DEPARTMENT OF JUSTICE

48 CFR Chapter 28

[Docket No. JMD 155]

RIN 1105-AB54

Streamlining DOJ Acquisition Regulations (JAR)

AGENCY: Justice Management Division, Department of Justice.

ACTION: Final rule.

SUMMARY: The Department of Justice is revising the Justice Acquisition Regulations (JAR) in its entirety in order to update and streamline agency procurement actions consistent with the Federal Acquisition Reform Act, and the Federal Acquisition Streamlining Act. The JAR supplements the executive branch-wide Federal Acquisition

Regulations (FAR) to address matters specific to the Department of Justice relating to its procurement of goods and services. It covers mostly internal policies and procedures, but also includes some rules governing private entities doing business with the Department.

DATES: This rule is effective on September 2, 2022.

FOR FURTHER INFORMATION CONTACT: Tara M. Jamison, Director, Office of Acquisition Management, Justice Management Division, 145 N Street NE, Room 8W.210, Washington, DC 20530, (202) 616-3754 (not a toll-free call).

SUPPLEMENTARY INFORMATION:

I. Summary

This rule codifies changes to the Justice Department's Justice Acquisition Regulations that were proposed in the proposed rule on this subject that was published on October 21, 2021 (86 FR 58526). The public comment period ended on December 20, 2021. The Department received only two comments on proposed rule which are discussed below.

II. Discussion

A. Background—The FAR, the OFPP Act, and the JAR

When Federal agencies acquire supplies or services using appropriated funds, the purchase is governed by the Federal Acquisition Regulations (FAR), set forth at title 48 of the CFR, chapter 1, parts 1 through 53, and any agency regulations that implement or supplement the FAR.

The Office of Federal Procurement Policy Act (OFPP), as codified in 41 U.S.C. 1707, provides the authority for an agency to issue acquisition regulations that implement or supplement the FAR. This authority ensures that Government procurements are handled fairly and consistently, that the Government receives overall best value, and that the Government and contractors both operate under a known set of rules.

The Justice Acquisition Regulations (JAR) are set forth at title 48 CFR, chapter 28, parts 2801 through 2852, and provide procurement regulations that supplement the FAR to address matters specific to the Department of Justice (“the Department” or “DOJ”) relating to its acquisition of goods and services. As such, the JAR covers only those areas where agency implementation is required by the FAR, or where DOJ policies and procedures exist that supplement FAR coverage.

B. Purpose of the Regulatory Action

The revisions made by this rule will align internal departmental guidance in the JAR with the FAR and remove outdated and duplicative requirements. The revisions will revise the existing regulation promulgated at 63 FR 16118-01 on April 2, 1998, corrected at 63 FR 26738-01, May 14, 1998, and amended at 64 FR 37044-01, July 9, 1999 (together, the “current regulation”). Among other things, the revisions will: (1) update definitions and descriptions, (2) streamline certain sections, (3) remove extraneous procedural information that applies only to DOJ's internal operating procedures, (4) delete outdated information, (5) incorporate new regulatory sections to align with internal bureau procedures as appropriately contained in DOJ policy orders and policy instructions, and (6) simplify other parts for efficiency.

This rulemaking effort creates an efficient JAR that is more straightforward and less burdensome. The revised JAR will supersede the current regulation in its entirety.

C. Relation of the FAR to the JAR

The FAR contains many requirements related to agency procedures, which will not be repeated in DOJ's revision of the JAR. If the JAR does not include provisions supplementing the FAR under the corresponding part or subpart, it is because the FAR language is considered sufficient. Where the JAR states “in accordance with bureau procedures” or “in accordance with agency procedures,” this does not mean that the bureau or the agency must have a procedure. It is intended that the bureau or agency procedures are to be followed if they exist, but does not mean that the bureau or the agency necessarily has a formal written procedure. Where neither the JAR nor bureau procedures address a FAR subject, the FAR guidance is to be followed. The JAR is not a complete system of regulations and must be used in conjunction with the FAR.

D. Summary of Noteworthy Changes

Most of the changes to 48 CFR chapter 28 relate to internal Department policies and procedures that do not impact the public. For example, the revisions identify the individuals within the Department who will exercise particular responsibilities set forth in the FAR, and whether such responsibilities may be delegated. There are, however, two provisions that impact the public. Part 2833 contains revisions to the process for filing and deciding agency protests of procurement decisions. In addition,

the revisions include a new section 2852.212–4, which is a FAR deviation that sets forth certain terms and conditions that will apply to all software licenses.

E. Other Changes and Effect on Non-Department Entities

While most of the changes to the JAR made by this rule relate to internal policies and procedures, some changes govern matters relating to private entities selling goods or services to the Department. In particular, the rule includes changes related to the filing and deciding of procurement protests filed with the Department, and also includes a FAR deviation that establishes certain terms and conditions that will be incorporated in all software licenses with the Department.

Some subparts/sections that are being removed addressed matters that are now addressed in new subparts/sections with different numbering, while some subparts/sections are being removed altogether. The removal of subparts by this rule merely eliminates from the JAR provisions that are either already in the FAR or that only pertain to internal policy guidance. None of the subparts or sections being removed altogether addressed matters affecting persons or entities external to the Department. To the extent matters addressed in such removed subpart/sections are incorporated into internal Department guidance documents, this will not affect persons or entities external to the Department.

Attached to this rule is an Appendix that lists the sections of the JAR that are being removed and/or renamed. The Appendix will not be codified.

