

Governors of the Federal Reserve System (Board) regarding extensions of credit to insiders (Regulation O)¹ and transactions with affiliates (Regulation W),² which implement section 22 and sections 23A and 23B, respectively, of the Federal Reserve Act (FRA).³ 12 CFR part 31 addresses these transactions for national banks and Federal savings associations. Specifically, 12 CFR 31.2 requires national banks and Federal savings associations to comply with Regulation O, and 12 CFR 31.3 requires national banks and Federal savings associations to comply with Regulation W. Appendix A to part 31 provides interpretive guidance on the application of Regulation W to deposits between affiliated banks.

12 CFR 31.3(c) implements the statutory standards for authorizing an exemption from section 23A of the FRA or section 11 of the Home Owners' Loan Act (HOLA)⁴ in accordance with section 608 of the Dodd Frank Wall Street Reform and Consumer Protection Act (Dodd-Frank Act). Section 608, which became effective on July 21, 2012, amended section 23A of the FRA and section 11 of the HOLA to authorize the OCC to exempt, by order, a transaction of a national bank or Federal savings association, respectively, from the affiliate transaction requirements of section 23A and section 11 of the HOLA if: (1) the OCC and the Board jointly find the exemption to be in the public interest and consistent with the purposes of section 23A or section 11 and (2) within 60 days of receiving notice of such finding, the Federal Deposit Insurance Corporation does not object in writing to the finding. Such objection would be based on a determination that the exemption presents an unacceptable risk to the Deposit Insurance Fund.⁵

12 CFR 31.3(d) sets forth procedures that a national bank and Federal savings association must follow to request such exemptions. These procedures are modeled after the Board's procedures in Regulation W. A national bank or Federal savings association may request an exemption from the requirements of section 23A or section 11 of the HOLA, as applicable, and 12 CFR part 223 by submitting a written request to the

Deputy Comptroller for Licensing with a copy to the appropriate Federal Reserve Bank. The request must:

(1) Describe in detail the transaction or relationship for which the national bank or Federal savings association seeks an exemption;

(2) Explain why the OCC should exempt the transaction or relationship;

(3) Explain how the exemption would be in the public interest and consistent with the purposes of section 23A or section 11 of the HOLA, as applicable; and

(4) Explain why the exemption does not present an unacceptable risk to the Deposit Insurance Fund.
