

discuss the challenges faced historically during New England winters and discuss the stakeholders' differing expectations of challenges for future winters. The objectives of the forum are to achieve greater consensus or agreement among stakeholders in defining the electric and natural gas

system challenges in New England and identify what, if any, steps are needed to better understand those challenges before identifying solutions.

While the forum is not for the purpose of discussing any specific matters before the Commission, some forum discussions may involve issues raised in

proceedings that are currently pending before the Commission. These proceedings include, but are not limited to, the dockets listed below. Dockets that were added subsequent to the Commission's August 22, 2022 supplemental notice appear in italics.

Constellation Mystic Power LLC	Docket Nos. ER18-1639-000, ER18-1639-001, ER18-1639-002, ER18-1639-003, ER18-1639-004, ER18-1639-005, ER18-1639-006, ER18-1639-014, ER18-1639-015, ER18-1639-017, ER22-1192-000.
ISO New England Inc	Docket Nos. ER19-1428-000, ER19-1428-001, ER19-1428-002, ER19-1428-003, ER19-1428-004.
RENEW Northeast and American Clean Power Association vs. ISO New England Inc.	Docket No. EL22-42-000.
NextEra Energy Seabrook, LLC	Docket No. EL21-3-000.
NECEC Transmission LLC and Avangrid, Inc. v. NextEra Energy Resources, LLC.	Docket No. EL21-6-000.

Only Commissioners and panelists will participate in the panel discussions. The forum will be open to the public for listening and observing, and written comments may be submitted in Docket No. AD22-9-000.

Registration for in-person attendance is required, and there is no fee for attendance. A link to attendee registration is available on the New England Winter Gas-Electric Forum event page. Due to space constraints, seating for this event will be limited and registrants that get a confirmed space will be contacted via email. Only confirmed registrants can be admitted to the forum given the maximum occupancy limit at the venue (as required by fire and building safety code). Therefore, the Commission encourages members of the public who wish to attend this event in person to register at their earliest convenience. Online registration will be open, as long as attendance capacity is available, until the day before the forum (September 7). Once registration has reached capacity, registration will be closed. However, those interested in attending after capacity has been reached can join a waiting list (using the same registration link) and be notified if space becomes available. Those who are unable to attend in person may watch the free webcast.

The webcast will allow persons to listen and observe the forum remotely but not participate. Information on this forum, including a link to the webcast, will be posted prior to the event on this forum's event page on the Commission's website. A recording of the webcast will be made available after the forum in the same location on the Calendar of Events. The forum will be transcribed. Transcripts of the forum will be

available for a fee from Ace-Federal Reporters, Inc. (202-347-3700).

Additionally, please note that the Commission will be implementing health and safety restrictions, as appropriate, associated with the Centers for Disease Control and Prevention (CDC) COVID Community Level mitigations. This may include requiring all participants to wear cloth face covers or masks as well as further limiting venue occupancy if Chittenden County is designated as having a high-community level in data expected to be released on the evening of Thursday, September 1. The CDC Community Level tracker may be found at the CDC COVID Data Tracker site.

Commission conferences are accessible under section 508 of the Rehabilitation Act of 1973. For accessibility accommodations, please send an email to accessibility@ferc.gov, call toll-free (866) 208-3372 (voice) or (202) 208-8659 (TTY), or send a fax to (202) 208-2106 with the required accommodations.

[Docket No. EF22–3–000]

Southeastern Power Administration; Notice of Filing

Take notice that on August 25, 2022, Southeastern Power Administration submitted tariff filing: Georgia-Alabama-South Carolina 2022 Rate Adjustment to be effective 9/30/2027.

Any person desiring to intervene or to protest this filing must file in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure (18 CFR 385.211, 385.214). Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Any person wishing to become a party must file a notice of intervention or motion to intervene, as appropriate. Such notices, motions, or protests must be filed on or before the comment date. On or before the comment date, it is not necessary to serve motions to intervene or protests on persons other than the Applicant.

The Commission strongly encourages electronic filings of comments, protests and interventions in lieu of paper using the "eFiling" link at <http://www.ferc.gov>. Persons unable to file electronically may mail similar pleadings to the Federal Energy Regulatory Commission, 888 First Street NE, Washington, DC 20426. Hand delivered submissions in docketed proceedings should be delivered to Health and Human Services, 12225 Wilkins Avenue, Rockville, Maryland 20852.

In addition to publishing the full text of this document in the **Federal Register**, the Commission provides all interested persons an opportunity to view and/or print the contents of this

document via the internet through the Commission's Home Page (<http://ferc.gov>) using the "eLibrary" link. Enter the docket number excluding the last three digits in the docket number field to access the document. At this time, the Commission has suspended access to the Commission's Public Reference Room, due to the proclamation declaring a National Emergency concerning the Novel Coronavirus Disease (COVID–19), issued by the President on March 13, 2020. For assistance, contact the Federal Energy Regulatory Commission at FERCOnlineSupport@ferc.gov or call toll-free, (886) 208–3676 or TTY, (202) 502–8659.

Comment Date: 5:00 p.m. Eastern Time on September 26, 2022.

[Docket No. CP22–494–000]

Boardwalk Storage Company, LLC; Notice of Scoping Period Requesting Comments on Environmental Issues for the Proposed BSC Compression Replacement Project

The staff of the Federal Energy Regulatory Commission (FERC or Commission) will prepare an environmental document, that will discuss the environmental impacts of the BSC Compression Replacement Project involving construction and operation of facilities by Boardwalk Storage Company, LLC (Boardwalk Storage) in Iberville Parish, Louisiana. The Commission will use this environmental document in its decision-making process to determine whether the project is in the public convenience and necessity.

This notice announces the opening of the scoping process the Commission will use to gather input from the public and interested agencies regarding the project. As part of the National Environmental Policy Act (NEPA) review process, the Commission takes into account concerns the public may have about proposals and the environmental impacts that could result from its action whenever it considers the issuance of a Certificate of Public Convenience and Necessity. This gathering of public input is referred to