III. Discussion of Comments

One comment recommended that the Justice Department should adopt this rule, because it would be good for the Justice Department and provide a good example for other Government agencies to get more in line with Federal regulations and modernize their current regulations when possible.

A second commenter expressed concern about the variance between the current existing regulations and the regulations being proposed. In particular, the commenter suggested that this rule has a direct effect on interstate commerce and raises federalism concerns through the rule's affect on the states through potential taxation of acquisitions. In response, the Department notes that this rule: (1) has no impact on State or local governments in their governmental capacity, (2) imposes no taxes on such governments, (3) imposes no requirements on such

governments regarding their own procurement or acquisition policies. State and local governments would only come under the provisions of this rule if they were selling some product or service to the Justice Department pursuant to the normal Justice Department acquisition process. In that case, such governments would be treated by this rule like any other vendor selling to DOJ. Further, this rule imposes no burdens on interstate commerce but, rather, by simplifying and streamlining the JAR should make the process of selling goods and services to DOJ easier to understand.

The Department believes that the comments received on the JAR proposed rule do not require changes to the rule. Accordingly, this final rule finalizes the proposed rule without change.

IV. Regulatory Certifications

Executive Orders 12866 and 13563—Regulatory Review

This regulation has been drafted and reviewed in accordance with Executive Orders 12866 and 13563. This rule is primarily limited to agency organization, management and personnel as described by Executive Order 12866, section 3(d)(3) and, therefore, is not a “regulation” as defined by that Executive order. Accordingly, this action has not been reviewed by the Office of Management and Budget.

Executive Orders 12866 and 13563 direct agencies to assess all costs and benefits of available regulatory alternatives. The Justice Management Division (JMD) has examined the economic, budgetary, and policy implications of its regulatory action, and has determined that the impact on the public is minimal. The regulation mainly relates to internal Department policies and procedures that do not impact the public.

Regulatory Flexibility Act

The Attorney General in accordance with the Regulatory Flexibility Act (5 U.S.C. 605(b)), has reviewed this regulation and by approving it certifies that it will not have a significant economic impact on a substantial number of small entities for the following reasons. The rule applies primarily to DOJ internal operating procedures and would generally be business neutral. DOJ estimates that no cost impact would result from this rule update for individual business.

Executive Order 13132—Federalism

This regulation will not have substantial direct effects on the States,

on the relationship between the National Government and the States, or on distribution of power and responsibilities among the various levels of government. Therefore, in accordance with Executive Order 13132, it is determined that this rule does not have sufficient federalism implications to warrant the preparation of a Federalism Assessment.

Executive Order 12988—Civil Justice Reform

This regulation meets the applicable standards set forth in sections 3(a) and 3(b)(2) of Executive Order 12988.

Unfunded Mandates Reform Act of 1995

The Unfunded Mandates Reform Act of 1995 requires, at 2 U.S.C. 1532, that agencies prepare an assessment of anticipated costs and benefits before issuing any rule that may result in the expenditure by State, local, and tribal governments, in the aggregate, or by the private sector, of \$100 million or more (adjusted annually for inflation) in any one year. This rule would have no such effect on State, local, and tribal governments or on the private sector.

Congressional Review Act

This rule is not a major rule as defined by the Congressional Review Act, 5 U.S.C. 804. This rule will not result in an annual effect on the economy of \$100,000,000 or more; a major increase in costs or prices; or significant adverse effects on competition, employment, investment, productivity, innovation, or on the ability of United States-based companies to compete with foreign-based companies in domestic and export markets.

JMD has determined that this action is a rule relating primarily to agency organization, procedure or practice that does not substantially affect the rights or obligations of non-agency parties, and, accordingly, is not a “rule” as that term is used by the Congressional Review Act. Therefore, the reporting requirement of 5 U.S.C. 801 does not apply.

Paperwork Reduction Act

This rule imposes no information collection or recordkeeping requirements.

Signing Authority

In accordance with Paragraph 8 of Attorney General Order 1687–93, the undersigned is authorized to sign and submit this document to the Office of the Federal Register for publication electronically as an official document of the Department of Justice.

Subpart 2801.1—Purpose, Authority, Issuance**2801.101 Purpose.**

(a) The Justice Acquisition Regulation (JAR) provides agency guidance, in accordance with Federal Acquisition Regulation (FAR) 1.301(a)(2), and establishes, in this chapter, procurement regulations that supplement the FAR, 48 Code of Federal Regulations (CFR) chapter 1, and must be utilized conjunction with the FAR.

(b)(1) The JAR contains Department of Justice (DOJ) policies that govern DOJ's acquisition process or otherwise control acquisition relationships between DOJ's contracting activities and contractors. The JAR contains—

- (i) Requirements of law;
 - (ii) Deviations from the FAR requirements; and
 - (iii) Policies that either have a significant effect beyond the internal procedures of DOJ or a significant cost or administrative impact on contractors or offerors.
- (2) Relevant internal DOJ policies, procedures, guidance, and information

not meeting the criteria in paragraph (b)(1) of this section are issued by DOJ in other announcements, internal policies, procedures, or guidance.

2801.105 Issuance.

2801.105-2 Arrangement of regulation.

The JAR is subdivided into parts, which correspond to FAR parts. The numbering system permits the discrete

identification of every JAR paragraph. This numbering system permits immediate identification of each JAR part with coverage of the same subject matter and same numbering system as in the FAR. Supplementary material for which there is no counterpart in the FAR is identified by a numerical suffix of 70 or higher in the final position of the reference number.

