

information will have practical utility; (2) the accuracy of FRA's estimates of the burden of the information collection activities, including the validity of the methodology and assumptions used to determine the estimates; (3) ways for FRA to enhance the quality, utility, and clarity of the information being collected; and (4) ways to minimize the burden of information collection activities on the public, including the use of automated collection techniques or other forms of information technology.

The summary below describes the ICR that FRA will submit for OMB clearance as the PRA requires:

Title: System for Telephonic Notification of Unsafe Conditions at Highway-Rail and Pathway Grade Crossings.

OMB Control Number: 2130-0591.

Abstract: The collection of information set forth under 49 CFR part 234 is used by FRA to ensure that the Congressional mandate¹ to require railroad carriers to establish and maintain a toll-free telephone service to report unsafe conditions at highway-rail and pathway grade crossings is carried out. This information is used by railroads to investigate and respond to unsafe conditions and thereby reduce the risk of accidents/incidents and corresponding casualties and property damage at such crossings. Additionally, law enforcement authorities use the information to direct vehicular traffic or carry out other activities to maintain safety at the highway-rail grade crossing or pathway grade crossing.

Type of Request: Extension without change (with changes in estimates) of a currently approved collection.

Affected Public: Businesses.

Form(s): N/A.

Respondent Universe: 621 railroads.

Frequency of Submission: On occasion.

Total Estimated Annual Responses: 163,996.

Total Estimated Annual Burden: 13,649 hours.

Total Estimated Annual Burden Hour Dollar Cost Equivalent: \$985,062.

FRA informs all interested parties that it may not conduct or sponsor, and a respondent is not required to respond to, a collection of information that does not display a currently valid OMB control number.

Authority: 4 U.S.C. 3501-3520.

Brett A. Jortland,

Deputy Chief Counsel.

SUPPLEMENTARY INFORMATION:

I. Background

The Lithium Battery Air Safety Advisory Committee was created under the Federal Advisory Committee Act (FACA, Pub. L. 92-463), in accordance with Section 333(d) of the FAA Reauthorization Act of 2018 (Pub. L. 115-254).

II. Agenda

The meeting agenda will address the following duties of the Committee as specifically outlined in Section 333(d) of the FAA Reauthorization Act:

(a) Facilitate communication among manufacturers of lithium batteries and products containing lithium batteries, air carriers, and the federal government.

(b) Discuss the effectiveness and the economic and social impacts of lithium battery transportation regulations.

(c) Provide the Secretary with information regarding new technologies and transportation safety practices.

(d) Provide a forum to discuss Departmental activities related to lithium battery transportation safety.

(e) Advise and recommend activities to improve the global enforcement of air transportation of lithium batteries, and the effectiveness of those regulations.

(f) Provide a forum for feedback on potential U.S. positions to be taken at international forums.

(g) Guide activities to increase awareness of relevant requirements.

(h) Review methods to decrease the risk posed by undeclared hazardous materials.

A final agenda will be posted on the Lithium Battery Air Safety Advisory Committee website at least 15 days in advance of the meeting.

III. Public Participation

The meeting will be open to the public. DOT is committed to providing equal access to this meeting for all participants. If you need alternative formats or services because of a disability, such as sign language, interpretation, or other ancillary aids, please contact the person listed in the **FOR FURTHER INFORMATION CONTACT** section no later than October 5, 2022.

To accommodate as many speakers as possible, time for each commenter may be limited. There will be five minutes allotted for oral comments from members of the public joining the meeting. Individuals wishing to reserve speaking time during the meeting must submit a request at the time of registration, as well as the name,

¹ Section 205 of the Rail Safety Improvement Act of 2008, Public Law 110-432, Division A (October 16, 2008).
