The Proposed Amendment
Accordingly, under the authority delegated to me by the Administrator, the FAA proposes to amend 14 CFR part 39 as follows:

PART 39—AIRWORTHINESS DIRECTIVES

§ 39.13 [Amended]

2. The FAA amends § 39.13 by adding the following new airworthiness directive:

(a) Comments Due Date
The FAA must receive comments on this airworthiness directive (AD) by September 15, 2022.

(b) Affected ADs
None.

(c) Applicability
This AD applies to General Electric Company CF34–6C1, CF34–8C5, CF34–8C5A1, CF34–8C5A2, CF34–8C5A3, CF34–8C5B1, CF34–8E2, CF34–8E2A1, CF34–8E5, CF34–8E5A1, CF34–8E5A2, CF34–8E6, and CF34–8E6A1 model turbofan engines with an installed low-pressure turbine (LPT) stage 5 disk, part number (P/N) 4117T14P02.

(d) Subject
Joint Aircraft System Component (JASC) Code 7250, Turbine Section.

(e) Unsafe Condition
This AD was prompted by a report of a crack found on the LPT stage 5 disk at the forward arm area. The FAA is issuing this AD to prevent failure of the LPT stage 5 disk. The unsafe condition, if not addressed, could result in loss of engine thrust control and reduced control of the airplane.

(f) Compliance
Comply with this AD within the compliance times specified, unless already done.

(g) Required Actions
During the next piece-part exposure after the affected LPT stage 5 disk accumulates 8,000 cycles since new (CSN), remove the affected LPT stage 5 disk and replace with a part eligible for installation.

(h) Installation Prohibition
Do not install an affected LPT stage 5 disk with 8,000 CSN or more into the LPT module of the engine.

(i) Definitions
(1) For the purpose of this AD, a “part eligible for installation” is an LPT stage 5 disk, P/N 4117T14P03, or later approved P/N.
(2) For the purpose of this AD, “piece-part exposure” is when the LPT module is separated from the engine and the LPT stage 5 blades are removed from the LPT stage 5 disk.

(j) Alternative Methods of Compliance (AMOCs)
(1) The Manager, ECO Branch, FAA, has the authority to approve AMOCs for this AD, if requested using the procedures found in 14 CFR 39.19. In accordance with 14 CFR 39.19, send your request to your principal inspector or local Flight Standards District Office, as appropriate. If sending information directly to the manager of the certification office, send it to the attention of the person identified in paragraph (k) of this AD and email to: ANE-AD-AMOCs@faa.gov.
(2) Before using any approved AMOC, notify your appropriate principal inspector, or lacking a principal inspector, the manager of the local flight standards district office/certificate holding district office.

SUPPLEMENTARY INFORMATION:
The Social Security Number Fraud Prevention Act of 2017 (the Act) (Pub. L. 115–59; 42 U.S.C. 405 note), which was signed on September 15, 2017, restricts Federal agencies from including individuals’ SSNs on documents sent by mail, unless the head of the agency determines that the inclusion of the SSN on the document is necessary (section 2(a) of the Act). The Act requires agency heads to issue regulations specifying the circumstances under which inclusion of an SSN on a document sent by mail is necessary. These regulations, which must be issued not later than five years after the date of enactment, shall include instructions for the partial redaction of SSNs where feasible, and shall require that SSNs not be visible on the outside of any package sent by mail (section 2(b) of the Act). This proposed rule would revise NASA’s regulations under the Privacy Act (14 CFR part 1212.6, consistent with the requirements in the Act. The proposed regulation would also clarify the procedural requirements pertaining to the inclusion of SSNs on documents that NASA sends by mail.

Statutory Authority: The National Aeronautics and Space Act (the Space Act), 51 U.S.C. 20101 et seq., authorizes the NASA Administrator to make, promulgate, issue, rescind, and amend rules and regulations governing the manner of its operations and the exercise of the powers vested in it by law. The Social Security Number Fraud Prevention Act of 2017, 42 U.S.C. 405 note, authorizes and requires agencies to promulgate rules related to the mailing of documents that contain an SSN.
Regulatory Analysis
Executive Order 12866, Regulatory Planning and Review, and Executive Order 13563, Improvement Regulation and Regulation Review

Executive Orders 12866 and 13563 direct agencies to assess all costs and benefits of available regulatory alternatives and, if regulation is necessary, to select regulatory approaches that maximize net benefits (including potential economic, environmental, public health and safety effects, distributive impacts, and equity). Executive Order 13563 emphasizes the importance of quantifying both costs and benefits of reducing costs, harmonizing rules, and promoting flexibility. This proposed rule is not a significant regulatory action under section 3(f) of Executive Order 12866 and was not reviewed by the Office of Management and Budget.