2801.106 OMB approval under the Paperwork Reduction Act.

The Paperwork Reduction Act of 1995 (44 U.S.C. chapter 35) and the Office of Management and Budget's (OMB) implementing regulations at 5 CFR part 1320, require that reporting and recordkeeping requirements affecting ten (10) or more members of the public be cleared by OMB. The OMB control number for the collection of information under this chapter is 1103-0018.

Subpart 2801.3—Agency Acquisition Regulations

2801.304 Agency control and compliance procedures.

Pursuant to FAR 1.304, the Senior Procurement Executive (SPE) is responsible for ensuring that bureau acquisition guidance and directives do not restrain the flexibilities found in the FAR. For this reason, bureaus shall forward any bureau acquisition guidance to the SPE upon issuance. The SPE has the authority to revoke any guidance or directive considered restrictive of the regulations found in the FAR.

Subpart 2801.4—Deviations From the FAR and JAR

2801.403 Individual deviations.

Individual deviations from the FAR or the JAR that affect only one contract action shall be approved by the Head of the Contracting Activity (HCA) or designee.

2801.404 Class deviations.

Requests for class deviations from the FAR or JAR shall be submitted to the SPE. The SPE will consult with the chairperson of the Civilian Agency Acquisition Council (CAAC), as appropriate, and send his/her

recommendations to the Chief Acquisition Officer (CAO). The CAO will grant or deny requests for such deviations. Requests for deviations involving basic ordering agreements, master type contracts, or situations where multiple awards are made from one solicitation are considered to involve more than one contract and, therefore, are considered class deviation requests.

2801.404-70 Requests for class deviations.

Requests for approval of class deviations from the FAR or the JAR, for any solicitation that will result in multiple awards, shall be forwarded to the SPE. Such requests will be signed by the Bureau Procurement Chief (BPC).

Subpart 2801.6—Career Development, Contracting Authority, and Responsibilities

2801.601 General.

(a) In accordance with Attorney General Order 1687-93, the authority vested in the Attorney General (AG) with respect to contractual actions for goods and services is delegated to the following officials to serve as HCAs:

- (1) Director, Bureau of Alcohol, Tobacco, Firearms, and Explosives (ATF);
- (2) Director, Bureau of Prisons (BOP);
- (3) Administrator, Drug Enforcement Administration (DEA);
- (4) Director, Federal Bureau of Investigation (FBI);
- (5) Director, Federal Prison Industries (FPI/UNICOR);
- (6) Inspector General, Office of the Inspector General (OIG);
- (7) Assistant Attorney General, Office of Justice Programs (OJP);
- (8) Director, U.S. Marshals Service (USMS); and

(9) Assistant Attorney General for Administration (AAG/A) (for the Offices, Boards, and Divisions).

(b) The acquisition authority delegated to the officials in paragraph (a) of this section may be redelegated to subordinate officials as necessary for the efficient and proper administration of the Department's acquisition operations, unless otherwise prohibited by the FAR or JAR. Such redelegated authority shall expressly state whether it carries the power of redelegation of authority.

2801.604 Contracting Officer's Representative (COR).

Contracting officers may appoint individuals to act as authorized representatives in the monitoring and administration of a contract. Such officials shall be designated as a Contracting Officer's Representative (COR). When a COR is to be designated, contracting officers shall include the clause at JAR 2852.201-70 in all contracts. A COR's authority is limited to the authority set forth in the subject clause.

Authority: 28 U.S.C. 510; 40 U.S.C. 486(c); 28 CFR 0.75(j) and 0.76(j).

Subpart 2833.1—Protests**2833.101 Definitions.**

(a) *Agency Protest Official (APO)* means the Deciding Official for a procurement protest filed with a contracting activity of DOJ when the contracting officer will not be the Deciding Official because of the protestor's election under JAR 22833.103(b). The HCA will designate the individual who will serve as the APO for a given protest subject to the following:

(1) The APO will be at an organizational level above that of the contracting officer, will be knowledgeable about the acquisition process in general, and will not have had any previous personal involvement or programmatic interest in the procurement that is the subject of the protest.

(2) The departmental or bureau Competition Advocate may serve as the APO.

(b) *Deciding Official* means the official who will review and decide a procurement protest filed with the agency. The Deciding Official will be the contracting officer unless the protestor requests pursuant to JAR 2833.103(b) that the protest be decided by an individual above the level of the contracting officer, in which case the HCA will designate an APO to serve as the Deciding Official.

(c) *Interested party* means an actual or prospective offeror whose direct economic interest would be affected by the award of a contract or by the failure to award a contract.

2833.102 General.

(a) This part prescribes policies and procedures for processing protests to DOJ in accordance with FAR 33.103 and Executive Order 12979, Agency Procurement Protests, dated October 25, 1995.

(b) Contracting officers and contractors are encouraged to use their best efforts to resolve concerns outside of the protest process through frank and open discussion as required by FAR 33.103(b) or through alternative dispute resolution techniques where appropriate.

(c) Responsibilities are as follows:

(i) *Contracting officers.* (i) Include the provision at JAR 2852.233–70 in all solicitations that are expected to exceed the simplified acquisition threshold.

(ii) When serving as the Deciding Official, decide the protest using the procedures in this subpart and FAR 33.103(d)(2).

