

requirement due to the significant economic and health impacts from the COVID pandemic. This reduction in recurring expenditures is the result of HDOH experiencing significant payroll changes impacting its overall budget. Not only are senior level employees retiring, with some positions filled by entry level staff at lower starting salaries, other positions remain vacant due to the conditions caused by the COVID-19 pandemic.

HDOH explained that the reduction is non-selective because the air program is not being disproportionately impacted or singled out as the reduction of expenditures due to increased vacancies and inability to replace staff is occurring throughout the State government, and not exclusively to the air program. Hawaii is currently experiencing one of the highest rates of out-migration of its work-age population. State agencies have lost staff and have struggled to hire new staff to replace them.

The vacancy data provided by Hawaii's Department of Human Resources Development (DHRD) and HDOH's Human Resources (HR) shown below supports the requested MOE reduction by demonstrating that a non-selective reduction in the expenditures of all executive branch agencies has occurred. The air program's vacancy rate increased by 3.23%, from 27.42% in 2021 to 30.65% in 2022 and the majority of HDOH's environmental programs' vacancy rates also increased anywhere from 1.69% to 30.95% during this same time frame. In line with the air program and the other environmental program vacancy increases, the vacancy rate for the entire HDOH (which contains the air program and other environmental programs) increased by 3.88% (from 17.38% to 21.25%) during this period. Overall statewide (executive branch agencies) position vacancy rates showed an even larger increase of 7.88% from 2021 to 2022. Trends in the HDOH and executive branch agency data show steady increases in vacancy rates with the largest increase occurring over the last year. The air program's vacancy rate increase of 3.23% is slightly smaller than the HDOH's increase of 3.88% and less than half of the executive branch agency increase of 7.88% over the past year.

The EPA proposes to find that the request for a reset of HDOH's MOE meets the requirements for a non-selective reduction under CAA section 105. The HDOH's reduction in personnel expenses and significant cut back on expenditures caused by the COVID-19 pandemic contributed to the reduction in expenditures.

The EPA proposes that the MOE for HDOH's FY2022 CAA section 105 grant be reduced to \$1,645,864 to address the non-selective reduction of recurrent expenditures discussed above.

This notice constitutes a request for public comment and an opportunity for public hearing as required by the CAA. All written substantive comments received by September 12, 2022 on this proposal will be considered. The EPA will conduct a public hearing on this proposal only if a written request for such is received by the EPA by September 12, 2022. If no written request for a hearing is received or if the EPA determines that the issues raised are insubstantial, the EPA will proceed to reduce HDOH's MOE for FY2022.

Dated: August 9, 2022.

Elizabeth Adams,

Director, Air and Radiation Division, Region IX.

BILLING CODE 6560-50-P

ENVIRONMENTAL PROTECTION AGENCY

[EPA-HQ-OLEM-2022-0611; FRL-10127-01-OLEM]

The Hazardous Waste Electronic Manifest (e-Manifest) System Advisory Board; Notice of Public Meeting

AGENCY: Environmental Protection Agency (EPA).

ACTION: Notice.

SUMMARY: The Environmental Protection Agency (EPA) will convene the Hazardous Waste Electronic System (e-Manifest) Advisory Board for a three (3) day virtual public meeting. The purpose of the meeting is for EPA to seek the Board's consultation and recommendations regarding the e-Manifest system (Meeting Theme: "Roadmap to 100% Electronic Manifests").

DATES: *Virtual Public Meeting:* The meeting will be held October 4-6, 2022, from 10:00 a.m. to approximately 6:00 p.m. (EDT). See the additional details and instructions for registration that appear in sIII of this notice.

ADDRESSES: This public meeting will be conducted virtually. Registration online is required to attend and/or provide oral public comment during this meeting. Please refer to the e-Manifest Advisory Board website at <https://www.epa.gov/e-manifest/hazardous-waste-electronic-manifest-system-e-manifest-advisory-board> for information on how to register as either a public audience attendee or as an oral public commenter. For

additional instructions related to this meeting, see section III of this notice.

