

3. The agency form number, if any, and the applicable component of the Department sponsoring the collection:

Form number: ATF Form 5320.20.

Component: Bureau of Alcohol, Tobacco, Firearms and Explosives, U.S. Department of Justice.

4. *Affected public who will be asked or required to respond, as well as a brief abstract:*

Primary: Individuals or households.

Other (if applicable): Business or other for-profit, Federal Government, State Local or Tribal Government.

Abstract: The Application to Transport Interstate or Temporarily Export Certain National Firearms Act (NFA)—ATF Form 5320.20 is used by persons other than a qualified Federal firearms licensee, to request approval to transport interstate or temporarily export certain NFA firearms.

5. *An estimate of the total number of respondents and the amount of time estimated for an average respondent to respond:* An estimated 20,000 respondents will respond to this collection once annually, and it will take each respondent approximately 20 minutes to complete their responses.

6. *An estimate of the total public burden (in hours) associated with the collection:* The estimated annual public burden associated with this collection is 6,667 hours, which is equal to 20,000 (total respondents) * 1 (# of response per respondent) * .333333 (20 minutes or the time taken to prepare each response).

7. *An Explanation of the Change in Estimates:* Due to more filings of this application, both the total respondents and responses to this collection have increased from 17,000 in 2019 to 20,000 in 2022. Consequently, the total burden hours have also increased from 5,610 to 6,667 hours since the last renewal.

SUPPLEMENTARY INFORMATION:

Standardized Pharmacy Billing Data Requirements are the electronic billing format used by pharmacies throughout the country to request payment for prescription drugs through data clearinghouses. They identify the provider, claimant, prescribing physician, drug by National Drug Code number, prescription volume and charge. Similar data elements are required to process paper-based pharmacy bills. For additional substantive information about this ICR, see the related notice published in the **Federal Register** on June 17, 2022 (87 FR 22951).

This information collection is subject to the PRA. A Federal agency generally cannot conduct or sponsor a collection of information, and the public is generally not required to respond to an information collection, unless the OMB approves it and displays a currently valid OMB Control Number. In addition, notwithstanding any other provisions of law, no person shall generally be subject to penalty for failing to comply with a collection of information that does not display a valid OMB Control Number. See 5 CFR 1320.5(a) and 1320.6.
