award Administration Information
1. Administrative Requirements
Awards issued under this announcement are subject to, and are administered in accordance with, the following regulations and policies:
A. The criteria as outlined in this program announcement.
B. Administrative Regulations for Grants:
   - Uniform Administrative Requirements, Cost Principles, and Audit Requirements for HHS Awards currently in effect or implemented during the period of award, other Department regulations and policies in effect at the time of award, and applicable statutory provisions. At the time of publication, this includes 45 CFR part 75, at https://www.govinfo.gov/content/pkg/CFR-2020-title45-vol1/pdf/CFR-2020-title45-vol1-part75.pdf.
   - Please review all HHS regulatory provisions for Termination at 45 CFR 75.372, at https://www.ecfr.gov/cgi-bin/retrieveECFR?gpبدID=29700ec9573991bf1413ed53d7893d99&m=rc45.1.75&+r=PART9ty=HTML&se45.1.75_1372#see45.1.75_1372.
C. Grants Policy:
D. Cost Principles:
- Uniform Administrative Requirements for HHS Awards, “Cost Principles,” located at 45 CFR part 75 subpart E.

E. Audit Requirements:
- Uniform Administrative Requirements for HHS Awards, “Audit Requirements,” located at 45 CFR part 75 subpart F.

F. As of August 13, 2020, 2 CFR 200 was updated to include a prohibition on certain telecommunications and video surveillance services or equipment. This prohibition is described in 2 CFR 200.216. This will also be described in the terms and conditions of every IHS grant and cooperative agreement awarded on or after August 13, 2020.

2. Indirect Costs

This section applies to all awardees that request reimbursement of IDC in their application budget. In accordance with HHS Grants Policy Statement, Part II–27, the IHS requires applicants to obtain a current IDC rate agreement and submit it to the DGM prior to the DGM issuing an award. The rate agreement must be prepared in accordance with the applicable cost principles and guidance as provided by the cognizant agency or office. A current rate covers the applicable grant activities under the current award’s budget period. If the current rate agreement is not on file with the DGM at the time of award, the IDC portion of the budget will be restricted. The restrictions remain in place until the current rate agreement is provided to the DGM.

Per 45 CFR 75.414(f) Indirect (F&A) costs, “any non-Federal entity (NFE) [i.e., applicant] that has never received a negotiated indirect cost rate, . . . may elect to charge a de minimis rate of 10 percent of modified total direct costs which may be used indefinitely. As described in Section 75.403, costs must be consistently charged as either indirect or direct costs, but may not be double charged or inconsistently charged as both. If chosen, this methodology once elected must be used consistently for all Federal awards until such time as the NFE chooses to negotiate for a rate, which the NFE may apply to do at any time."

Electing to charge a de minimis rate of 10 percent only applies to applicants that have never received an approved negotiated indirect cost rate from HHS or another cognizant Federal agency. Applicants awaiting approval of their indirect cost proposal may request the 10 percent de minimis rate. When the applicant chooses this method, costs included in the indirect cost pool must not be charged as direct costs to the grant.

Available funds are inclusive of direct and appropriate indirect costs. Approved indirect funds are awarded as part of the award amount, and no additional funds will be provided.

Generally, IDC rates for IHS awardees are negotiated with the Division of Cost Allocation at https://rates.psc.gov/ or the Department of the Interior (Interior Business Center) at https://ibc.doi.gov/ ICS/tribal. For questions regarding the indirect cost policy, please call the Grants Management Specialist listed under “Agency Contacts” or write to DGM@ihs.gov.

3. Reporting Requirements

The awardee must submit required reports consistent with the applicable deadlines. Failure to submit required reports within the time allowed may result in suspension or termination of an active award, withholding of additional awards for the project, or other enforcement actions such as withholding of payments or converting to the reimbursement method of payment. Continued failure to submit required reports may result in the imposition of special award provisions and/or the non-funding or non-award of other eligible projects or activities. This requirement applies whether the delinquency is attributable to the failure of the awardee organization or the individual responsible for preparation of the reports. Per DGM policy, all reports must be submitted electronically by attaching them as a “Grant Note” in GrantSolutions. Personnel responsible for submitting reports will be required to obtain a login and password for GrantSolutions. Please use the form under the Recipient User section of https://www.grantsonline.gov/home/getting-started-request-a-user-account/. Download the Recipient User Account Request Form, fill it out completely, and submit it as described on the web page and in the form.

The reporting requirements for this program are noted below.