(iii) If the protestor requests that the protest be decided at a level above the contracting officer, the contracting officer shall ensure that the Agency Protest Official, once designated, receives a copy of the protest and any other materials the protestor has provided to the contracting officer in support of the protest.

(2) *Agency Protest Official.* The APO shall use the procedures in this subpart and FAR 33.103 to provide an independent review of and decision on the issues raised in the protest.

2833.103 Protests to the agency.

(a) The filing time frames in FAR 33.103(e) apply. An agency protest is filed when the protest is received at the location the solicitation designates for serving protests.

(b) Only interested parties may file a protest.

(c) An interested party filing an agency protest has the choice of requesting either that the contracting officer or an individual above the level of the contracting officer decide the protest.

(d) In addition to the information required by FAR 33.103(d)(2), the protest shall:

(1) Indicate that it is a protest to the agency.

(2) Be filed with the contracting officer or other official designated to receive protests.

(3) State whether the protestor chooses to have the contracting officer or an individual above the level of the contracting officer decide the protest. If the protest is silent on this matter, the contracting officer will decide the protest.

(4) Indicate whether the protestor prefers to make an oral or written presentation of arguments in support of the protest to the Deciding Official.

(e) Upon receipt of a protest by the agency, the contracting officer, even when not serving as the Deciding Official, will notify other vendors competing in the procurement of the protest, any stay of award or suspension of performance, and/or any determination under FAR 33.103(f)(1) or (3) if and when made.

(f) Intervenors to the protest are not permitted.

(g) The decision by the Agency Protest Official is an alternative to a decision by the contracting officer on a protest. The Agency Protest Official will not consider appeals from a contracting officer's decision on an agency protest and a decision by the Agency Protest Official is final and not appealable.

(h) The protestor has only one opportunity to support or explain the substance of its protest. DOJ procedures do not provide for any discovery. The Deciding Official has discretion to request additional information from the agency or the protestor.

(i) A protestor may represent itself or be represented by legal counsel. DOJ will not reimburse the protestor for any legal fees or costs related to the agency protest.

(j) If an agency protest is received before contract award, the contracting officer shall not make award unless the HCA or designee makes a determination to proceed under FAR 33.103(f)(1).

Similarly, if an agency protest is filed within ten (10) days after award or within 5 days after a debriefing date has been offered to the protestor under a timely debriefing request under FAR 15.505 or 15.506, whichever is later, the contracting officer shall suspend contract performance unless the HCA or designee makes a determination to proceed under FAR 33.103(f)(3). Any stay of award or suspension of performance remains in effect until the agency protest is decided, dismissed, or withdrawn.

(k) The deciding official's decision may be oral or written. If oral, the deciding official shall send a confirming letter after the decision using a means that allows proof of receipt, including electronic mail. The letter shall:

- (1) State whether the protest was denied, sustained, or dismissed;
- (2) Indicate the date the decision was provided; and
- (3) Provide the rationale for the decision.

(l) If the deciding official sustains the protest, relief may consist of any of the following:

- (1) Termination of the contract for convenience or cause.
 - (2) Reopening the requirement.
 - (3) Amending the solicitation.
 - (4) Refraining from exercising contract options.
 - (5) Reevaluating the offers or bids and making a new award determination.
 - (6) Other action that the deciding official determines is appropriate.
- (m) Proceedings on an agency protest shall be dismissed if a protest on the same or similar basis is filed with a protest forum outside of DOJ.

Subpart 2833.2—Disputes and Appeals

2833.203 Applicability.

The SPE is the agency head for the purposes of FAR 33.203(b).

2833.209 Suspected fraudulent claims.

Contracting officers shall report suspected fraudulent claims to the OIG for investigation.

2833.211 Contracting officer's decision.

The Civilian Board of Contract Appeals (CBCA) hears and decides contract disputes originating from DOJ.

2833.214 Alternative dispute resolution (ADR).

2833.214–70 Policy.

It is DOJ's goal to resolve contract disputes before the issuance of a contracting officer's final decision under the Contract Disputes Act. Therefore, contracting officers will consider all possible means of reaching a negotiated settlement consistent with the Government's best interest, before issuing a final decision on a contractor claim under the process outlined in FAR 33.206 through 33.211.

(a) *Major automated information system.* Within DOJ, a major automated information system is one whose life-cycle cost is in excess of \$100 million.

(b) *Major real property system.* (1) By purchase, when the assessed value of the property exceeds \$60 million.

(3) By transfer from another agency at no cost when the assessed value of the property exceeds \$12 million.

(c) *Research and development (R&D) system.* Any R&D activity expected to exceed \$500,000 for the R&D phase is subject to OMB Circular A–109, unless exempted by the HCA or designee under paragraph (e) of this section.

(d) *Any other system or activity.* The HCA or designee responsible for the system may designate any system or activity as a Major System under OMB Circular A–109, e.g., selected systems designed to support more than one principal organizational unit.

(e) *Exemption.* The CAO, upon recommendation by the HCA or designee responsible for the system, may determine that, because of the routine nature of the acquisition, the system (e.g., an information system utilizing only off-the-shelf hardware or software) will be exempt from the OMB Circular A–109 process, even where by virtue of the life cycle costs it would otherwise be identified as “major” in response to OMB Circular A–109.

2852.212–4 Contract Terms and Conditions, Commercial Items (FAR Deviation).

