

SUPPLEMENTARY INFORMATION:**I. Background**

Section 103(h) of the Federal Mine Safety and Health Act of 1977 (Mine Act), 30 U.S.C. 813(h), authorizes MSHA to collect information necessary to carry out its duty in protecting the safety and health of miners. Further, section 101(a) of the Mine Act, 30 U.S.C. 811, authorizes the Secretary of Labor (Secretary) to develop, promulgate, and revise as may be appropriate, improved mandatory health or safety standards for the protection of life and prevention of injuries in coal and metal and nonmetal mines.

This information collection maintains the safe use of high-voltage continuous mining machine in underground coal mines by requiring records of testing, examination, and maintenance on machine to reduce fire, electrical shock, ignition, and operation hazards.

II. Desired Focus of Comments

MSHA is soliciting comments concerning the proposed information collection related to High-Voltage Continuous Mining Machine Standards for Underground Coal Mines. MSHA is particularly interested in comments that:

- Evaluate whether the collection of information is necessary for the proper performance of the functions of the Agency, including whether the information has practical utility;
- Evaluate the accuracy of MSHA's estimate of the burden of the collection of information, including the validity of the methodology and assumptions used;
- Suggest methods to enhance the quality, utility, and clarity of the information to be collected; and
- Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

The information collection request will be available on <http://www.regulations.gov>. MSHA cautions the commenter against providing any information in the submission that should not be publicly disclosed. Full comments, including personal information provided, will be made available on www.regulations.gov and www.reginfo.gov.

The public may also examine publicly available documents at DOL-Mine Safety and Health Administration, 201 12th South, Suite 4E401, Arlington, VA 22202-5452. Sign in at the receptionist's

desk on the 4th floor via the East elevator. Before visiting MSHA in person, call 202-693-9455 to make an appointment, in keeping with the Department of Labor's COVID-19 policy. Special health precautions may be required.

Questions about the information collection requirements may be directed to the person listed in the **FOR FURTHER INFORMATION** section of this notice.

OFFICE OF MANAGEMENT AND BUDGET

Request for Information To Support the Development of a Strategic Plan on Statistics for Environmental-Economic Decisions

AGENCY: Office of Management and Budget.

ACTION: Request for Information (RFI).

SUMMARY: The White House Office of Management and Budget (OMB)—on behalf of the co-chairs of the Interagency Policy Working Group on Statistics for Environmental-Economic Decisions (Working Group), the Office of Science and Technology Policy (OSTP), and Department of Commerce (DOC)—requests information and comments on questions posed by the Working Group to help inform the development of Government-wide natural capital accounts and standardized environmental-economic statistics. The Working Group has developed a draft Strategic Plan that recommends short- and long-term strategic goals, as well as objectives and proposed strategies to achieve a routinely produced set of Government-wide natural capital accounts and standardized environmental-economic statistics that complement and operate in alignment with core national economic accounts and statistics. To support the Strategic Plan, OMB seeks information on likely and potential applications for U.S. natural capital accounts, established statistics and accounts that would strengthen the U.S. system, relevant external factors that may affect implementation of the Strategic Plan, and relevant ancillary or indirect consequences of developing natural capital accounts or associated statistics.

DATES: Interested persons and organizations are invited to submit comments by October 21, 2022.

ADDRESSES: Submit comments through www.regulations.gov—a Federal E-Government website that allows the public to find, review, and submit comments on documents that agencies
