Consultation

A detailed assessment of the human remains was made by the Library Company of Philadelphia professional staff in consultation with representatives of the Forest County Potawatomi Community, Wisconsin.

History and Description of the Remains

In the 1880s and 1890s, human remains representing, at minimum, one individual most likely were removed by Dr. George Julius Engelmann from the banks of Geneva Lake in Walworth County, WI. Dr. Engelmann (1847-1903) gave these remains to Dr. Silas Weir Mitchell (1829-1914) of Philadelphia. Mitchell's son, Langdon Mitchell (1862-1935), inherited the human remains. Following his death, the human remains went to Langdon's wife, Marian Lea Mitchell (1861-1944) who, in 1937, gave them to the Library Company of Philadelphia. No known individuals were identified. No associated funerary objects are present.

These human remains have been determined to be Native American based on the history of Dr. George Julius Engelmann's excavation of specific Native American burial sites; documentation from the College of

Physicians of Philadelphia concerning their collection of human remains excavated by Engelmann and donated by Dr. Silas Weir Mitchell; and the available documentation. The Forest County Potawatomi Community, Wisconsin are the present-day descendants of the earlier group at the Walworth County, WI site.

Determinations Made by the Library Company of Philadelphia

Officials of the Library Company of Philadelphia have determined that:

- Pursuant to 25 U.S.C. 3001(9), the human remains described in this notice represent the physical remains of one individual of Native American ancestry.
- Pursuant to 25 U.S.C. 3001(2), there is a relationship of shared group identity that can be reasonably traced between the Native American human remains and the Forest County Potawatomi Community, Wisconsin.

Additional Requestors and Disposition

Lineal descendants or representatives of any Indian Tribe or Native Hawaiian organization not identified in this notice that wish to request transfer of control of these human remains should submit a written request with information in support of the request to Linda Kimiko August, Library Company of Philadelphia, 1314 Locust Street, Philadelphia, PA 19107, telephone (215) 546-3181, email laugust@librarycompany.org, by September 12, 2022. After that date, if no additional requestors have come forward, transfer of control of the human remains to the Forest County Potawatomi Community, Wisconsin may proceed.

The Library Company of Philadelphia is responsible for notifying the Forest County Potawatomi Community, Wisconsin that this notice has been published.

The complaint, as

supplemented, alleges violations of section 337 of the Tariff Act of 1930, as amended, 19 U.S.C. 1337, in the importation into the United States, sale for importation, or sale in the United States after importation of certain barcode scanners, mobile computers with barcode scanning capabilities, scan engines, RFID printers, components thereof, and products containing the same by reason of infringement of certain claims of U.S. Patent Nos. 7,498,942; 8,411,177; and 10,667,219. *Id.* The complaint further alleges that a domestic industry exists. *Id.*

On July 11, 2022, Zebra and Respondents jointly moved to terminate the investigation based on a settlement agreement.

On July 12, 2022, the presiding ALJ issued the subject ID (Order No. 14) granting the joint motion to terminate. The ID finds that, pursuant to Commission Rules 210.21(a), (b) (19 CFR 210.21(a), (b)), Zebra and Respondents represent that there are no other agreements, express or implied, oral or written, between them regarding the subject matter of this investigation. The ID further finds that termination is proper because it would not be contrary to the public health and welfare, competitive conditions in the U.S. economy, the production of like or directly competitive conditions in the United States, or U.S. consumers. The ID further finds that termination is in the public interest, and it will conserve public and private resources.

No party filed a petition for review of the subject ID.

The Commission has determined not to review the subject ID. Accordingly, the investigation is hereby terminated.

The Commission vote for this determination took place on August 5, 2022.