A. Progress Reports

Program progress reports are required annually. The progress reports are due within 30 days after the budget period ends (specific dates will be listed in the NoA Terms and Conditions). These reports must include a brief comparison of actual accomplishments to the goals established for the period, a summary of progress to date or, if applicable, provide sound justification for the lack of progress. Awardees should submit all relevant information as required. A final report must be submitted within 90 days of expiration of the period of performance. Instructions, template(s), and other information will be posted on the SDPI website at https://www.ihs.gov/sdpi/sdpi-community-directed/application-reports/.

B. Financial Reports

Federal Financial Reports are due 30 days after the end of each budget period, and a final report is due 90 days after the end of the period of performance. Awardees are responsible and accountable for reporting accurate information on all required reports: the Progress Reports and the Federal Financial Report.

C. Data Collection and Reporting

SOS RKM Data Requirements: Data for the selected Best Practice RKM will be submitted using the SOS. Awardees will submit results for their RKM for their selected Best Practice into this system at the start (baseline) and end (final) of the budget period, with the option to submit more frequently. The system will generate SOS RKM data reports to meet the SDPI outcomes reporting requirements. These results will be stored in the system and will be accessible to program staff, as needed. Awardees will need to appoint at least one person in their program to get access to and submit data into the SOS.

i. Baseline data: Data is to be submitted into the SOS by the last business day of February each year (e.g., 2023 baseline data will be due by Tuesday, February 28, 2023). A report from the SOS showing baseline data submission will be due with continuation applications.

   ii. Final data: Data for the prior budget period is to be submitted into the SOS by the last business day of January, each year (e.g., 2023 final data will be due by Wednesday, January 31, 2024). A report from the SOS showing baseline and final data submission will be due with the Annual Progress Report.

Refer to the SDPI website (https://www.ihs.gov/sdpi/) for the latest information on report templates, due dates, webinars and submission instructions.

Diabetes Care and Outcomes Audit: SDPI awardees are required to participate in the Annual Diabetes Audit (https://www.ihs.gov/diabetes/audit/). Awardees will submit data, review results, and provide a copy of their Annual Diabetes Audit Report with their annual SDPI applications. Diabetes Annual Audit data are to be submitted into the WebAudit each year as of mid-March. Audit data collecting annual data will be due approximately March 15, 2023). Non-
clinical or community-based awardees, that are not able to directly participate in the Diabetes Audit, will need to obtain a copy of the Annual Diabetes Audit Report from their local facility or Area Diabetes Consultant (https://www.ihs.gov/diabetes/about-us/area-diabetes-consultants-adc/).

D. Federal Sub-Award Reporting System (FSRS)

This award may be subject to the Transparency Act sub-award and executive compensation reporting requirements of 2 CFR part 170.

The Transparency Act requires the OMB to establish a single searchable database, accessible to the public, with information on financial assistance awards made by Federal agencies. The Transparency Act also includes a requirement for awardees of Federal grants to report information about first-tier sub-awards and executive compensation under Federal assistance awards. The IHS has implemented a Term of Award into all IHS Standard Terms and Conditions, NoAs, and funding announcements regarding the FSRS reporting requirement. This IHS Term of Award is applicable to all IHS grant and cooperative agreements issued on or after October 1, 2010, with a $25,000 sub-award obligation threshold met for any specific reporting period.

For the full IHS award term implementing this requirement and additional award applicability information, visit the DGM Grants Management website at https://www.ihs.gov/dgm/policytopics/.

E. Non-Discrimination Legal Requirements for Awardees of Federal Financial Assistance

Should you successfully compete for an award, recipients of Federal financial assistance (FFA) from HHS must administer their programs in compliance with Federal civil rights laws that prohibit discrimination on the basis of race, color, national origin, disability, age and, in some circumstances, religion, conscience, and sex (including gender identity, sexual orientation, and pregnancy). This includes ensuring programs are accessible to persons with limited English proficiency and persons with disabilities. The HHS Office for Civil Rights provides guidance on complying with civil rights laws enforced by HHS. Please see https://www.hhs.gov/civil-rights/for-providers/provider-obligations/index.html and https://www.hhs.gov/civil-rights/for-individuals/nondiscrimination/index.html.