As prescribed in JAR 2812.301, insert the following provision:

Terms and Conditions—Commercial Items (NOV 2020)

When a commercial item is contemplated (using FAR part 12 procedures or otherwise) and the contract will include FAR 52.212–4, the following replaces subparagraph (g)(2); paragraph (h); subparagraph (i)(2); paragraph (s); and paragraph (u), Unauthorized Obligations, of the basic

FAR clause, and adds paragraph (w), as follows:

(g)(2) Invoices will be handled in accordance with the Prompt Payment Act (31 U.S.C. 3903) and Office of Management and Budget (OMB) prompt payment act regulations at 5 CFR part 1315, as modified by subparagraph (i)(2), *Prompt payment*, of this clause.

* * * * *

(h) *Patent indemnity*. Contractor shall indemnify and hold harmless the Government and its respective affiliates, officers, directors, employees, agents, successors and assigns (collectively, “Indemnities”) from and against any and all liability and losses incurred by the Indemnities that are (i) included in any settlement and/or (ii) awarded by a court of competent jurisdiction arising from or in connection with any third party claim of infringement made against Indemnities asserting that any product or service supplied under this contract constitutes infringement of any patent, copyright, trademark, service mark, trade name or other proprietary or intellectual right. This indemnity shall not apply unless Contractor shall have been informed within a reasonable time by the Government of the claim or action alleging such infringement and shall have been given such opportunity as is afforded by applicable laws, rules, or regulations to participate in its defense. This indemnity also shall not apply to any claim unreasonably settled by the Government which obligates Contractor to make any admission or pay any amount without written consent signed by an authorized officer of Contractor, unless required by final decree of a court of competent jurisdiction.

* * * * *

(i)(2) *Prompt payment*. The Government will make payment in accordance with the Prompt Payment Act (31 U.S.C. 3903) and prompt payment regulations (5 CFR part 1315), with the following modification regarding the due date: For the sole purpose of computing an interest penalty due the Contractor, the Government agrees to inspect and determine the acceptability of any supply delivered or service performed specified in the invoice within thirty (30) days of receipt of a proper invoice from the Contractor, after which time, if no affirmative action has been taken by the Government to accept such supply or service, the supply or service will be deemed accepted and payment due thirty (30) days from the date of deemed acceptance. If the Government makes the determination that the item delivered or service performed is

deficient or otherwise unacceptable, or the invoice is otherwise determined not to be a proper invoice, the terms and conditions of this paragraph regarding prompt payment will apply to the date the Contractor corrects the deficiency in the item delivered or service performed or submits a proper invoice. If actual acceptance occurs within the constructive acceptance period, the Government will base the determination of an interest penalty on the actual date of acceptance. The constructive acceptance requirement does not, however, compel Government officials to accept supplies or services, perform contract administration functions, or make payment prior to fulfilling their responsibilities.

* * * * *

(s) *Order of precedence*. Any inconsistencies in this solicitation or contract shall be resolved by giving precedence in the following order:

(1) The schedule of supplies/services.

(2) The Assignments, Payments, Invoice, Other Compliances, and Compliance with Laws Unique to Government Contracts provisions of the basic FAR clause at 52.212–4, and the Unauthorized Obligations and Contractor’s Commercial Supplier Agreements—Unenforceable Clauses provisions of JAR 2852.212–4.

(u) *Unauthorized obligations*.

(1) Except as stated in paragraph (u)(2) of this clause, when any supply or service acquired under this contract or order is subject to any Commercial supplier agreement that includes any language, provision, or clause requiring the Government to indemnify the Contractor or any person or entity for damages, costs, fees, or any other loss or liability that would create an Anti-Deficiency Act violation (see 31 U.S.C. 1341), the following shall govern:

(i) Any such language, provision, or clause is unenforceable against the Government.

(ii) Neither the Government nor any Government authorized end user shall be deemed to have agreed to such clause by virtue of it appearing in the commercial supplier agreement. If the commercial supplier agreement is invoked through an “I agree” click box or other similar mechanism (e.g., “click-wrap” or “browse-wrap” agreements), execution does not bind the Government or any Government authorized end user to such clause.

(iii) Any such language, provision, or clause is deemed to be stricken from the commercial supplier agreement and have no effect.

(2) Paragraph (u)(1) of this clause does not apply to indemnification by the Government that is expressly authorized by statute and specifically authorized under applicable agency regulations and procedures.

* * * * *

(w) *Commercial supplier agreements—unenforceable clauses.* When any supply or service acquired under this contract or order is subject to a contractor’s commercial supplier agreement, the following shall be deemed incorporated into such agreement and modifies and replaces any similar language, provision, or clause in such agreement. As used herein, “this agreement” means any contractor commercial supplier agreement:

(1) Notwithstanding any other provision of this agreement, when the end user is an agency or instrumentality of the U.S. Government, the following shall apply:

(i) *Applicability.* This agreement is a part of a contract between commercial supplier and the U.S. Government for the acquisition of the supply or service that necessitates a license or other similar legal instrument (including all contracts, task orders, and delivery orders under FAR part 12).

(ii) *End user.* This agreement shall bind the Government as end user but shall not operate to bind the Government employee or person acting on behalf of the Government in his or her personal capacity.

(iii) *Law and disputes.* This agreement is governed by Federal law.

(A) Any language, provision, or clause purporting to subject the U.S. Government to the laws of any U.S. state, territory, district, or municipality, or the laws of a foreign nation, except where Federal law expressly provides for the application of such laws, is hereby deleted and shall have no effect.

