Proposed Collection; Comment Request; Extension: Rule 302

Upon Written Request, Copies Available From: Securities and Exchange Commission, Office of FOIA Services, 100 F Street NE, Washington, DC 20549-2736

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 ("PRA") (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission ("Commission") is soliciting comments on the existing collection of information provided for in Rule 302 (17 CFR 242.302) of Regulation ATS (17 CFR 242.300 *et seq.*) under the Securities and Exchange Act of 1934 ("Act") (15 U.S.C. 78a *et seq.*). The Commission plans to submit this existing collection of information to the Office of Management and Budget ("OMB") for extension and approval.

Regulation ATS sets forth a regulatory regime for "alternative trading systems" ("ATSs"). An entity that meets the definition of an exchange must register, pursuant to Section 5 of the Exchange Act, as a national securities exchange under Section 6 of the Exchange Act¹ or operate pursuant to an appropriate exemption.² One of the available exemptions is for ATSs.³ Exchange Act Rule 3a1-1(a)(2) exempts from the definition of "exchange" under Section 3(a)(1) an organization, association, or group of persons that complies with Regulation ATS.⁴ Regulation ATS requires an ATS to, among other things, register as a broker-dealer with the Securities and Exchange Commission ("SEC"), file a Form ATS with the Commission to notice its operations, and establish written safeguards and procedures to protect subscribers' confidential trading information. An ATS that complies with Regulation ATS and operates pursuant to the Rule 3a1-

¹ See 15 U.S.C. 78e and 78f. A "national securities exchange" is an exchange registered as such under Section 6 of the Exchange Act.

² 15 U.S.C. 78a *et seq.*

³ Rule 300(a) of Regulation ATS provides that an ATS is "any organization, association, person, group of persons, or system: (1) [t]hat constitutes, maintains, or provides a market place or facilities for bringing together purchasers and sellers of securities or for otherwise performing with respect to securities the functions commonly performed by a stock exchange within the meaning of [Exchange Act Rule 3b-16]; and (2) [t]hat does not: (i) [s]et rules governing the conduct of subscribers other than the conduct of subscribers' trading on such [ATS]; or (ii) [d]iscipline subscribers other than by exclusion from trading."

⁴ See 17 CFR 240.3a1-1(a)(2).

1(a)(2) exemption would not be required by Section 5 to register as a national securities exchange.

Rule 302 of Regulation ATS (17 CFR 242.302) describes the recordkeeping requirements for ATSs. Under Rule 302, ATSs are required to, among other things, make a record of subscribers to the ATS, daily summaries of trading in the ATS, and time-sequenced records of order information in the ATS.

The information required to be collected under Rule 302 should increase the abilities of the Commission, state securities regulatory authorities, and the self-regulatory organizations to ensure that ATSs are in compliance with Regulation ATS as well as other applicable rules and regulations. If the information is not collected or collected less frequently, the regulators would be limited in their ability to comply with their statutory obligations, provide for the protection of investors, and promote the maintenance of fair and orderly markets.

Respondents consist of ATSs that choose to operate pursuant to the exemption provided by Regulation ATS from registration as national securities exchanges. There are currently 101 respondents. These respondents will spend a total of approximately 4,545 hours per year (101 respondents at 45 burden hours/respondent) to comply with the recordkeeping requirements of Rule 302. At an average cost per burden hour of \$83, the resultant total related total internal cost of compliance for these respondents is approximately \$377,235 per year (4,545 burden hours multiplied by \$83/hour).

Written comments are invited on (a) whether the proposed collection of information is necessary for the proper performance of the functions of the Commission, including whether the information shall have practical utility; (b) the accuracy of the Commission's estimates of the burden of the proposed collection of information; (c) ways to enhance the quality, utility, and clarity of the information collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted by November 25, 2022.

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information under the PRA unless it displays a currently valid OMB control number.

Please direct your written comment to David Bottom, Director/Chief Information Officer, Securities and

Exchange Commission, c/o John Pezzullo, 100 F Street NE, Washington, DC 20549 or send an email to: PRA_Mailbox@sec.gov.

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-95844; File No. SR-CboeBYX-2022-021]

Self-Regulatory Organizations; Cboe BYX Exchange, Inc.; Notice of Filing and Immediate Effectiveness of a Proposed Rule Change To Amend Its Fee Schedule

September 20, 2022.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (“Act”),¹ and Rule 19b-4 thereunder,² notice is hereby given that on September 7, 2022, Cboe BYX Exchange, Inc. (“Exchange” or “BYX”) filed with the Securities and Exchange Commission (“Commission”) the proposed rule change as described in Items I, II, and III below, which Items have been prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

Cboe BYX Exchange, Inc. (the “Exchange” or “BYX” or “BYX Equities”) is filing with the Securities and Exchange Commission (“Commission”) a proposed rule change to amend its Fee Schedule. The text of the proposed rule change is provided in Exhibit 5.

The text of the proposed rule change is also available on the Exchange's website (http://markets.cboe.com/us/equities/regulation/rule_filings/byx/), at the Exchange's Office of the Secretary, and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed

any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to amend its Fee Schedule to adopt monthly fees assessed to Users³ that elect to subscribe to the Short Volume Report, effective, August 24, 2022.⁴

On August 9, 2022, the Exchange introduced a new data product known as the Short Volume Report.⁵ The Short Volume Report, which will be available on August 24, 2022, is an end-of-day report that provides certain equity trading activity on the Exchange, and includes trade date, total volume, sell short volume, and sell short exempt volume, by symbol.⁶ In addition to the daily subscription, a Member⁷ or non-Member may purchase the Short Volume Report on a historical monthly basis, which provides the end-of-day report for each day during a given calendar month.

The Exchange proposes to adopt fees applicable to Users that subscribe to the Short Volume Report. As proposed, the Exchange would assess a monthly⁸ fee of \$50 per month to an Internal Distributor⁹ and a fee of \$75 per month

³ A “User” of an Exchange Market Data product is a natural person, a proprietorship, corporation, partnership, or entity, or device (computer or other automated service), that is entitled to receive Exchange data. See the BYX Equities Exchange Fee Schedule at https://www.cboe.com/us/equities/membership/fee_schedule/byx/.

⁴ The Exchange initially filed the proposed fee changes on August 24, 2022 (SR-CboeBYX-2022-020). On September 7, 2022, the Exchange withdrew that filing and submitted this filing.

⁵ See Securities Exchange Act No. 95548 (August 18, 2022) 87 FR 52087 (August 24, 2022) (SR-CboeBYX-2022-019).

⁶ See Exchange Rule 11.22(f).

⁷ See Exchange Rule 1.5(n).

⁸ The monthly fees for the Short Volume Report end-of-day reports are assessed based on a 30-day period. For example, if a User subscribes to the Short Volume Report on September 15, 2022, the monthly fee will cover the period of September 15, 2022 through October 15, 2022. If the User cancels its subscription prior to October 15, 2022, the User will not be charged for (or have access to) Short Volume Reports for the remainder of October.

⁹ An “Internal Distributor” of an Exchange Market Data product is a Distributor that receives the Exchange Market Data product and then distributes that data to one or more Users within the Distributor's own entity. *Supra* note 3.
