**SUPPLEMENTARY INFORMATION:**

*Title; Associated Form; and OMB Number:* Department of Defense Survivor Family Member Survey; OMB Control Number 0704-SFMS.

*Needs and Uses:* The National Defense Authorization Act of 2006 (Pub. L. 109-163) requires data to be collected on the quality of casualty assistance provided to next of kin of military decedents. Beginning in early 2010, the DoD began inviting all primary next of kin to participate in a survey that is designed to measure the effectiveness of its casualty assistance program and the degree of satisfaction of those family members provided such assistance. In 2019, DoD began surveying secondary next of kin, which accounts for the increase in parent and guardian participation. Family responses are held confidentially and will not be reported individually, unless specifically requested by the respondent, but rather are combined with the responses of other survey participants. The aggregate findings from the survey are reported to senior leadership along with recommendations on how we might better serve those who are receiving assistance.

*Affected Public:* Individuals or households.

*Number of Respondents:* 540.

*Responses per Respondent:* 1.
