Title; Associated Form; and OMB Number: Application for the Review of Discharge or Dismissal from the Armed Forces of the United States; DD Form 293; OMB Control Number 0704-0004.

Needs and Uses: Under Title 10 U.S.C. 1553 and DoD Directive 1332.41, "Boards for the Correction of Military Records and Discharge Review Board (DRBs)," former service members who received an administrative discharge have the right to appeal the characterization or reason for separation provided they do so within 15 years from the date of separation. The DD Form 293, "Application for Review of Discharge or Separation from the Armed Forces of the United States," is the form that allows former Service members to explain the reasons for the alleged error and designate legal counsel, and provides DRBs necessary information to process requests. This information collection is needed to provide Service members a method to present to their respective Military Department Discharge Review Boards their reason/justification for a discharge upgrade, as well as providing the Military Departments with the basic data needed to process the appeal. The primary purpose of this information is to identify the arguments of the respondents and justifications for requested relief and secure their Official Military Personnel Files from the National Records Center. In addition, the collection allows the respondent to explain the reasons for the alleged error or injustice, designate counsel of choice, select the method of hearing desired, and request a records review or personal hearing.