- Recipients of FFA must ensure that their programs are accessible to persons with limited English proficiency. For guidance on meeting your legal obligation to take reasonable steps to ensure meaningful access to your programs or activities by limited English proficiency individuals, see https://www.hhs.gov/civil-rights/for-individuals/special-topics/limited-english-proficiency/fact-sheet-guidance/index.html and https://www.lep.gov.
- For information on your specific legal obligations for serving qualified individuals with disabilities, including reasonable modifications and making services accessible to them, see https://www.hhs.gov/civil-rights/for-individuals/disability/index.html.
- HHS funded health and education programs must be administered in an environment free of sexual harassment. See https://www.hhs.gov/civil-rights/for-individuals/sex-discrimination/index.html.

F. Federal Awardee Performance and Integrity Information System (FAPIIS)

The IHS is required to review and consider any information about the applicant that is in the FAPIIS at https://www.fapiis.gov/fapiis/#/home before making any award in excess of the simplified acquisition threshold (currently $250,000) over the period of performance. An applicant may review and comment on any information about itself that a Federal awarding agency previously entered. The IHS will consider any comments by the applicant, in addition to other information in FAPIIS, in making a judgment about the applicant’s integrity, business ethics, and record of performance under Federal awards when completing the review of risk posed by applicants, as described in 45 CFR 75.205.

As required by 45 CFR part 75 Appendix XII of the Uniform Guidance, NFEs are required to disclose in FAPIIS any information about criminal, civil, and administrative proceedings, and/or affirm that there is no new information to provide. This applies to NFEs that receive Federal awards (currently active grants, cooperative agreements, and procurement contracts) greater than $10,000,000 for any period of time during the period of performance of an award/project.

Mandatory Disclosure Requirements

As required by 2 CFR part 200 of the Uniform Guidance, and the HHS implementing regulations at 45 CFR part 75, the IHS must require an NFE or an applicant for a Federal award to disclose, in a timely manner, in writing to the IHS or pass-through entity all violations of Federal criminal law involving fraud, bribery, or gratuity violations potentially affecting the Federal award. All applicants and awardees must disclose in writing, in a timely manner, to the IHS and to the HHS Office of Inspector General all information related to violations of Federal criminal law involving fraud, bribery, or gratuity violations potentially affecting the Federal award. 45 CFR 75.113.

Disclosures must be sent in writing to:

U.S. Department of Health and Human Services, Indian Health Service, Division of Grants Management, ATTN: Marsha Brookins, Director, 5600 Fishers Lane, Mail Stop: 09E70, Rockville, MD 20857, (Include “Mandatory Grant Disclosures” in subject line). Office: (301) 443–4750, Fax: (301) 594–0899, Email: DGM@ihs.gov

AND

U.S. Department of Health and Human Services, Office of Inspector General, ATTN: Mandatory Grant Disclosures, Intake Coordinator, 330 Independence Avenue SW, Cohen Building, Room 5527, Washington, DC 20201, URL: https://oig.hhs.gov/fraud/report-fraud/, (Include “Mandatory Grant Disclosures” in subject line), Fax: (202) 205–0604 (Include “Mandatory Grant Disclosures” in subject line) or Email: MandatoryGranteeDisclosures@oig.hhs.gov

Failure to make required disclosures can result in any of the remedies described in 45 CFR 75.371 Remedies for noncompliance, including suspension or debarment (see 2 CFR part 180 and 2 CFR part 376).

VII. Agency Contacts

1. Questions on the programmatic issues may be directed to:

IHS Division of Diabetes Treatment and Prevention, 5600 Fishers Lane, Mailstop: 08N34A, Rockville, MD 20857, Phone: (844) 447–3387, Fax: (301) 594–6213, Email: diabetesprogram@ihs.gov and sdpi@ihs.gov. Division of Diabetes website: https://www.ihs.gov/diabetes/ and https://www.ihs.gov/sdpi/.

2. Questions on grants management and fiscal matters may be directed to:

For IHS Area: Albuquerque, Donald Gooding, Grants Management Specialist, Phone: (301) 443–2298, Email: Donald.Gooding@ihs.gov

For IHS Areas: Nashville, Tucson, Andrew Diggs, Grants Management Specialist, Phone: (301) 443–2241, Email: Andrew.diggs@ihs.gov

For IHS Areas: Great Plains, Oklahoma City, Phoenix, and Portland, Cherron Smith, Grants Management Specialist, Phone: (301) 443–2192, Email: Cherron.Smith@ihs.gov

For IHS Areas: Alaska, Bemidji, and Billings, Patience Musikikongo, Grants Management Specialist, Phone: (301) 443–2059, Email: Patience.Musikikongo@ihs.gov