(B) Any language, provision, or clause requiring dispute resolution in a specific forum or venue that is different

from that prescribed by applicable Federal law is hereby deleted and shall have no effect.

(C) Any language, provision, or clause prescribing a different time period for bringing an action than that prescribed by applicable Federal law in relation to a dispute is hereby deleted and shall have no effect.

(iv) *Continued performance.* Notwithstanding any other provision in this agreement, if the Contractor believes the Government to be in breach of this contract, order, or agreement, it shall pursue its rights under the Contract Disputes Act or other applicable Federal statute while continuing performance as set forth in subparagraph (d), Disputes, of FAR 52.212–4.

(v) *Arbitration; equitable or injunctive relief.* In the event of a claim or dispute arising under or relating to the contract, order, or this agreement, (A) binding arbitration shall not be used unless otherwise specifically authorized by agency guidance, and (B) equitable or injunctive relief, including the award of attorney fees, costs or interest, may be awarded against the Government only when explicitly provided by statute.

(vi) *Updating terms.*

(A) After award, the contractor may unilaterally revise terms if they are not material. Material terms are defined as:

(1) Terms that change Government rights or obligations;

(2) Terms that increase Government prices;

(3) Terms that decrease the overall level of service; or

(4) Terms that limit any other Government right addressed elsewhere in this contract.

(B) For revisions that materially change the terms of the contract, the revised commercial supplier agreement must be incorporated into the contract using a bilateral modification.

(C) Any agreement terms or conditions unilaterally revised subsequent to award that are inconsistent with any material term or provisions of this contract shall not be enforceable against the Government, and the Government shall not be deemed to have consented to them.

(vii) *Order of precedence.* Any Order of Precedence clause in any commercial supplier agreement is not enforceable against the Government. The applicable Order of Precedence for this contract, order, or agreement is FAR 52.212–4(s), as revised by JAR 2812.302 and 2852.212–4(s).

(viii) *No automatic renewals.* If any license or service tied to period payment is provided under this agreement (e.g., annual software

maintenance or annual lease term), such license or service shall not renew automatically upon expiration of its current term without prior express consent by a properly warranted contracting officer, and any provision or term of any license or service purporting to provide for automatic renewal is unenforceable against the Government.

(ix) *Indemnification by the Government or end-user.* Any language, provision, or clause of this commercial supplier agreement requiring the Government or End-user to indemnify the commercial supplier or licensor is not enforceable against the Government.

(x) *Indemnification by the commercial supplier or licensor.* Any clause of this agreement requiring or permitting the commercial supplier or licensor to defend the Government as a condition of indemnifying the Government for any claim of infringement is hereby amended to provide that the U.S. Department of Justice has the sole right to represent the United States in any such action, in accordance with 28 U.S.C. 516.

(xi) *Audits.* Any language, provision, or clause of this commercial supplier agreement permitting Contractor to audit the end user’s compliance with this agreement is not enforceable against the Government. To the extent any language, provision or clause of this agreement permits Contractor to audit the Government’s compliance under this contract, order, or agreement, such language, provision, or clause of this agreement is hereby stricken and replaced as follows:

“(A) If Contractor reasonably believes that the Government has violated the terms of this agreement with regard to the restrictions on authorized use and/or the number of authorized users, upon written request from Contractor, including an explanation of the basis for the request, DOJ will provide a redacted version of the Government’s most recent Security Assessment and Authorization package (SAA) to Contractor on a confidential basis, so that Contractor may reasonably verify the Government’s compliance with its obligations under this agreement. Contractor understands and agrees that the Government will remove or redact any information from the SAA that it reasonably believes may compromise (a) the security of the Government’s information technology environment; (b) the confidentiality of any third-party proprietary or confidential information; (c) any confidential, sensitive law enforcement information; and (d) any other information that the Government believes may compromise a past, current, or prospective investigation,

prosecution, or litigation.

Notwithstanding the preceding, and subject to the Government's policies and procedures for such review, including but not limited to complying with all Government security requirements prior to being granted access to the Government's facilities, including the execution of appropriate confidentiality and/or non-disclosure agreements, the Government will arrange, upon Contractor's written request, for Contractor to view an un-redacted version of the SAA on Government premises. Contractor understands that Contractor will be provided a copy of the un-redacted SAA on Government premises only and that no un-redacted copy of the SAA, or any medium containing information relating to it, will be permitted to be removed from Government premises.

(B) The Contractor also understands and agrees that the Contractor shall make a request under this paragraph no more than on an annual basis and only during the period of the contract, and that any activities performed by Contractor under this clause will be performed at Contractor's expense, without reimbursement by the Government.

(C) Discrepancies found with regard to the restrictions on authorized use and/or the number of authorized users may result in a charge by Contractor to the Government. Any resulting invoice must comply with the proper invoicing and payment requirements specified in the contract. This charge, if disputed by the Government, will be resolved through the Disputes clause at 52.212-4(d); no payment obligation shall arise on the part of the Government until the conclusion of the dispute process."

(xii) *Taxes or surcharges.* Any taxes or surcharges which the Contractor seeks to pass along to the Government as end user will be governed by the terms of the underlying Government contract and, in any event, must be submitted to the Contracting Officer for a determination of applicability prior to invoicing unless specifically agreed to otherwise in the Government contract.

(xiii) *Non-assignment.* This agreement may not be assigned, nor may any rights or obligations thereunder be delegated, without the Government's prior approval, except as expressly permitted under FAR 52.212-4 (b), Assignment.