Comments: To make oral comments during the public meeting and be included on the meeting agenda, please register by noon on September 27, 2022. Registration instructions will be posted on the e-Manifest Advisory Board website at <https://www.epa.gov/e-manifest/hazardous-waste-electronic-manifest-system-e-manifest-advisory-board>. Submit written comments on or before September 27, 2022, in the public docket under Docket number EPA-HQ-OLEM-2022-0611 at <http://www.regulations.gov>. Written comments submitted to the public docket on or before September 27, 2022, will be provided to the e-Manifest Advisory Board for their consideration before the meeting. Anyone who wishes to submit comments after September 27, 2022, must send their written public comments or their oral comment requests directly to the Designated Federal Officer (DFO) listed under **FOR FURTHER INFORMATION CONTACT**. For additional instructions, see section III of this notice.

Special accommodations. For information on access or services for individuals with disabilities, and to request accommodation of a disability, please contact the DFO listed under **FOR FURTHER INFORMATION CONTACT** at least ten (10) days prior to the meeting to give the EPA as much time as possible to process your request.

FOR FURTHER INFORMATION CONTACT: Fred Jenkins, Designated Federal Officer (DFO), U.S. Environmental Protection Agency, Office of Resource Conservation and Recovery, email: jenkins.fred@epa.gov; phone: 202-564-0344.

SUPPLEMENTARY INFORMATION: This meeting will be open to the public. The full agenda and meeting materials will be available in the docket for the meeting and at the e-Manifest Advisory Board website at <https://www.epa.gov/e-manifest/hazardous-waste-electronic-manifest-system-e-manifest-advisory-board>. This public meeting will be conducted virtually, and registration is required to attend and/or participate. Registration instructions will be posted on the e-Manifest Advisory Board website at <https://www.epa.gov/e-manifest/hazardous-waste-electronic-manifest-system-e-manifest-advisory-board>. In the event EPA needs to make subsequent changes to this meeting, EPA will post future notices to its e-Manifest Board meeting website (<https://www.epa.gov/e-manifest/hazardous-waste-electronic-manifest-system-e-manifest-advisory-board>).

EPA strongly encourages the public to refer to the e-Manifest website for the latest meeting information, as sudden changes may be necessary.

I. General Information

A. Does this action apply to me?

This action is directed to the public in general. This action may be of particular interest to persons who are or may be subject to the Hazardous Waste Electronic Manifest Establishment (e-Manifest) Act.

B. Where can I access information about the e-Manifest Advisory Board and this meeting?

Information about the e-Manifest Advisory Board is available on the e-Manifest Advisory Board website, <https://www.epa.gov/e-manifest/hazardous-waste-electronic-manifest-system-e-manifest-advisory-board>. Information about this meeting will be available by early September 2022 in the public docket, identified by docket ID number EPA-HQ-OLEM-2022-0611, at <https://www.regulations.gov> and on the e-Manifest Advisory Board website. You may also subscribe to the following listserv for alerts when notices regarding this and other e-Manifest Advisory Board related activities are published: eManifest-subscribe@lists.epa.gov.

II. Background

A. Purpose of the e-Manifest Advisory Board

The Hazardous Waste Electronic Manifest (e-Manifest) System Advisory Board is established in accordance with the provisions of the Hazardous Waste Electronic Manifest Establishment Act, 42 U.S.C. 6939g, and the Federal Advisory Committee Act (FACA), 5 U.S.C. App.2. The e-Manifest Advisory Board is in the public interest and supports the EPA in performing its duties and responsibilities. The Board shall meet annually to discuss, evaluate the effectiveness of, and provide recommendations about the system to the EPA Administrator.

The sole duty of the Advisory Board is to provide advice and recommendations to the EPA Administrator. As required by the e-Manifest Act, the e-Manifest Advisory Board is composed of nine (9) members. One (1) member is the EPA Administrator (or a designee), who serves as Chairperson of the Advisory Board. The rest of the committee is composed of:

- At least two (2) members who have expertise in information technology;
- At least three (3) members who have experience in using or represent

users of the manifest system to track the transportation of hazardous waste under the e-Manifest Act;

- At least three (3) members who are state representatives responsible for processing manifests.

All members of the e-Manifest Advisory Board, except for the EPA Administrator, are appointed as Special Government Employees or Representatives.

B. Public Meeting

EPA launched the e-Manifest system on June 30, 2018. e-Manifest provides those persons required to use a Resource Conservation and Recovery Act (RCRA) manifest under either federal or state law the option of using electronic manifests to track shipments of hazardous waste and to meet certain RCRA requirements. By enabling the transition from a paper-intensive process to an electronic system, EPA estimates e-Manifest will ultimately save state and industry users more than \$50 million annually, once electronic manifests are widely adopted.