For Urban, Navajo, and California, Pallop Charoevootitan, Grants Management Specialist, Phone: (301) 443–2195, Email: Pallop.Charoevootitan@ihs.gov, 5600 Fishers Lane, Mail Stop: 09E70, Rockville, MD 20857

3. Questions on systems matters may be directed to:

Paul Gettys, Deputy Director, 5600 Fishers Lane, Mail Stop: 09E70, Rockville, MD 20857, Phone: (301) 443–2114, E-Mail: Paul.Gettys@ihs.gov

VIII. Other Information

The Public Health Service strongly encourages all grant, cooperative agreement, and contract recipients to provide a smoke-free workplace and promote the non-use of all tobacco products. In addition, Public Law 103–227, the Pro-Children Act of 1994, prohibits smoking in certain facilities (or in some cases, any portion of the facility) in which regular or routine education, library, day care, health care, or early childhood development services are provided to children. This is consistent with the HHS mission to protect and advance the physical and mental health of the American people.

Elizabeth A. Fowler,
Acting Director, Indian Health Service.

[FR Doc. 2022–16264 Filed 7–28–22; 8:45 am]
BILLING CODE 4165–16–P

DEPARTMENT OF HOMELAND SECURITY

[Docket No. DHS–2022–0042]

Faith-Based Security Advisory Council

AGENCY: The Office of Partnership and Engagement (OPE), The Department of Homeland Security (DHS).

ACTION: Notice of charter renewal with amendments.

SUMMARY: This notice announces the renewal of the Faith-Based Security Advisory Council (FBSAC) for an additional two years and amendment of its charter.

FOR FURTHER INFORMATION CONTACT: Michael J. Miron at HSAC@hq.dhs.gov or at 202–891–2876.

SUPPLEMENTARY INFORMATION: The Faith-Based Security Advisory Council (FBSAC) charter is established under the authority of 6 U.S.C. 451. This discretionary committee is established in accordance with and operates under the provisions of the Federal Advisory Committee Act (FACA), 5 U.S.C., Appendix. The FBSAC is renewed for an additional two years and its charter has been amended.

Amendments to the charter include:
(1) The previous charter stated that there were 25 members. It is now amended to 30 members.
(2) All FBSAC members will now serve as Representative Members, except the Member from the Department of Justice or Federal Bureau of Investigation who is appointed as a non-voting ex officio member.
(3) The previous charter allowed for members to be drawn from seven government offices. This has been amended to only include one non-voting ex officio member to be appointed from the Department of Justice of Federal Bureau of Investigation.

(4) In compliance with Executive Order 14035 on Diversity, Equity, Inclusion & Accessibility in the Federal Workforce (herein referenced as DEIA), the amended charter will state:
In order for DHS to fully leverage broad-ranging experience and education, the Council must be diverse with regard to professional and technical expertise. DHS is committed to pursuing opportunities, consistent with applicable law, to compose a committee that reflects the diversity of the nation’s people.

In addition to the aforementioned amendments, the renewed charter contains certain technical and organizational but non-substantive changes in terms of format and wording. For any questions regarding the amendments, please contact the individual in the FOR FURTHER INFORMATION CONTACT section.

Dated: July 26, 2022.

Michael J. Miron,
Committee Management Officer, Department of Homeland Security.

DEPARTMENT OF HOMELAND SECURITY

U.S. Citizenship and Immigration Services

[OMB Control Number 1615–0009]

Agency Information Collection Activities; Extension, Without Change, of a Currently Approved Collection: Petition for Nonimmigrant Worker

ACTION: 30-Day notice.

SUMMARY: The Department of Homeland Security (DHS), U.S. Citizenship and Immigration Services (USCIS) will be submitting the following information collection request to the Office of Management and Budget (OMB) for review and clearance in accordance with the Paperwork Reduction Act of 1995. The purpose of this notice is to allow an additional 30 days for public comments.

DATES: Comments are encouraged and will be accepted until August 29, 2022.

ADDRESSES: Written comments and/or suggestions regarding the item(s) contained in this notice, especially regarding the estimated public burden and associated response time, must be submitted via the Federal eRulemaking Portal website at http://www.regulations.gov under e-Docket ID number USCIS–2005–0030. All submissions received must include the OMB Control Number 1615–0009 in the body of the letter, the agency name and Docket ID USCIS–2005–0030.

FOR FURTHER INFORMATION CONTACT: USCIS, Office of Policy and Strategy, Regulatory Coordination Division, Samantha Deshommes, Chief,