(xiv) *Confidential information.*

(A) During the term of this contract or order, either party may identify information as "confidential information," and there shall be no disclosure, dissemination, or publication of any such information except to the extent required for the

performance of this contract or order and otherwise provided in this clause or by statute or regulation. Specifically, the parties agree that the party receiving confidential information may only disclose such information to its employees and contractors on a "need-to-know" basis to carry out the obligations of this contract or order, and that subcontractors performing under this Agreement are subject to the same stipulations provided in this provision. The parties also agree that this provision shall survive the termination of this contract or order, and any confidential information obtained or received which comes within these restrictions shall remain confidential, provided that the obligation to treat information as confidential shall not apply to information which is or becomes publicly available through no improper action of the receiving party; is or comes to be in the receiving party's possession independent of its relationship with the disclosing party; is developed by or becomes known to the receiving party without use of any confidential information of the disclosing party; or is obtained rightfully from a third party not bound by an obligation of confidentiality. Additionally, nothing in this contract or order shall restrict disclosure by the receiving party pursuant to any applicable law, including but not limited to the Freedom of Information Act, 5 U.S.C. 552, *et seq.*, or an order of any court of competent jurisdiction, provided that in either such case the receiving party gives prompt notice to the disclosing party to allow the disclosing party to interpose an objection to such disclosure, take action to assure confidential handling of the confidential information, or take such other action as it deems appropriate to protect its confidential information.

(B) The Government considers and hereby identifies as confidential any and all information related to any inquiries and/or searches performed by the Government or by contractor at the Government's direction under this contract or order, including the subject of any such inquiry or search and any and all search terms, regardless of whether provided in writing or orally to Contractor, and Contractor agrees that it may only disclose such information to its employees and contractors on a "need-to-know" basis to carry out the obligations of this contract or order and that it will not share, reveal, divulge, disclose, disseminate, or publicize any such information to any third party except as provided in this provision without the prior written approval of

the Contracting Officer. Contractor also understands and agrees that any subcontractors performing under this contract or order are subject to the same stipulations and that Contractor may be held responsible for any violations of confidentiality by a subcontractor.

(C) These provisions are consistent with and do not supersede, conflict with, or otherwise alter an employee's obligations, rights, or liabilities created by existing statute or Executive order relating to (1) classified information, (2) communications to Congress, (3) the reporting to an Inspector General of a violation of any law, rule, or regulation, or mismanagement, a gross waste of funds, an abuse of authority, or a substantial and specific danger to public health or safety, or (4) any other whistleblower protection. The definitions, requirements, obligations, rights, sanctions, and liabilities created by Executive orders and statutory provisions relating to whistleblower protection are incorporated into this contract and are controlling.

(D) The Government may share the terms, conditions and prices set forth in this Order with, and provide a copy of the Order to, other Executive branch agencies of the U.S. Government, provided that the Government shall ensure that other Executive branch agencies to which it provides such information will be required to treat all such information consistent with terms and conditions set forth in this Order.

(E) Notwithstanding anything in this agreement, the Government may retain any confidential information as required by law, regulation, or its internal document retention procedures for legal, regulatory, or compliance purposes; provided, however, that all such retained confidential information will continue to be subject to the confidentiality obligations of this Order.

(xv) *Authorized users.* Authorized users may include full and part-time employees of the Government, including those working at or from remote locations, and contractors and contractor employees working within the scope of their contract with the Government, including those at or from remote locations.

(xvi) *Authorized use.* Authorized users are authorized to use the product or service acquired under this contract in performing business on behalf of the Government. Any information obtained or acquired by the Government under this contract may be used by the Government in the performance of Government business.

(2) If any language, provision, or clause of this agreement conflicts or is inconsistent with the preceding

paragraph (w)(1), the language, provisions, or clause of paragraph (w)(1) shall prevail to the extent of such inconsistency.

2852.222-70 Domestic Violence, Sexual Assault, and Stalking.

As prescribed in JAR 2822.101-1-70, insert the following clause:

Domestic Violence, Sexual Assault, and Stalking (DEC 2014)

(a) It is DOJ policy to enhance workplace awareness of and safety for victims of domestic violence, sexual assault, and stalking. This policy is summarized in “*DOJ Policy Statement 1200.02, Federal Workforce Responses to Domestic Violence, Sexual Assault, and Stalking*,” available in full for public viewing at: <http://www.justice.gov/sites/default/files/ovw/legacy/2013/12/19/federal-workplace-responses-to-domesticviolence-sexual-assault-stalking.pdf>.

Vendor agrees, upon contract award, to provide notice of this Policy Statement, including at a minimum the above-listed URL, to all Vendor employees and employees of subcontractors who will be assigned to work on DOJ premises.

(b) Upon contract award, DOJ will provide the Contractor with the name and contact information of the point of contact for victims of domestic violence, sexual assault, and stalking for the component or components where the Contractor will be performing. The Contractor agrees to inform its employees and employees of subcontractors, who will be assigned to work on DOJ premises, with the name and contact information of the point of contact for victims of domestic violence, sexual assault, and stalking.

(End of Clause)

2852.223-70 Unsafe Conditions Due to the Presence of Hazardous Material.

As prescribed in JAR 2823.303-70, insert the following clause:

Unsafe Conditions Due to the Presence of Hazardous Material (NOV 2020)

(a) “Unsafe condition” as used in this clause means the actual or potential exposure of Contractor or Government employees to a hazardous material.