Since system inception through May 2022, EPA has received roughly 25 thousand electronic manifests (both fully electronic and hybrid manifests) out of a total of approximately 7 million manifests. Electronic manifests thus represent less than a half of a percent of manifests received by EPA. EPA seeks to dramatically increase this percentage.

EPA hosted two virtual public meetings on October 27, 2021, and November 3, 2021, to discuss how to increase electronic adoption and solicit feedback from stakeholders. The meetings described existing electronic manifest functionality and the feasibility of several options to increase use of electronic manifests. As a next step in this effort, EPA will convene its next public meeting of the e-Manifest System Advisory Board from October 4–6, 2022. The meeting will include discussion of the comments EPA received from the public meetings, as well as related policy and technical changes EPA is considering for the e-Manifest system to increase adoption of electronic manifests. The general purpose of this meeting is for the Board to advise the Agency on these potential changes.

C. e-Manifest Advisory Board Documents and Meeting Minutes

The meeting background paper along with related supporting materials including the charge questions to the Advisory Board, the Advisory Board membership roster (*i.e.*, members attending this meeting), and the meeting agenda will be available by

approximately early-September 2022. In addition, EPA may provide additional background documents as the materials become available. You may obtain electronic copies of these documents, and certain other related documents that might be available at <http://www.regulations.gov> via the docket ID number EPA-HQ-OLEM-2022-0611 and at the e-Manifest Advisory Board website at: <https://www.epa.gov/e-manifest/hazardous-waste-electronic-manifest-system-e-manifest-advisory-board>.

The e-Manifest Advisory Board will prepare meeting minutes summarizing its recommendations to EPA approximately ninety (90) days after the meeting. The meeting minutes will be posted on the e-Manifest Advisory Board website, or they may be obtained from the public docket at <http://www.regulations.gov> via the docket ID number EPA-HQ-OLEM-2022-0611.

III. Public Participation Instructions

To participate in the virtual public meeting, please follow the instructions in this section.

A. How can I provide comments?

1. *Written comments.* EPA encourages the electronic submission of written comments via <http://www.regulations.gov>, into docket ID number EPA-HQ-OLEM-2022-0611 on or before September 27, 2022, to provide the e-Manifest Advisory Board the time necessary to consider and review the written comments. Written comments are accepted until the date of the meeting, but anyone submitting written comments after September 27, 2022, should contact the DFO listed under **FOR FURTHER INFORMATION CONTACT**.

Do not submit electronically any information you consider to be Confidential Business Information (CBI) or other information whose disclosure is restricted by statute. Copyrighted material will not be posted without explicit permission of the copyright holder. Multimedia submissions (audio, video, etc.) must be accompanied by a written comment. The written comment is considered the official comment and should include discussion of all points you wish to make. Members of the public should also be aware that their personal contact information, if included in any written comments, may be posted on the internet at <https://www.regulations.gov>.

The EPA will generally not consider comments or comment contents located outside of the primary submission (*e.g.*, on the web, cloud, or other file sharing system). For additional submission methods, the full EPA public comment

policy, information about CBI or multimedia submissions, please visit <https://www.epa.gov/dockets/commenting-epa-dockets>. When preparing and submitting your comments, see Tips for Effective Comments at the same website, <https://www.epa.gov/dockets/commenting-epa-dockets>.

2. *Oral comments.* The Agency encourages each individual or group wishing to make brief oral comments to the e-Manifest Advisory Board during the virtual public meeting to please register as an oral commenter for the meeting at the e-Manifest Advisory Board website, <https://www.epa.gov/e-manifest/hazardous-waste-electronic-manifest-system-e-manifest-advisory-board>, by noon on September 27, 2022, in order to be included on the meeting agenda. Requests to present oral comments will be accepted until the date of the meeting. Registration is required to attend and/or participate as an oral public commenter in this public meeting. Please refer to the e-Manifest Advisory Board website at <https://www.epa.gov/e-manifest/hazardous-waste-electronic-manifest-system-e-manifest-advisory-board> for information on how to register either as an oral public commenter or public audience attendee. Anyone submitting an oral public comments request after September 27, 2022, should also contact the DFO listed under **FOR FURTHER INFORMATION CONTACT**. To the extent that time permits, the Chair of the e-Manifest Advisory Board may permit the presentation of oral comments at the meeting by interested persons who have not previously requested time. The request should identify the name of the individual making the presentation, the organization (if any) that the individual represents, and any requirements for audiovisual presentation support. Oral comments before the e-Manifest Advisory Board are limited to approximately five (5) minutes unless prior arrangements have been made. In addition, each speaker should provide a copy of their comments and presentation to the DFO so that they can be distributed to the e-Manifest Advisory Board at the meeting.

