The first page of any filing should include the docket number P–309–097. Comments emailed to Commission staff are not considered part of the Commission record.

The Commission's Rules of Practice and Procedure require all intervenors filing documents with the Commission to serve a copy of that document on each person whose name appears on the official service list for the project. Further, if an intervenor files comments or documents with the Commission relating to the merits of an issue that may affect the responsibilities of a particular resource agency, they must also serve a copy of the document on that resource agency.

k. *Description of Request*: The licensee requests a non-capacity amendment of license to complete the following work: (1) installation of new hoists on all fourteen Tainter gates; (2) modification of the platform to accommodate the new hoists; (3) excavation, grading, and pouring of concrete pads for a backup generator and power distribution center; and (4) installation of a new five-foot overtopping protection wall along the intake deck on the left downstream side of the dam.

To complete the work described above, the licensee also requests a temporary variance from reservoir level requirements of conditions 1.1 and 1.2 of the project's water quality certification (WQC) and Article 402 of the license. WQC condition 1.1 requires the licensee to maintain the reservoir level at 1,092.5 ± 0.5 feet mean sea level (msl) from April 1 through June 20. WQC condition 1.2 requires the licensee to maintain the reservoir level, from June 21 through March 31, in such a manner as to protect statewide water uses in the reservoir. In part, Article 402 requires the licensee to maintain the reservoir level no lower than 1,090 feet msl from June 21 through October 31. Under the proposal, the licensee would maintain the reservoir level between 1,086.5 ft and 1,088.0 ft msl from November 1, 2022, through December 31, 2022, and from April 10, 2023, through December 31, 2023.

EXPORT-IMPORT BANK

[Public Notice 2022-3018]

Agency Information Collection Activities: Comment Request

AGENCY: Export-Import Bank.

ACTION: Submission for OMB review and comments request.

SUMMARY: The Export-Import Bank of the United States (EXIM), as part of its continuing effort to reduce paperwork and respondent burden, invites the general public and other Federal Agencies to comment on the proposed information collection, as required by the Paperwork Reduction Act of 1995.

EXIM enables U.S. exporters to compete fairly in foreign markets on the basis of price and product by neutralizing the effect of export credit insurance and guarantees offered by foreign governments and by absorbing credit risks that the private section will not accept. This collection of information is necessary to determine eligibility of the applicant for EXIM support.

DATES: Comments should be received on or before September 7, 2022 to be assured of consideration.

ADDRESSES: Comments may be submitted electronically on WWW.REGULATIONS.GOV (EIB 95-10) or by mail to Office of Information and Regulatory Affairs, 725 17th Street NW, Washington, DC 20038, Attn: OMB 3048-0013. FEDERAL COMMUNICATIONS COMMISSION

[OMB 3060-1005; FR ID 99748]

Information Collection Being Reviewed by the Federal Communications Commission

AGENCY: Federal Communications Commission.

ACTION: Notice and request for comments.

SUMMARY: As part of its continuing effort to reduce paperwork burdens, and as required by the Paperwork Reduction Act (PRA) of 1995, the Federal Communications Commission (FCC or the Commission) invites the general public and other Federal agencies to take this opportunity to comment on the following information collection. Comments are requested concerning: whether the proposed collection of information is necessary for the proper performance of the functions of the Commission, including whether the information shall have practical utility; the accuracy of the Commission's burden estimate; ways to enhance the quality, utility, and clarity of the information collected; ways to minimize the burden of the collection of information on the respondents, including the use of automated collection techniques or other forms of information technology; and ways to further reduce the information collection burden on small business concerns with fewer than 25 employees. The FCC may not conduct or sponsor a collection of information unless it displays a currently valid control number. No person shall be subject to any penalty for failing to comply with a collection of information subject to the PRA that does not display a valid Office of Management and Budget (OMB) control number.