(b) “Hazardous Material” as used in this clause includes any material defined as hazardous under the latest version of Federal Standard No. 313 (including revisions adopted during the term of the contract), any other potentially hazardous material requiring safety controls, or any other material or working condition designated as

hazardous by the Contracting Officer’s Representative (COR).

(c) The Occupational Safety and Health Administration (OSHA) is responsible for issuing and administering regulations that require Contractors to apprise its employees of all hazards to which they may be exposed in the course of their employment; proper conditions and precautions for safe use and exposure; and related symptoms and emergency treatment in the event of exposure.

(d) Prior to commencement of work, Contractors are required to inspect for and report to the Contracting Officer the presence of, or suspected presence of, any unsafe condition including asbestos or other hazardous materials or working conditions in areas in which they will be working.

(e) If during the performance of the work under this contract, the Contractor or any of its employees, or subcontractor employees, discovers the existence of an unsafe condition, the Contractor shall immediately notify the Contracting Officer, or designee (with written notice provided not later than three (3) working days thereafter), of the existence of an unsafe condition. Such notice shall include the Contractor’s recommendations for the protection and the safety of Government, Contractor and subcontractor personnel and property that may be exposed to the unsafe condition.

(f) When the Government receives notice of an unsafe condition from the Contractor, the parties will agree on a course of action to mitigate the effects of that condition and, if necessary, the contract will be amended. Failure to agree on a course of action will constitute a dispute under the Disputes clause of this contract.

(g) Nothing contained in this clause shall relieve the Contractor or subcontractors from complying with applicable Federal, State, and local laws, codes, ordinances and regulations (including the obtaining of licenses and permits) in connection with hazardous material including but not limited to the use, disturbance, or disposal of such material.

(End of Clause)

2852.233-70 Protests Filed Directly with the Department of Justice.

As prescribed in JAR 2833.102(d), insert a clause substantially as follows:

Protests Filed Directly With the Department of Justice (NOV 2020)

(a) The following definitions apply in this provision:

(1) “Agency Protest Official” (APO) means the Deciding Official for a

procurement protest filed with a contracting activity of DOJ when the contracting officer will not be the Deciding Official because of the protestor’s election under JAR 2833.103(b)

(2) “Deciding Official” means the official who will review and decide a procurement protest filed with the agency. The Deciding Official will be the contracting officer unless the protestor requests pursuant to JAR 2833.103(b) that the protest be decided by an individual above the level of the contracting officer, in which case the HCA will designate an APO to serve as the Deciding Official.

(3) “Interested Party” means an actual or prospective offeror whose direct economic interest would be affected by the award of a contract or by the failure to award a contract.

(b) Only interested parties may file a protest.

(c) An interested party filing a protest with the DOJ has the choice of requesting either that the Contracting Officer or the APO decide the protest.

(d) A protest filed directly with the DOJ shall:

(1) Indicate that it is a protest to DOJ.

(2) Be filed with the Contracting Officer.

(3) State whether the protestor chooses to have the Contracting Officer or the Agency Protest Official decide the protest. If the protestor is silent on this matter, the Contracting Officer will decide the protest.

(4) Indicate whether the protestor prefers to make an oral or written presentation of arguments in support of the protest to the deciding official.

(5) Include the information required by FAR 33.103(d)(2):

(i) Name, address, facsimile number and telephone number of the protestor.

(ii) Solicitation or contract number.

(iii) Detailed statement of the legal and factual grounds for the protest, to include a description of resulting prejudice to the protestor.

(iv) Copies of relevant documents.

(v) Request for a ruling by the agency.

(vi) Statement as to the form of relief requested.

(vii) All information establishing that the protestor is an interested party for the purpose of filing a protest.

(viii) All information establishing the timeliness of the protest.

(e) The decision by the APO is an alternative to a decision by the Contracting Officer. The APO will not consider appeals from the Contracting Officer’s decision on an agency protest and a decision by the APO is final and not appealable.

(f) The Deciding Official may conduct a scheduling conference. The

scheduling conference, if conducted, will establish deadlines for oral or written arguments in support of the agency protest and for agency officials to present information in response to the protest issues. The deciding official may hear oral arguments in support of the agency protest at the same time as the scheduling conference, depending on availability of the necessary parties.

(g) Oral conferences may take place either by telephone or in person.

(h) The protestor has only one opportunity to support or explain the substance of its protest. DOJ procedures do not provide for any discovery. The deciding official may request additional information from the agency or the protestor. The deciding official will resolve the protest through informal

presentations or meetings to the maximum extent practicable.

(i) A protestor may represent itself or be represented by legal counsel. The DOJ will not reimburse the protestor for any legal fees related to the agency protest.

(j) The DOJ will stay award or suspend contract performance in accordance with FAR 33.103(f), unless the contract award is justified, in writing, for urgent and compelling reasons or is determined, in writing, to be in the best interest of the Government. The justification or determination shall be approved at a level above the Contracting Officer. The stay or suspension, unless over-ridden, remains in effect until the protest is decided, dismissed, or withdrawn.

(k) The deciding official will make a best effort to issue a decision on the protest within thirty-five (35) days after the filing date. The decision shall be written, and provided to the protestor using a method that provides for evidence of receipt.

(l) The DOJ may dismiss or stay proceedings on an agency protest if a protest on the same or similar basis is filed with a forum outside DOJ.

(End of Clause)