Dated: August 9, 2022.

Jody Barringer,

Acting Director, Office of Resource Conservation and Recovery.

BILLING CODE 6560-50-P

FEDERAL COMMUNICATIONS COMMISSION

[FR ID 100048]

Federal Advisory Committee Act; Communications Security, Reliability, and Interoperability Council

AGENCY: Federal Communications Commission.

ACTION: Notice of public meeting.

SUMMARY: In accordance with the Federal Advisory Committee Act, this notice advises interested persons that the Federal Communications Commission's (Commission) Communications Security, Reliability, and Interoperability Council (CSRIC) VIII will hold its fifth meeting on September 21, 2022 at 1 p.m. EDT.

DATES: September 21, 2022.

ADDRESSES: The Meeting will be held via conference call and available to the public via WebEx at <http://www.fcc.gov/live>.

FOR FURTHER INFORMATION CONTACT: Suzon Cameron, Designated Federal Officer, Federal Communications Commission, Public Safety and Homeland Security Bureau, (202) 418-1916 or email: suzon.cameron@fcc.gov, or Kurian Jacob, Deputy Designated Federal Officer, Federal Communications Commission, Public Safety and Homeland Security Bureau, (202) 418-2040 or email: kurian.jacob@fcc.gov.

SUPPLEMENTARY INFORMATION: The meeting on September 21, 2022, at 1 p.m. EDT, will be held electronically only and may be viewed live, by the public, at <http://www.fcc.gov/live>. Any questions that arise during the meeting should be sent to CSRIC@fcc.gov and will be answered at a later date. The meeting is being held in a wholly electronic format in light of the ongoing COVID-19 pandemic and in an abundance of caution.

The CSRIC is a Federal Advisory Committee that will provide recommendations to the Commission to improve the security, reliability, and interoperability of communications systems. On June 30, 2021, the Commission, pursuant to the Federal Advisory Committee Act, renewed the charter for CSRIC VII for a period of two years through June 29, 2023. The meeting on September 21, 2022, will be the fifth meeting of CSRIC VIII under the current charter. The Commission will provide audio and/or video coverage of the meeting over the internet from the FCC's web page at <http://www.fcc.gov/live>. The public may submit written comments before the

meeting to Suzon Cameron, CSRIC VIII Designated Federal Officer, by email to CSRIC@fcc.gov.

Open captioning will be provided for this event. Other reasonable accommodations for people with disabilities are available upon request. Requests for such accommodations should be submitted via email to fcc504@fcc.gov or by calling the Consumer & Governmental Affairs Bureau at (202) 418-0530 (voice), (202) 418-0432 (tty). Such requests should include a detailed description of the accommodation needed. In addition, please include a way the Commission can contact you if it needs more information. Please allow at least five days' advance notice; last-minute requests will be accepted but may be impossible to fill.

Federal Communications Commission.

Marlene Dortch,

Secretary, Office of the Secretary.

FEDERAL COMMUNICATIONS COMMISSION

[OMB 3060-0960; FR ID 100583]

Information Collection Being Submitted for Review and Approval to Office of Management and Budget

AGENCY: Federal Communications Commission.

ACTION: Notice and request for comments.

SUMMARY: As part of its continuing effort to reduce paperwork burdens, as required by the Paperwork Reduction Act (PRA) of 1995, the Federal Communications Commission (FCC or the Commission) invites the general public and other Federal Agencies to take this opportunity to comment on the following information collection. Pursuant to the Small Business Paperwork Relief Act of 2002, the FCC seeks specific comment on how it can further reduce the information collection burden for small business concerns with fewer than 25 employees. **DATES:** Written comments and recommendations for the proposed information collection should be submitted on or before September 12, 2022.

ADDRESSES: Comments should be sent to www.reginfo.gov/public/do/PRAMain. Find this particular information collection by selecting "Currently under 30-day Review—Open for Public Comments" or by using the search function. Your comment must be