Review Under the Regulatory Flexibility Act

The Regulatory Flexibility Act (5 U.S.C. 601 et seq.) requires an agency to prepare an initial regulatory flexibility analysis to be published at the time the proposed rule is published. This requirement does not apply if the agency “certifies that the rule will not, if promulgated, have a significant economic impact on a substantial number of small entities” (5 U.S.C. 605(b)). This proposed rule does not have any economic impact on small entities.

Review Under the Paperwork Reduction Act

This proposed rule does not contain any information collection requirements subject to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 et seq.).

Review Under Executive Order of 13132

Executive Order 13132, “Federalism,” 64 FR 43255 (August 4, 1999) requires regulations be reviewed for Federalism effects on the institutional interest of states and local governments, and, if the effects are sufficiently substantial, preparation of the Federal assessment is required to assist senior policy makers. The amendments will not have any direct effects on state and local governments within the meaning of the Executive Order. Therefore, no Federalism assessment is required.

List of Subjects in 14 CFR Part 1212

Privacy, Privacy Act.

For reasons discussed in the preamble, NASA amends 14 CFR part 1212 as follows:

PART 1212—PRIVACY ACT—NASA REGULATIONS

1. The authority citation for part 1212 is revised to read as follows:

2. In §1212.604, add paragraph (c) to read as follows:

(c) Social Security Numbers on items sent by mail.

(1) Social Security account numbers shall not be visible on the outside of any package sent by mail. (2) A document sent by mail may only include the Social Security account number of an individual if it is determined by the Administrator that the inclusion of a Social Security account number is necessary. (3) The inclusion of a Social Security account number of an individual on a document sent by mail is necessary when—

(i) Required by law; or
(ii) Necessary to identify a specific individual and no adequate substitute is available. (4) Social Security account numbers must be partially redacted in documents sent by mail whenever feasible.

BILLING CODE P

DEPARTMENT OF VETERANS AFFAIRS

38 CFR Part 61

RIN 2900–AR35

VA Homeless Providers Grant and Per Diem Program

AGENCY: Department of Veterans Affairs.

ACTION: Proposed rule.

SUMMARY: The Department of Veterans Affairs (VA) is proposing to amend its regulations that govern its Homeless Providers Grant and Per Diem Program. This proposed rule would implement the Johnny Isakson and David P. Roe, M.D. Veterans Health Care and Benefits Improvement Act of 2020 by amending the allowable rate of per diem VA provides to grant recipients and eligible entities for homeless veterans and establishing a new rate for homeless veterans who care for a minor dependent by adding an additional per diem amount for each minor dependent. This proposed rule would also make technical corrections and update outdated terminology and cross-references.

DATES: Comments must be received on or before September 30, 2022.

ADDRESSES: Comments may be submitted through www.Regulations.gov. Comments should indicate that they are submitted in response to “RIN 2900–AR35—VA Homeless Providers Grant and Per Diem Program.” Comments received will be available at regulations.gov for public viewing, inspection or copies.

FOR FURTHER INFORMATION CONTACT: Chelsea Watson, Director, Grant/Per Diem Program, (673/GPD), VA National Grant and Per Diem Program Office, 810 Vermont Ave. NW, Washington, DC 20420. GPDgrants@va.gov (813) 979–3570. (This is not a toll-free number.)

SUPPLEMENTARY INFORMATION: On January 5, 2021, section 4204 of the Johnny Isakson and David P. Roe, M.D. Veterans Health Care and Benefits Improvement Act of 2020, Public Law 116–315 (the Act), amended VA’s authority for the VA Homeless Providers Grant and Per Diem Program in 38 United States Code (U.S.C.) 2012. The GPD Program provides grants to recipients and eligible entities to provide transitional housing with supportive services for veterans experiencing homelessness as they transition to permanent housing. The purpose of the GPD Program is to promote the development and provision of supportive housing or supportive services with the goal of helping homeless veterans achieve residential stability, increase their skill levels and income, and obtain greater self-determination. Section 2012 establishes the parameters for the rate of per diem payments VA will provide to a grant recipient or eligible entity for services furnished to homeless veterans. VA implements section 2012 in regulation in 38 Code of Federal Regulations (CFR) part 61.

The Act amended the parameters in which VA can adjust the per diem amount and established an additional amount of per diem for veterans with minor dependents. Therefore, we propose to amend 38 CFR part 61 to reflect these statutory changes. We also
