In addition to referencing “Comments/No. 2022–N–10,” please reference “FHFA–28, Government-Sponsored Enterprise Prospective Employee Directory.” FHFA will make all comments timely received available for examination by the public through the electronic comment docket for this notice, which is located on the FHFA website at https://www.fhfa.gov. All comments received will be posted without change and will include any personal information you provide, such as name, address (mailing and email), telephone numbers, and any other information you provide.

II. Introduction
This notice informs the public of FHFA’s proposal to establish and maintain a new system of records. This notice satisfies the Privacy Act requirement that an agency publishes a system of records notice in the Federal Register when establishing a new or making a significant change to an agency’s system of records. Congress has recognized that application of all requirements of the Privacy Act to certain categories of records may have an undesirable and often unacceptable effect upon agencies in the conduct of necessary public business. Consequently, Congress established general exemptions and specific exemptions that could be used to exempt records from provisions of the Privacy Act. Congress also required that exempting records from provisions of the Privacy Act would require the head of an agency to publish a determination to exempt a record from the Privacy Act as a rule in accordance with the Administrative Procedure Act. Records and information in this system of records are not exempt from the requirements of the Privacy Act.
As required by the Privacy Act, 5 U.S.C. 552a(e), and pursuant to section 7 of Office of Management and Budget (OMB) Circular No. A–108, “Federal Agency Responsibilities for Review, Reporting, and Publication under the Privacy Act”, prior to publication of this notice, FHFA submitted a report describing the system of records covered by this notice to the OMB, the Committee on Oversight and Government Reform of the House of Representatives, and the Committee on Homeland Security and Governmental Affairs of the Senate.

III. New System of Records

The information in this system of records will be used by FHFA to evaluate prospective senior-level employees and executives for the Federal National Mortgage Association and any affiliate thereof, and the Federal Mortgage Corporation and any affiliate thereof (collectively, the “GSEs”), in carrying out the statutory authorities of the Director to oversee the prudential operations of each regulated entity. Maximum Per Diem Reimbursement Rates for the Continental United States (CONUS)

AGENCY: Office of Government-wide Policy (OGP), General Services Administration (GSA).

ACTION: Notice of GSA Per Diem Bulletin FTR 23–01, Fiscal Year (FY) 2023 CONUS per diem reimbursement rates.

SUMMARY: The GSA FY 2023 per diem reimbursement rates review has resulted in lodging and meal allowance changes for certain locations within CONUS to provide for reimbursement of Federal employees’ subsistence expenses while on official travel.

DATES: Applicability Date: This notice applies to travel performed on or after October 1, 2022 through September 30, 2023.

FOR FURTHER INFORMATION CONTACT: For clarification of content, contact Sarah Selenich, Office of Government-wide Policy, Office of Asset and Transportation Management, at 202–969–7798 or by email at travelpolicy@gsa.gov. Please cite Notice of GSA Per Diem Bulletin FTR 23–01.

SUPPLEMENTARY INFORMATION:

Background

The CONUS per diem reimbursement rates prescribed in Bulletin 23–01 may be found at https://www.gsa.gov/perdiem. GSA bases the maximum lodging allowance rates on average daily rate, a widely accepted lodging industry measure, less five percent. If a maximum lodging allowance rate and/or a meals and incidental expenses (M&IE) per diem reimbursement rate is insufficient to meet necessary expenses in any given CONUS location, Federal executive agencies can request that GSA review that location. Please review questions six and seven of GSA’s per diem Frequently Asked Questions page at https://www.gsa.gov/perdiem for more information on the special review process. In addition, the Federal Travel Regulation (FTR) allows for actual expense reimbursement as provided in §§ 301–11.300 through 301–11.306. For FY 2023, no new non-standard area locations were added. Maximum lodging allowance rates in some existing per diem localities will increase and the standard CONUS lodging rate will increase from $96 to $98. The M&IE per diem tiers for FY 2023 are unchanged at $59–$79, with the standard M&E rate unchanged at $59.

Other than the changes posted on the GSA website, notices published periodically in the Federal Register now constitute the only notification of revisions in CONUS per diem reimbursement rates to agencies.

Krystal J. Brumfield,
Associate Administrator, Office of Government-wide Policy.
