I. Who should be considered for nomination as Committee members?

The Department of Transportation seeks nominations for members of the Advisory Committee on Human Trafficking. The Secretary of Transportation will appoint up to 15 external stakeholder Committee members including representatives from—(A) trafficking advocacy organizations; (B) law enforcement; and (C) trucking, bus, rail, aviation, maritime, and port sectors, including industry and labor. Committee members will be selected with a view towards achieving diverse experience and background. To the extent practicable, Committee members will include survivors of human trafficking and other persons with lived experience and knowledge of the needs of underrepresented groups. Diverse experience and background will enable Committee members to provide balanced points of view with regard to carrying out the duties of the Committee. Committee members will serve for the life of the Committee.

The Committee will provide a triennial report (“report”) to the Secretary of Transportation. The report will: (1) relate to human trafficking violations involving commercial motor vehicles, (2) include recommendations for countering human trafficking, and (3) include an assessment of previous best practices by transportation stakeholders.

Registered lobbyists are prohibited from serving on Federal advisory committees in their individual capacities. The prohibition does not apply if registered lobbyists are specifically appointed to represent the interests of a nongovernmental entity, a recognizable group of persons or nongovernmental entities (an industry sector, labor unions, environmental

groups, etc.) or State or local governments. Registered lobbyists are lobbyists required to comply with provisions contained in the Lobbying Disclosure Act of 1995 (Pub. L. 110–81).

II. Do advisory committee on human trafficking members receive compensation and/or per diem?

While attending meetings or when otherwise engaged in Committee business, Committee members may be reimbursed for travel and per diem expenses as permitted under applicable Federal travel regulations. Reimbursement is subject to funding availability. Committee members shall serve without compensation, except for those SGEs appointed for their lived experience as survivors of human trafficking, who may receive compensation subject to applicable laws and funding availability.
